Mortonian

1950

Dear June
Best of luck to a
swell girl. I really
enjoyed having you in
my class. I hope to see you
next year. Have a nice summer.

Dear June
Best of luck and happiness
to a swell person. It's been
swell to know you and be
in the same class with you.
Ronald Shakespeare

Dear June,
Best Wishes in
the future. May you have
health, wealth and happiness.
Good Luck.
Marion Bennett

Dear June,
It's been nice having
you in English and History
Lots of Luck and Happiness
Carol Higgins

Dear June
It was nice
having you in
typing and math.
Leonard
Subach

Dear June,
Hey funny, I've really
enjoyed knowing you these
last few years, & we
have had a lot of fun.
I really hope I'll have
you in my class next
semester. Be good
this summer & I
wish you all
the luck in the
world, cause you
a sweet gal.
Love
Marilyn
Langbauer

Best wishes
to a nice girl.
Betty
Brandt

Good Luck
Wayne
Zigler
Pg 14

Dear June,
It has been wonderful having you in History X this year because you are such a swell kid. I hope to have you in more classes next year as we can have just as much fun as this year. Good luck to a sweet old girl like you & I know you'll have a terrific time next summer & throughout your life.

Marjorie Ulrich

Dear June,
Although I haven't known you for long, I think you are a swell kid.
Good Luck in your future years.

Mary Bradford

Dear June,
Best of luck in your future years.
Your future means no matter what you do.

Theresa Cravens

Dear June,
Gee, I sure really get to see you as much as I'd like to! We've had fun and graduated from grammar school together and pretty soon we'll be graduating from high school together! Lots of luck to a real swell girl.
Love,
Gaycie"

Dear June,
I have known you for many years now and I have enjoyed all the fun I have had together. I wish you all the luck and success that you deserve.

Sincerely,
Barbara Hurt

Dear June,
Best of Luck in your future years
Whether at work or school always be good, be happy and have fun.
Always,
Bernie

Typing + History

Dear June,
Well, school's almost out and I guess that ends another year of our friendship. I probably won't make it back next year, but I hope I will see you again sometime. Please do me a favor and stay as sweet and natural as you are

Mary Sealer
(Kirkie)

Dear June
Best wishes for
a wonderful
Summer!
Love and
Kisses
Cathy

Dear June,
Lots of happiness
and best of everything
to a nice kid.
See you next year.
Loads of luck,
Donna Ullery

Dear June
Here's wishing you
luck in Morton
Bob Yandis

Good luck
Sweet child
Let us
Your
Love

Dear June, Best of Luck
Be Good
Have a nice summer
I'll see you next fall.
Love Dee

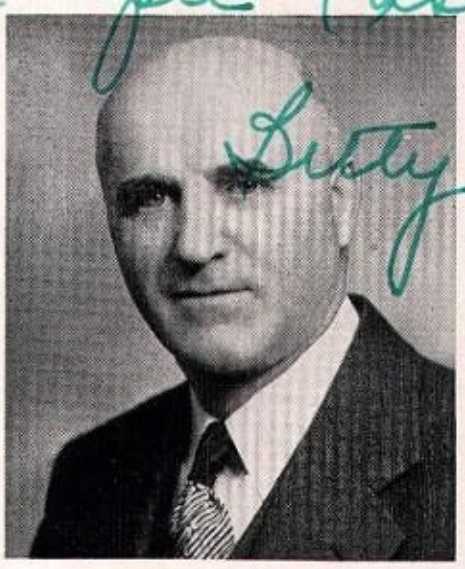
Moments

In Retrospect

Board of Education

Dear June
Here's wishing you
the best of everything
Have a nice summer
See my love
Purple Passion
Betty Marsh

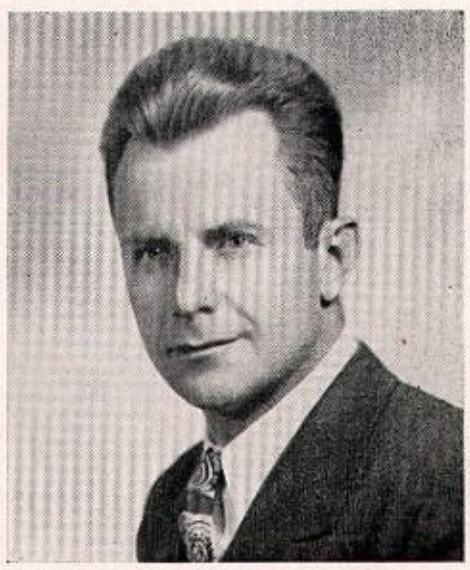
Mr. Edward W. Chodl



Mr. Joseph F. Mrizek

Mr. George Prosch

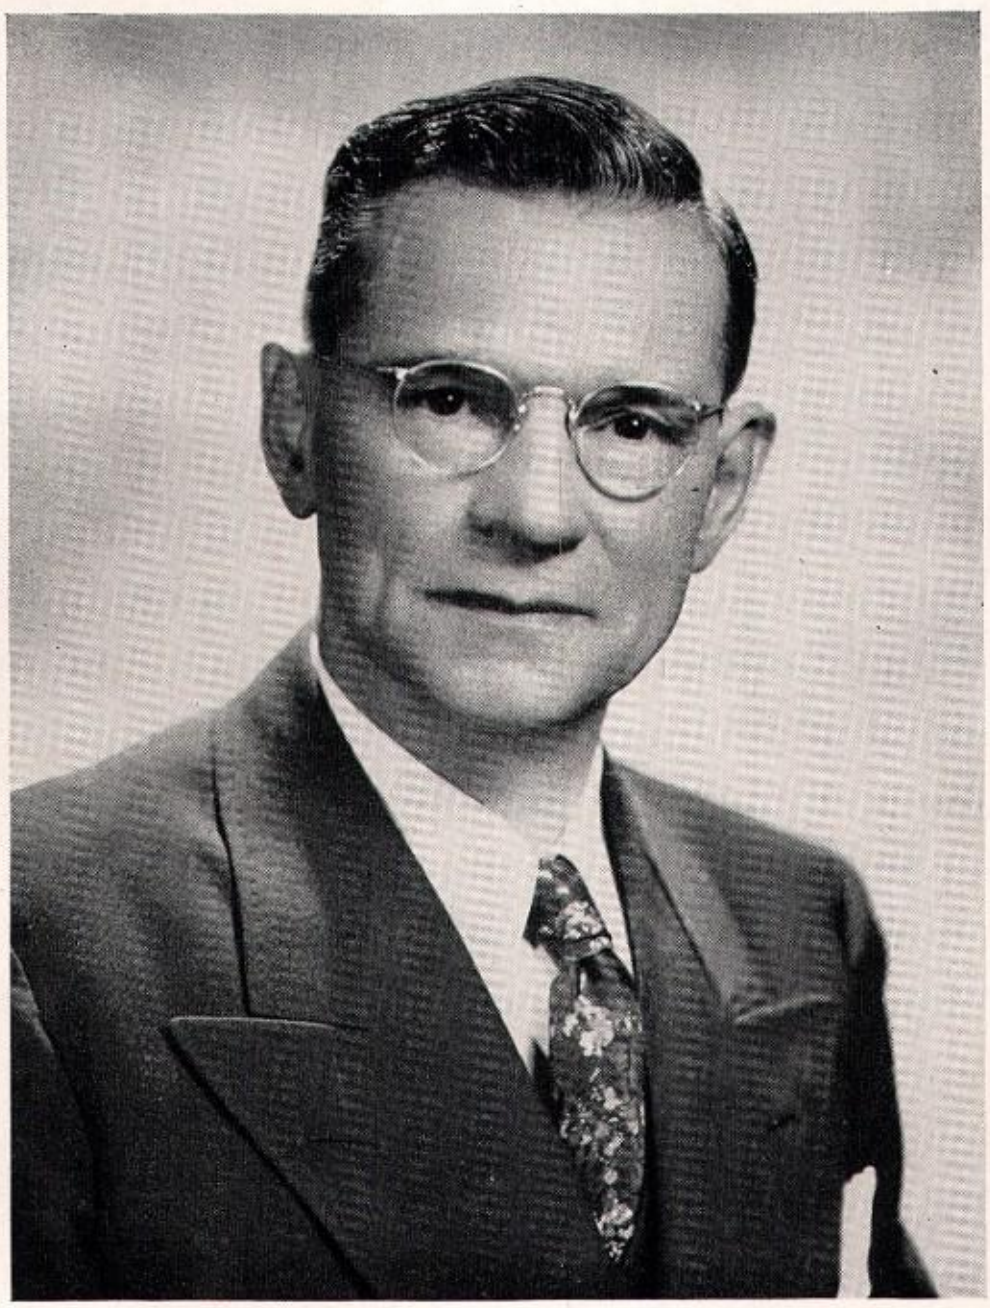
Mr. Otto Pecha, Jr.



Mr. Charles Matt

One of the groups of people necessary for the successful functioning of our school is the Board of Education, comprised of five local elected citizens. Although the student body has no personal contact with this group, it renders a great service to the school. The work of the Board of Education consists of providing educational opportunities for the students and making possible the various activities of the school.

Superintendent



MR. W. P. MacLEAN

Much credit should be extended to Mr. MacLean for the superior manner in which he has filled his difficult position as superintendent of Morton High School. Our superintendent has done a great deal to better our school, and his kindness and understanding have caused him to gain the respect of teachers and students alike. Mr. MacLean's duties include a variety of things necessary for the operation of such a large school as ours. He has faithfully and willingly performed the many tasks required of him, and it is up to us to show our thanks and appreciation to Mr. MacLean for his tireless efforts in aiding us as much as he possibly could.

Administration Aids

MR. ALLEN R. MOORE — Assistant Superintendent

The work of Mr. Moore is to help the superintendent carry out the educational policies of the school. This genial gentleman does his best to benefit the school and students. His ceaseless efforts help the school to function smoothly and efficiently.

MR. E. BLAIR — Business Manager

Mr. Blair handles the financial duties of the school. This includes the purchasing of items for both the high school and the college and the supervising of the cafeteria, the textbook department, and the general store. Mr. Blair's excellent work has done much to improve the physical appearance of our school and make it a more pleasant place in which to study.

MR. E. W. GREEN — Director of Public Relations

One of the most popular men in our school is "Pop" Green, our Director of Public Relations. He is the man who directs our radio program and who officiates at our assemblies. All of the outside activities are under the management of Mr. Green. "Pop's" amiable disposition helps to make him one of the best-loved persons in Morton.

In Memoriam

Mrs. M. H. Wiebe

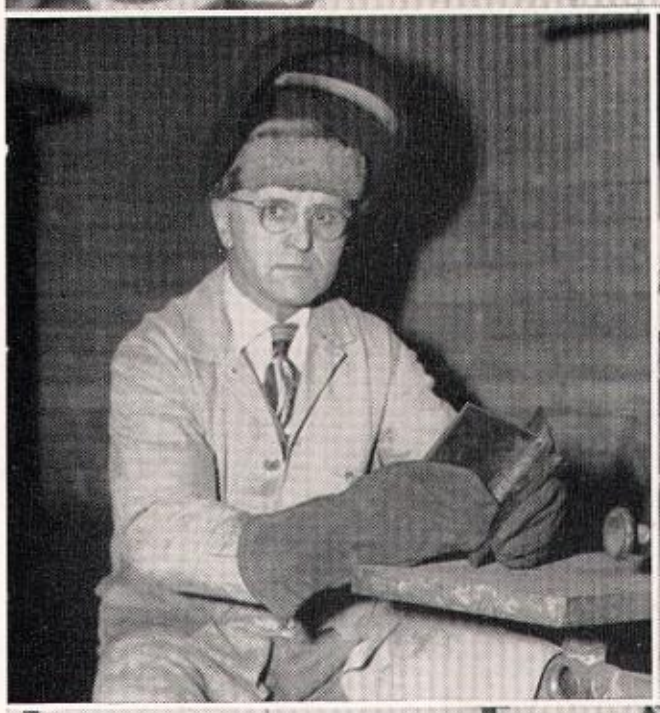
From the moment she came to Morton in 1942, Mrs. Wiebe became an enthusiast for the students in her classes. By many ingenious methods she spurred the student to greater effort and accomplishment. Always did she have the future welfare of the student at heart. No one doubted her sincerity.

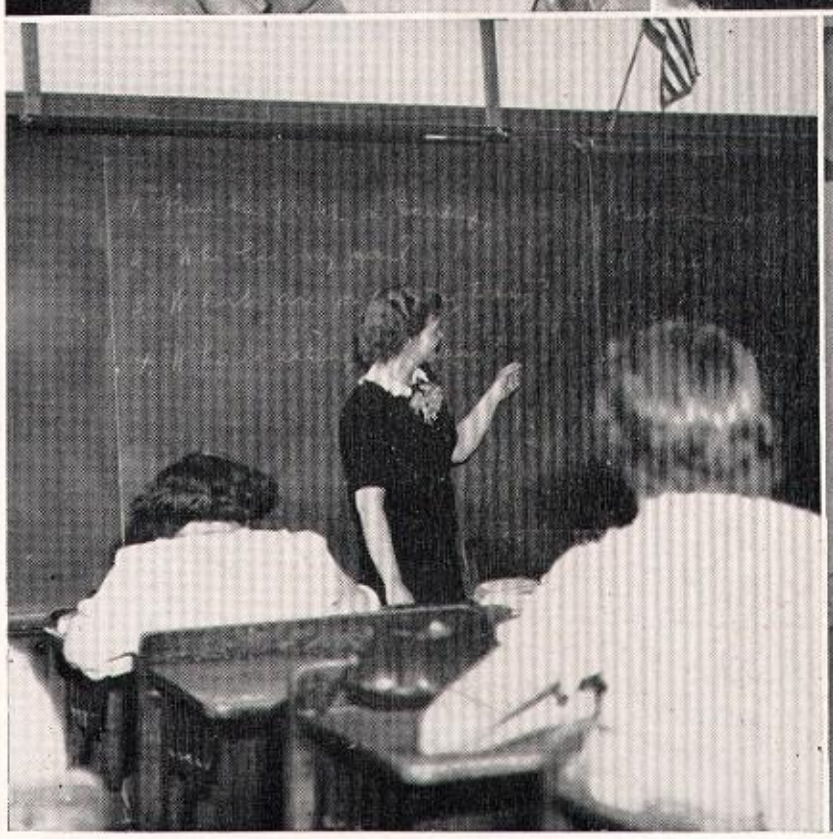
Miss E. J. Potts

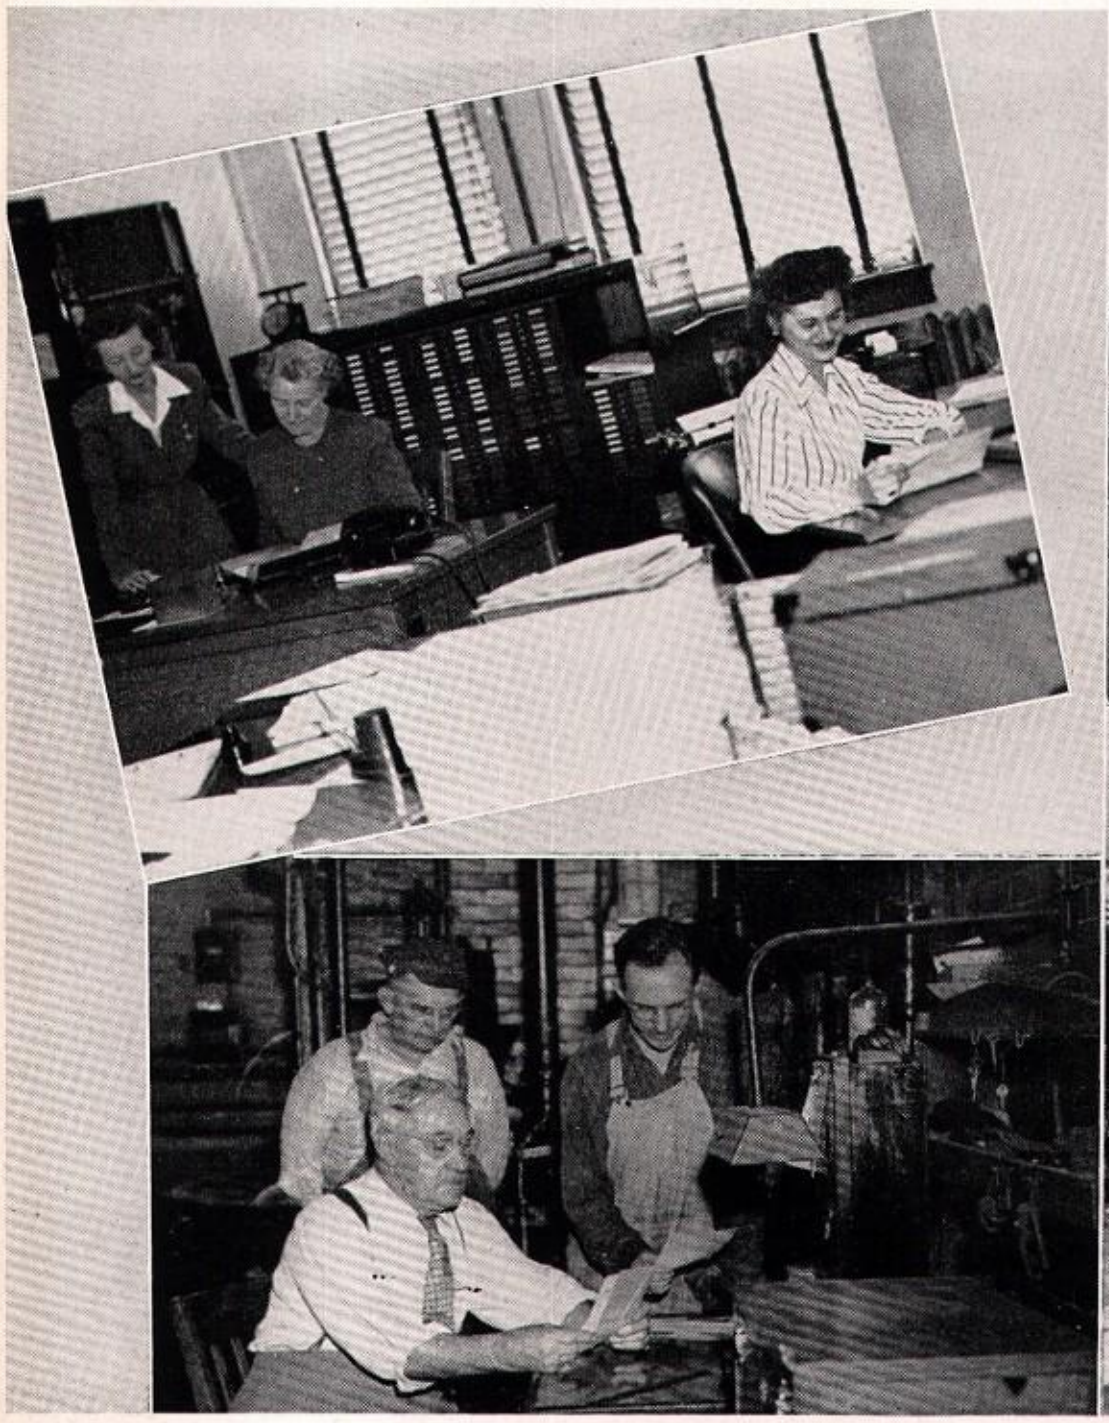
Miss Potts, affectionately known as "Ahmee," began her teaching career at Morton in the physical education department in 1938. During the war, Miss Potts served as a lieutenant with the Waves in Washington, D. C. Her friendliness, sense of humor, and cheerful manner won her many friends among her co-workers and students.

Mr. A. L. Hornor

Mr. Hornor came to Morton in September, 1946. The memory of a truly great teacher remains for our students, faculty, and all who knew him. Mr. Hornor literally gave his life to education. The splendid example of his own life is the textbook he left us.







Office Staff

One of the busiest and most well-known offices in Morton is Room 310. Here the switchboard operators handle the school's telephone calls; and here, also, the staff performs its secretarial work and record-keeping. An able group of girls under the direction and guidance of Miss Willmot take care of the detailed work of our school. In this vicinity is the cashier's office, where one purchases fee tickets for such classes as typing and foods.

Maintenance

Although we may not fully appreciate the services of our maintenance staff, we would be extremely handicapped without these men. Ben Smith's boys take care of the mechanical work of the school, such as heating, plumbing, fixing broken equipment, and "cleaning house." Even though the staff is not a large one, these able workers keep thousands of Morton students comfortable throughout the day.

Medical Department

Whenever one sees a long line coming out of 380, he knows there is a sudden epidemic of homesickness. Excuses? Oh, just about anything that might come to one at the time he is approached by a nurse. The medical staff has really done a splendid job, however, in helping to keep our students healthy and providing proper medical care for them.

Cafeteria

"Guide card, please!" Such is the familiar greeting one receives as he enters the most popular place in our school. The cafeteria is the scene of hustle and bustle practically all day long. The fine work done by the cafeteria staff is one worthy of recognition.

Dear June, (Clara)

I'm wishing the best of everything to a very sweet kid. You're friendship and companionship during my days here at Morton have meant alot to me. I hope that in some way, I have repaid your friendship. Stay as sweet as you are, and you'll go far on the road to success! Loads of good luck, success, and happiness to a swell gal! Have a good summer! God bless and keep you!

Love Always,

Roy Kranzow

P.S. Be sure you write to me. Love ya!

Best Wishes to a good egg

Roses are red,
Violets are blue,
Honey may be sweet,
But so are you!

Love Again,
Roy

Marik, Boher, Hall, Brown, Naxera, Jansky, Corby, Novak, Bick, Cech

Bottom Row
Morec, Kuba, Moran, Hosek, Vodak, Kobzina, Mihelic, Hoagland, Bergland, Hanus, Kittson

M.H.B.—4TH HOUR

Top Row
McLynn, Johann, Cosentino, Christiansen, Klings, Hoffman, Heilenbach, Bremicker, Panosh, Sebastiani, Strickle

Middle Row
Dauksa, Grala, Krupicka, Drevikovsky, Michaelson, Courtney, Whitmarsh, Swaner, Benakis, Tsimbidis, Dajc

Bottom Row
Kolodziejski, Stock, Dziubala, Zielinski, Beh'es, Kaczmarek, Ganglfinger, Christopher, Langbauer, DeBarge

V.G.B.—4TH HOUR

Top Row
Bartik, Mikyska, Bocksruker, Konovsky, Voelz, Konicek, Barta, Eberhardt, Springer, Mikuta, Mudra

Middle Row
Spicka, Kunesh, Pribyl, Snella, Dugovic, Luchman, Monaghan, Hays, Stacker, O'Connell, Thomas

Bottom Row
Ullrey, Maresh, Brinker, Ashley, Weston, Votruba, Collier, Black, Butara, Russell, Mesec, Cohea

E.H.D.—4TH HOUR

Top Row
Carbonara, Olson, Kouba, Vesrcky, Kowalewski, Brstilo, Saylor, Novah, Aiello, Radwill, Puncochar

Bottom Row
Carpenter, Forst, Taft, Skodacrh, Connevs, Szczvdlo, Povpz, May, Fenton, Kelly, Lollini

Sophomores

M.A.D.—4TH HOUR

Top Row
Caprini, Moody, Stelton, Suchel, Cervenka, Rybinski, O'Neil, Stasik, Boburka, Langley

Bottom Row
Cervenka, Pappel, Ihde, Penteris, Petrovic, Wardan, Horak, Kochanski, Turck, Mraz, Seifert

L.L.L.—4TH HOUR

Top Row
DeBoer, Benes, Born, Lehpamer, Wokas, Laibl, Hansen, Hofruiter

Middle Row
Barta, Stoker, Tisci, Harley, Kocour, Araton, Cerny, Chryska

Bottom Row
Molbeck, Skopek, Guglielmucci, Hain, Svolos, Prevratil, McDonald, Colograsil

F.S.M.—4TH HOUR

Top Row
Horn, Hertel, Boberg, Sloot, Jecha, Joassen,, Bons, Baumruk, Danes, Hovorka

Middle Row
Piekarski, Wojtas, Voelz, Faust, Liska, Belohlavek, Simek, Pelch, Needham, Voige

Bottom Row
Hampl, Fender, Schmidt, Priggie, Haznedl, Marquet, Koucky, Hartman, Rogers, Barthel

T.S.—4TH HOUR

Top Row
Peterson, Karlinski, Huis, Ciner, Berry, Bowers, Ligler, Klein, Jankelunas, Bogdan

Middle Row
Kostas, Klener, Roichek, Holas, Lesak, Karez, Sleehta, Tumd, Bennett, McClure

Bottom Row
Hahn, Kobzina, Cameron, Woodbury, Jankowski, Simone, Bannon, Simers, Eriekson, Svec, Pindiak

Sophomores

M.H.B.—5TH HOUR

Top Row

Stack, Fritz, Behounek, Molnar, Patton, Koukal, Konezney

Bottom Row

Guintoli, Kronquist, Bruzan, Wing, Johnson, Lokay, Boyer, Romani, Blake

L.G.H.—5TH HOUR

Top Row

Jung, Vesely, Ljungberg, Behnke, Nendick, Otto, Hanson, Zaloudek

Middle Row

Stewart, Voldan, Yodikis, Lukes, Remig, Smid, Pierce, Pauley

Bottom Row

Sikora, Chainuck, Pape, Thorpe, Corrotto, Galligani, Roubal, Tokar, Novotny

R.S.L.—5TH HOUR

Top Row

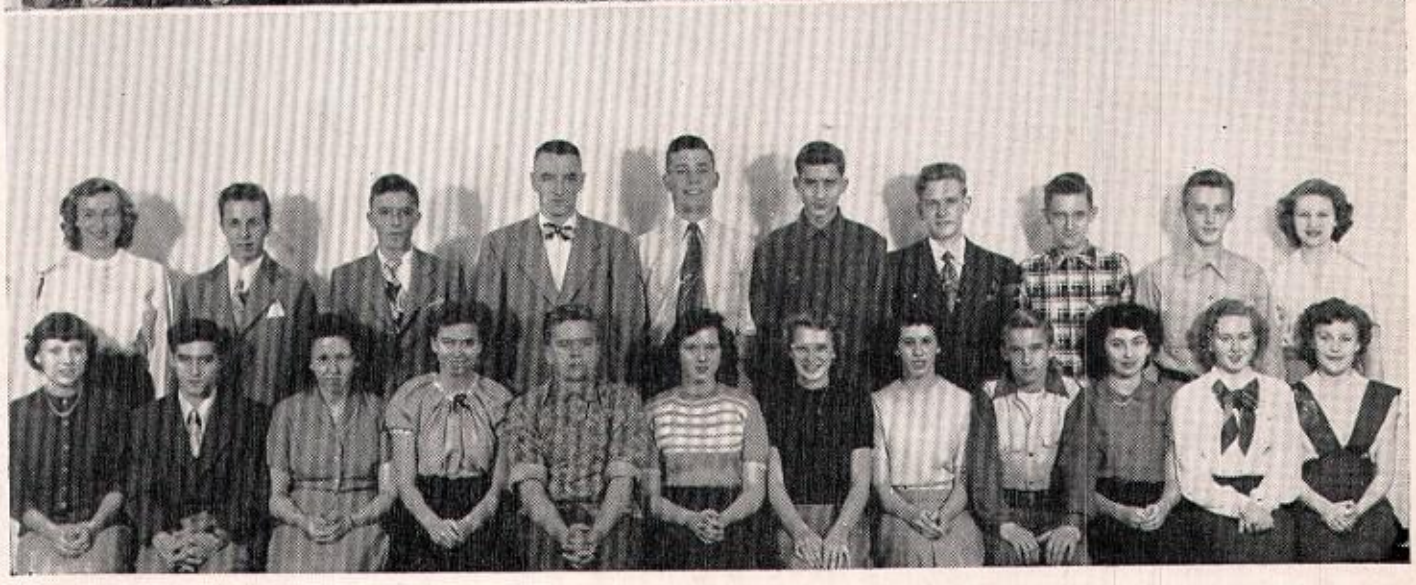
Winkler, Svornik, Solner, Weisshappel, Chmela, Schalla, Miller, Kafka, Rich, Wolf, Albert

Middle Row

McDonald, Church, Chmela, Kudrna, Garber, Kaski, Wischmann, Dixon Bartels, Tvrz, Smith

Bottom Row

Metro, Ault, Buresh, DeVries, Vitous, Smith, Burkhart, Bartolini, Tambour, Bradford, Schade



L.G.M.—5TH HOUR

Top Row

Humpal, Howe, Bezouska, Murphy, LaVahn, Perry, Harley, Kotilinek, Maly, Spacek

Bottom Row

Shandle, Capone, Ninis, Pavelchik, Baley, Cavallini, Laibl, Zigman, Kolpacki, Brown, Anderson, Norek

Dear Jerne,
I enjoyed having you in English this year. I hope you and I have class next year. Good luck,
Have a swell summer.
Love
Norma Lee Sporka

Sophomores

E.R.O.—5TH HOUR

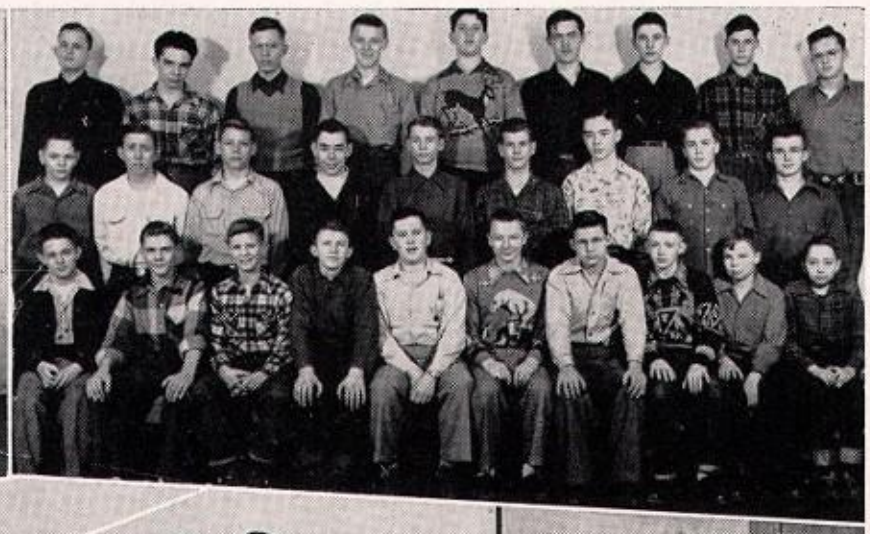
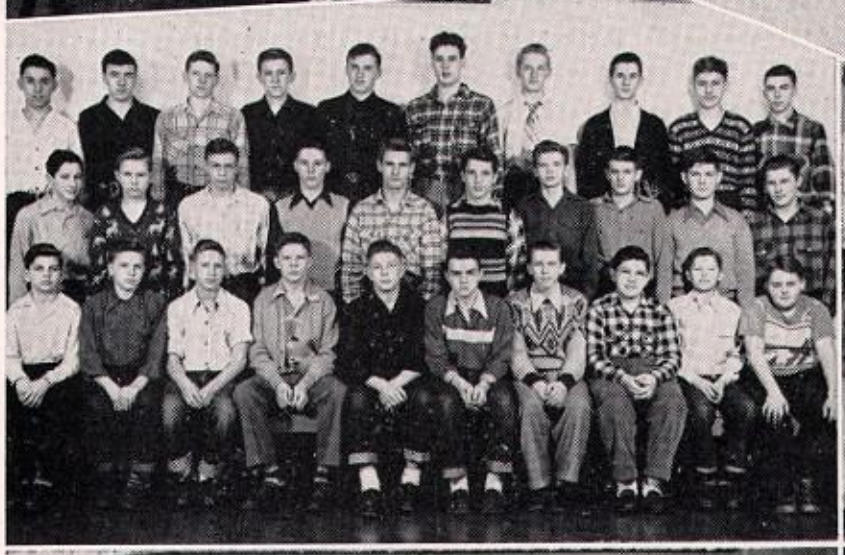
Activities

It's wonderful for you to have had it so good. If it wouldn't have been for your help, I don't know where I'd be today. Thanks a million for both your friendship and your love. We've had some wonderful times together and I hope we can have a million more. Remember, all the love and kisses in the world are yours. (Only kidding) I hope you

Love,
Vicki

Future Leaders

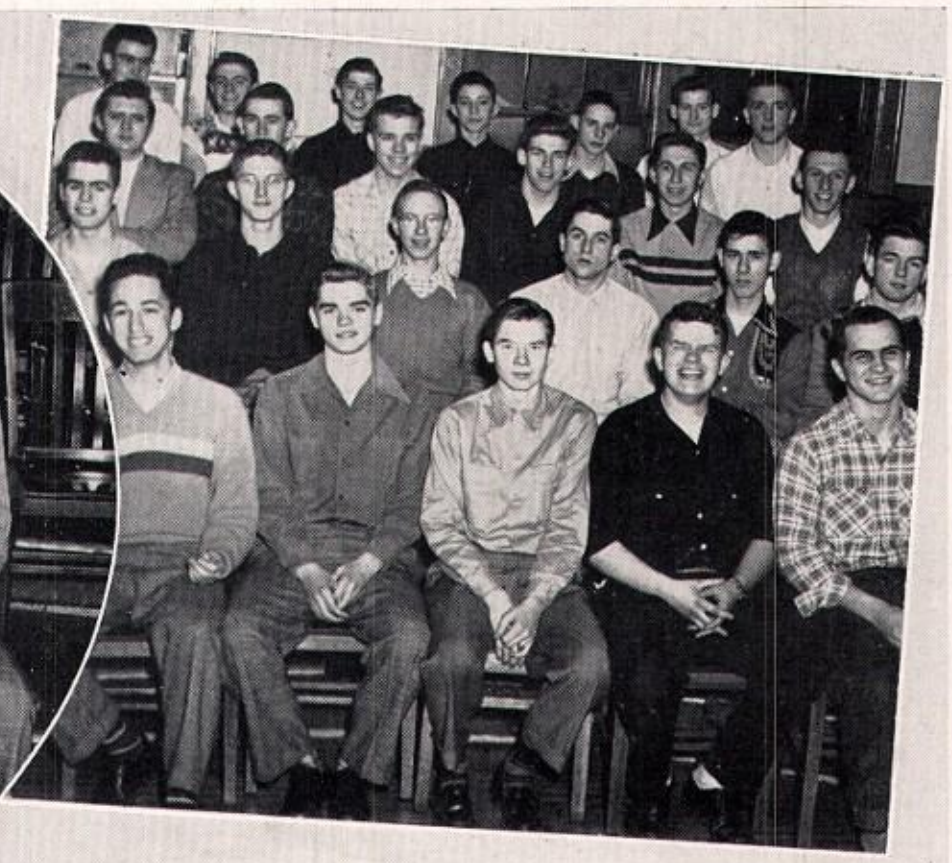


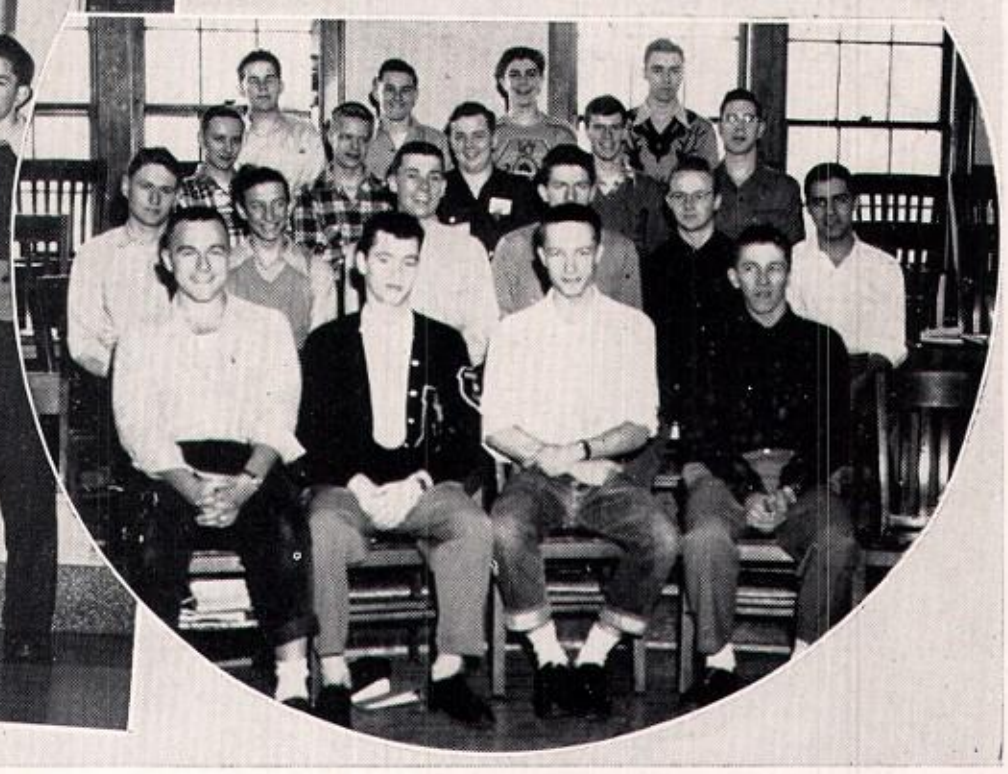


MORTON JR. COUNCIL . . . During P. M. assemblies when all the Frosh-Soph population of J. S. M. get to see and hear their assembly, the Jr. Council boys are sure to be on duty. These boys help protect the privilege that few schools have. That is unrestricted seating in the assembly. These fellows also help plan the Father-Son Banquet and serve at other banquets. The council is affiliated to the National Hi-Y organization. Mr. G. M. Latimer is the advisor.

FUTURE TEACHERS . . . The Future Teachers are those that someday hope to excel in guiding our children as we have been guided through our years at Morton. This club will prove profitable to those who plan on entering the teaching profession. Sophomores, juniors, and seniors may join this chapter of the national organization of the Future Teachers of America. The students are being informed under the leadership of Miss M. J. Wahl about the various fields open to those interested in this profession.

Give Us Some Men!





MORTON SR. COUNCIL . . . Quiet please! This is a phrase you might hear during an assembly from one of the boys of the Senior Council. The purpose of the club is to create, maintain, and extend throughout the community and school high standards of Christian conduct and to promote friendly interest among the fellows at Morton. The boys usher at assemblies, serve at banquets, plan the Father and Son Banquet, and perform any other service which may be asked of them in connection with a school activity. In order to become a member of the Senior Council, a boy must be in his junior or senior year in school and must be recommended by one of the boys in the council. Since the club membership is limited to sixty, boys are drawn from a waiting list. Mr. Meeker is the advisor.

Reading, Writing and Talking

READING CLUB . . . Can you take trips to all the places that you'd like to see and learn about? Whether you can or not, you may enjoy them through books. The Reading Club meets to share the enjoyment of reading with others and to learn more about different authors and their books. The club is open to anyone who enjoys reading and is under the council of Miss A. Svrchek.

DEBATE . . . Do you like to discuss the different sides of a question in order to learn more about it? The boys in the Debate Club do. The club tries to develop proficiency in debate and to organize a team for interscholastic competition. Any high school undergraduate at Morton is eligible to join the Debate Club. Mr. W. J. Cherry is the advisor.

WRITERS CLUB . . . "Listen to this" is a typical phrase used by the Writers Club. The members write stories and read them to the club who criticizes and encourages the future Shakespeares. By helping each other they develop their talents along this line. Miss M. A. Diez is the advisor of the club.

Far Away Places

HI C . . . Do you feel you could go through the day better if you started it with a prayer in the morning? The Hi C Club does, and they meet every day before first hour to do it. The main purpose of the club is to learn more about religion and the Bible through group study, interpretation, and discussion. Shields are given to members who earn points through attendance, quizzes, daily Bible reading, and participation in other club activities. Miss N. M. Hadraba is the advisor.

STAMP CLUB . . . Do you ever look at the stamp on the envelope when you get a letter? That's probably the first thing that a member of the Stamp Club would do. The club consists of students who are interested in buying, selling, and collecting stamps. Mr. I. C. Ullrey advises the club whose only eligibility rule is that the student must have an interest in the little squares of paper commonly referred to as stamps.

Helping, At Home and Abroad

RED CROSS . . . Every year at Morton we see little boxes with big red crosses on them around the rooms in the building. The Jr. Red Cross sees that they are filled and sent to needy people overseas and takes charge of donations which are made to the Red Cross. Mrs. Smenos is the advisor of this useful organization.

HOME ECONOMICS CLUB . . . "Better homemakers make better homes." That is the slogan of the sophomores, juniors, and seniors in the Home Ec. Club. The girls must have had three semesters of Home Ec. or be in their third semester to be admitted to the club. The club directed by Miss D. A. Timms encourages the building of better homes and thus better communities. By the combination of charity, working on sales, and conventions, they promote sociability and service among club members.

Money, Money, Money

TICKET OFFICE . . . "You're lucky, this is the last ticket!" . . . Have you ever breathed a sigh of relief when the basketball ticket you feared you wouldn't get was handed across the counter? The familiar Student Ticket Office in the "caf" has as its function exactly what it indicates with Alice Klepal as Student Manager. In addition to the sale of tickets, it is responsible for sponsoring buses to football games, and serves as a depository for the March of Dimes and Christmas Seal Funds. And of course this is the place, that ye olde ANNUAL tickets are sold. Each student working under the guidance of Mr. G. B. Reeve must have passing grades and show integrity. Besides just work the students have a lot of fun on picnics, parties and bowling. The Ticket Office is organized for your convenience, appreciate it!

BANK . . . "I would like to deposit a quarter." . . . The Student Bank accepts all deposits whether large or small, and offers students a safe place to keep their money for future school functions like the prom, class rings, ANNUALS, Christmas shopping, and college. Students who work in the Bank get a minor credit for a year's service and also get a good deal of practical experience in banking and bookkeeping. It takes a lot of figuring to keep the bank going smoothly. Mr. A. J. Frattinger is the advisor.

Talented Students

TALENT CLUB . . . "What a lovely voice!". . . "Gee, her rhythm's perfect!" . . . Has anyone ever told you how good you are? Have you some special talent? You're eligible for the Morton Talent Club. Remember those swell talent assemblies. They were all put on by the hardworking members of this club. These future performers work for the interest of the school in that they provide entertainment for various school activities. Their shows are given for charitable and social organizations in the community. Mr. Kovanic is the advisor.

BEGINNING TAP . . . Bright Beginners! Of course, we're talking about the girls who have just started in the Tap Club. The girls soon learn the fundamentals of tap dancing and go on to interesting tap routines. This year the members have participated in the Variety Show, the Physical Education Demonstration, and performed at Great Lakes and Hines Hospital. For the beginning group the officers were: Chairman, Joan Vojta; Secretary and Treasurer, Shirley Cermak; Advisor, Miss A. J. Novotny.

SWING AND SWAY . . . Everyone likes to dance and if you are one of these everyones, you can enjoy yourself even more by joining this club. They practice and exhibit new steps, as well as perfect old ones, and meet people with the same interest as they have. Their music comes by way of the "nickelodeon" or juke box to us foreigners. Mrs. A. Smenos advises.

Let's Go, Morton, Let's Go!

BOOSTER CLUB . . . Remember those cute pigskin footballs? The Booster Club is directly connected with sports by their sale of candy at basketball games. Recently they have added hot dogs to their list of refreshments sold at games. Also included at home games this year is the new wardrobe service. During the year they also have various other sales. The Booster Club, a service club, is always waiting to assist the other school organizations. The "Boosters" top off their year with the annual Sports Banquet given in honor of the graduating athletes. Anyone actively interested in sports and service is eligible for membership. After a year's service pins are awarded. Mr. Kohout is the co-operative advisor.

CHEERLEADING TEAM . . . "With an M- with an O-," that is the familiar cry of the Morton Cheerleaders. Each of the hard working cheerleaders has an above 85 average and has undergone a training period of six weeks. A prospective cheerleader must have a pleasing personality, poise, confidence, and good posture, jump, arm movements, and sportsmanship. The cheerleading team promotes better sportsmanship between opposing schools during games and leads the boys and girls in cheers. Miss S. G. Scribano coaches the cheerleaders with the wonderful results that inspire us to yell our lungs out at the games.

Dear June,
Lots of luck to a wonderful girl who knows her math. See you in the fall.
Marlene Sisler

Women, Can't get along without 'em

ALMEGA CLUB . . . "Look at all the bright ribbons." . . . "It must be the Almega Club's annual ribbon sale." . . . All Morton girls are eligible to join the Almega Club. The Club's profits go to contributions for the needy: the Red Cross, Save the Children's Federation, and this year a special donation went to the American Cancer Society. During their meetings the club makes dolls, clothes, and various other articles for the needy around the world. Miss L. G. Mikes is the advisor of this service organization.

FROSH-SOPH GIRLS . . . This club is limited for the exclusive membership of freshman and sophomore girls. The girls main purpose is to do welfare work for the school. Many of the things the girls have done are making rag dolls for hospital shut-ins during the Christmas season, stationery folders constructed of colorful designs of wall-paper, preparing tickets for an assembly, and pasting Christmas seals on pieces of paper used also as an admission to an assembly. You can thank these busy girls for the pretty decorations on the doors during the Christmas season. Miss P. G. Reeve advises.

Follow the Girls

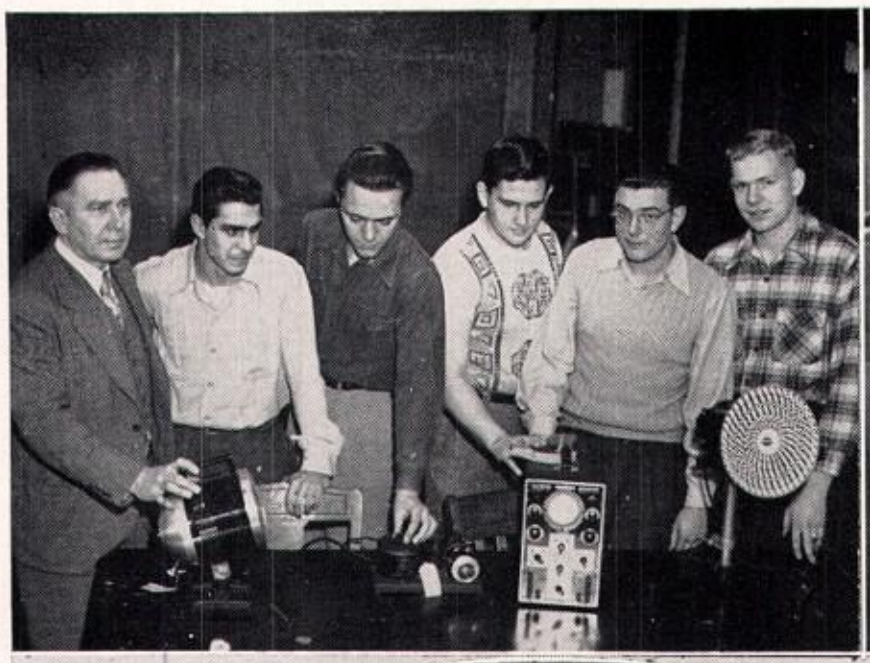
JR.-SR. GIRLS' CLUB . . . "Meeting come to order!" . . ."We have loads to discuss." . . . Yes, and the Jr.-Sr. girls do, too. If you're a Junior or a Senior and you are a member of the female species, you are welcome to join this club. But the members warn you that you must have lots of pep and energy besides being helpful. This club sponsors the annual Mother-Daughter Banquet, and proudly supports a Finnish boy. Gifts of food and clothing are sent to him throughout the year. They engage in activities that promote school loyalty and friendliness among the students, raise funds for student welfare, assist other clubs in drives, give teas on special occasions and furnish workers for the lost and found bureau. The girls, in cooperation with the Morton Sr. Council, sponsor the Used Clothes Drive and the 4C's Campaign. Miss E. M. Prutsman is the advisor.

Tomorrow's Einsteins

CHEMISTRY CLUB . . . Boom! As you feel the rafters of dear old Morton shake, you know that the Chemistry Club is at work up in their laboratory on the 4th floor. The club's purposes are to promote interests in chemistry, encourage scientific thinking, and acquaint members with scientific apparatus. The group makes trips to chemical plants and other points of scientific interest and also works on projects that they are all interested in. If you enjoy working with chemicals, then you too can join the club, for the only eligibility rule is that you have an interest in chemistry. Mr. W. L. Muehl is the advisor.

MATH CLUB . . ."Joe, if x equals sixty-five and q exquals 82, what does y equal?" I don't suppose many of us could figure that problem out. But it is something that one might hear during a meeting of the Math Club. The bright students that belong to this club would much rather stay home and figure out complicated math problems than go out to the show or swimming or even watch television. The club's purpose is to provide additional opportunities in mathematics for superior students. To be eligible to join, a student must have had a full year's work in mathematics. Mr. W. J. Cherry is the advisor.

What a Shock!



ELECTRONICS CLUB . . . Interested in the branch of physics and electrical engineering which deals with the control and application of the flow of electrical currents through a vacuum, gas, or vapor? Then the Electronics Club is the place for you. The purpose of the club is to increase and spread knowledge concerning the theory and practice of electronics. If you're really interested and are a member of J. S. M., you're eligible to join. It is under the able leadership of Mr. G. H. Lyle.

PHYSICS CLUB . . . Would you like to know how much work you are doing when you walk from the first to the fourth floor carrying your books? The people in the physics club know the answer. The club offers guidance, encouragement, and company for any student who wants to do extracurricular work in science. A student must have had general science and must be enrolled in a physics class to be eligible for membership in the club. Among the Physics Club's activities is the preparation of exhibits for the spring meeting of the Junior Academy of Science. Mr. L. W. Johnson is the advisor.

It's All in the Dirt

BIOLOGY CLUB . . . Are you interested in living things? Then the Biology Club is the club for you to join. The purpose of this organization is to foster interest in plant and animal life, to prepare an exhibit of scientific interest for the Junior Academy of Science, and to make microscopic slides and other equipment to be used in the biology laboratories. Anyone, whether freshman or senior, may join this club and put into practice what they have learned in their biology class. Miss M. Parizek is the advisor of this club.

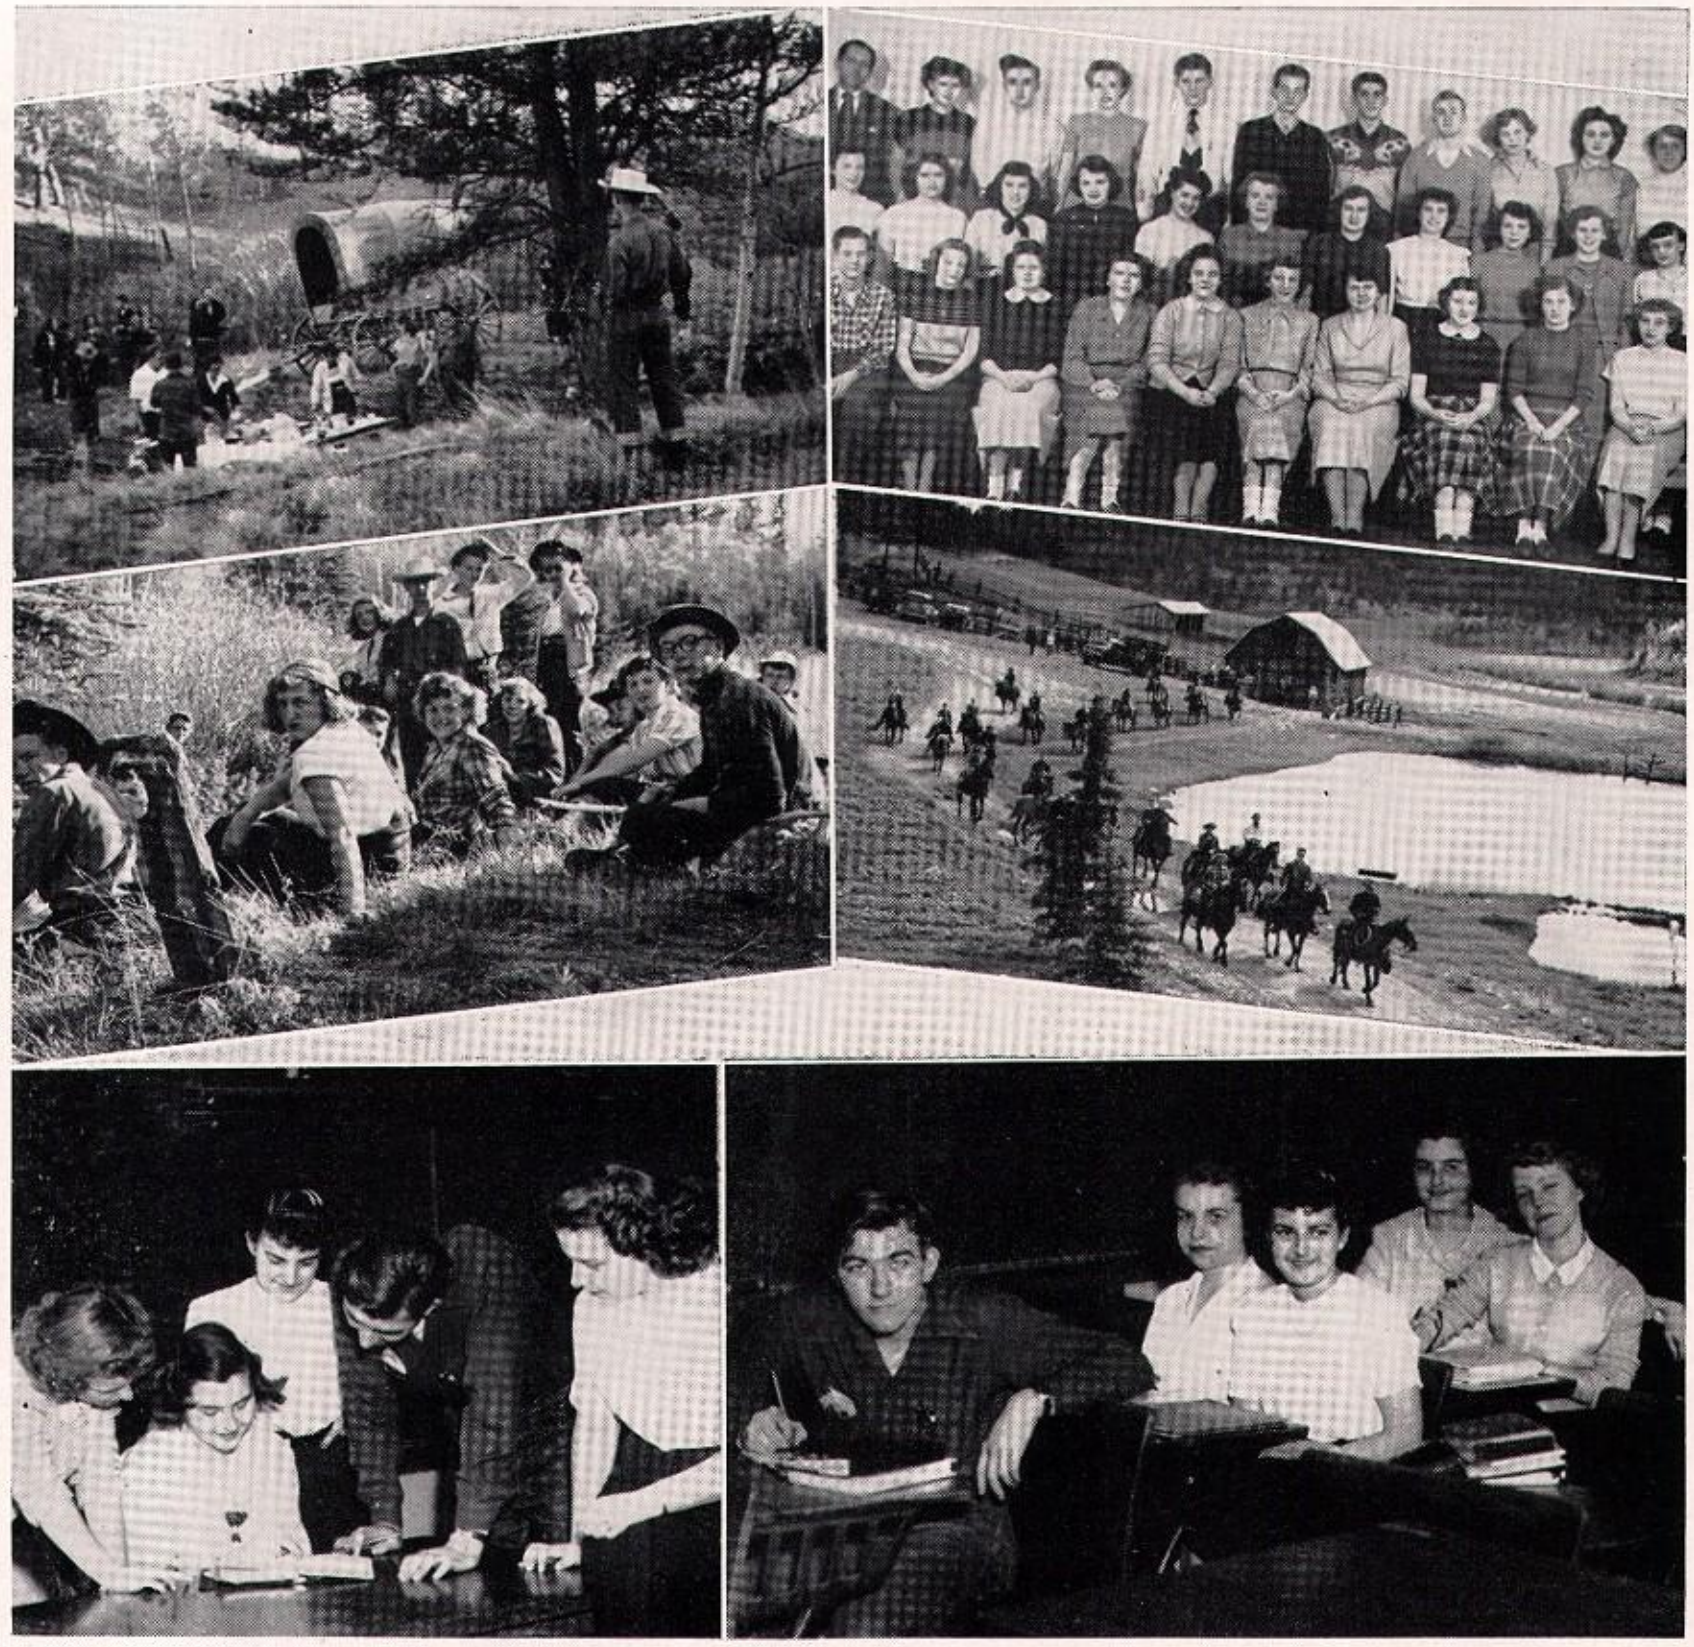
GARDEN CLUB . . . Do you like to work in the earth and see a beautiful plant spring from a small dried up seed? Then the Garden Club is the one for you. This club tries to bring students of Morton closer to the study of nature and of the out of doors. They landscape and beautify the garden adjoining the athletic field. This club is affiliated with the Illinois Junior State Academy of Science. Anyone interested in garden work is eligible to join the Garden Club. Miss E. E. Barkley is the advisor.

Pleasure for All

CARTOON CLUB . . . Do you like to draw cartoons? Maybe you just like to make caricatures of your teachers. Regardless of your talent or training you are welcome in the Cartoon Club. This club is open to all students, and thus affords an outlet for art activity to those who are unable to include an art course in their program. Who knows, one of these talented students may draw for your favorite comic book or newspaper. Nowadays there's a real future in cartoons. Miss C. Stevenson is the advisor of the club.

MARIONETTE CLUB . . . If you go down to the Art Department some day, you might see some brightly painted dolls on strings. Naturally you'd know they are marionettes and that you had walked in on a meeting of the industrious Marionette Club. The Marionette Club is an organization that has been developed for the benefit of those who are interested in puppet making and dramatics. All productions given by this club are personally arranged and created by its members. Scenery and marionettes are made during club meetings or at home under the guidance of Miss L. Tarachas. The only prerequisite for entrance in the club is sincere interest. Of course, anyone would be fascinated by and interested in these life-like dolls.

Seeing and Believing



TRAVEL CLUB . . . Do you long to see "far away places?" The Travel Club helps to satisfy this desire. The members have a lot of fun on the numerous trips that they make during the school year to places near and far. The most important trip is the one that is made to Colorado right after school is out for the summer. Although this trip is sponsored by the Travel Club, it is open to all students of Morton who would like to go. This traveling gives students an education that they could never get from books. Mr. L. C. E. Prucha is the advisor.

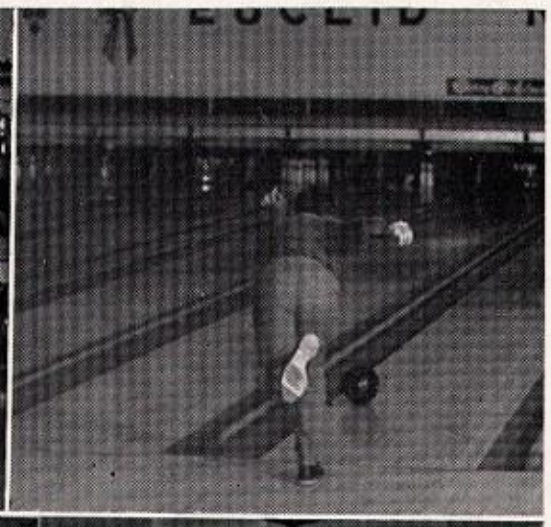
SOCIAL STUDIES . . . Under the leadership of Miss E. O. Carlson, this club enlarges upon what is taught in Social Science classes by offering programs and tours. The members are taught to lead and follow in this ever-interesting field. Anyone recommended by a social science teacher or having an average of 85 or above in their social science subjects is eligible for membership where social experiences and department services are enjoyed. The news of today is the history of tomorrow.

Give a Man a Horse

BIT 'N BRIDLE . . . Do you ache every time you just look at a horse? Then come and recuperate at the Bit 'n Bridle where equestrians are just that (?) Learn to ride. The club is open to all who are interested in promoting good horsemanship and sportsmanship. All who join have the opportunity of participating in horse shows. The club also has outings on the trail. Advising the group is Miss E. G. Endriz.

SADDLE CLUB . . . "Oh, my achin' back! I wonder if I'm getting bow-legged!" . . . No, it isn't someone who is recuperating from an accident — it's a new member of the Morton Saddle Club. But you can bet your boots, he'll be BACK IN THE SADDLE AGAIN before another Friday afternoon goes by when the club goes riding out at Greentree Stables. (By the way, free bus transportation is furnished by the stables.) Besides going on these weekly jaunts, they have parties regularly along with many other enjoyable activities. There's really no end to the fun that comes with membership. While the club goes all out for fun, it also promotes interest in riding and skillful horsemanship. The more advanced riders are instructed in jumping hurdles and there is also plenty of help for any others who are interested in perfecting this achievement. On holidays there are two or four hour rides. Once you've started riding you'll be out at Greentree Stables every Friday for an afternoon of fun. The club is sponsored by Mr. L. C. E. Prucha.

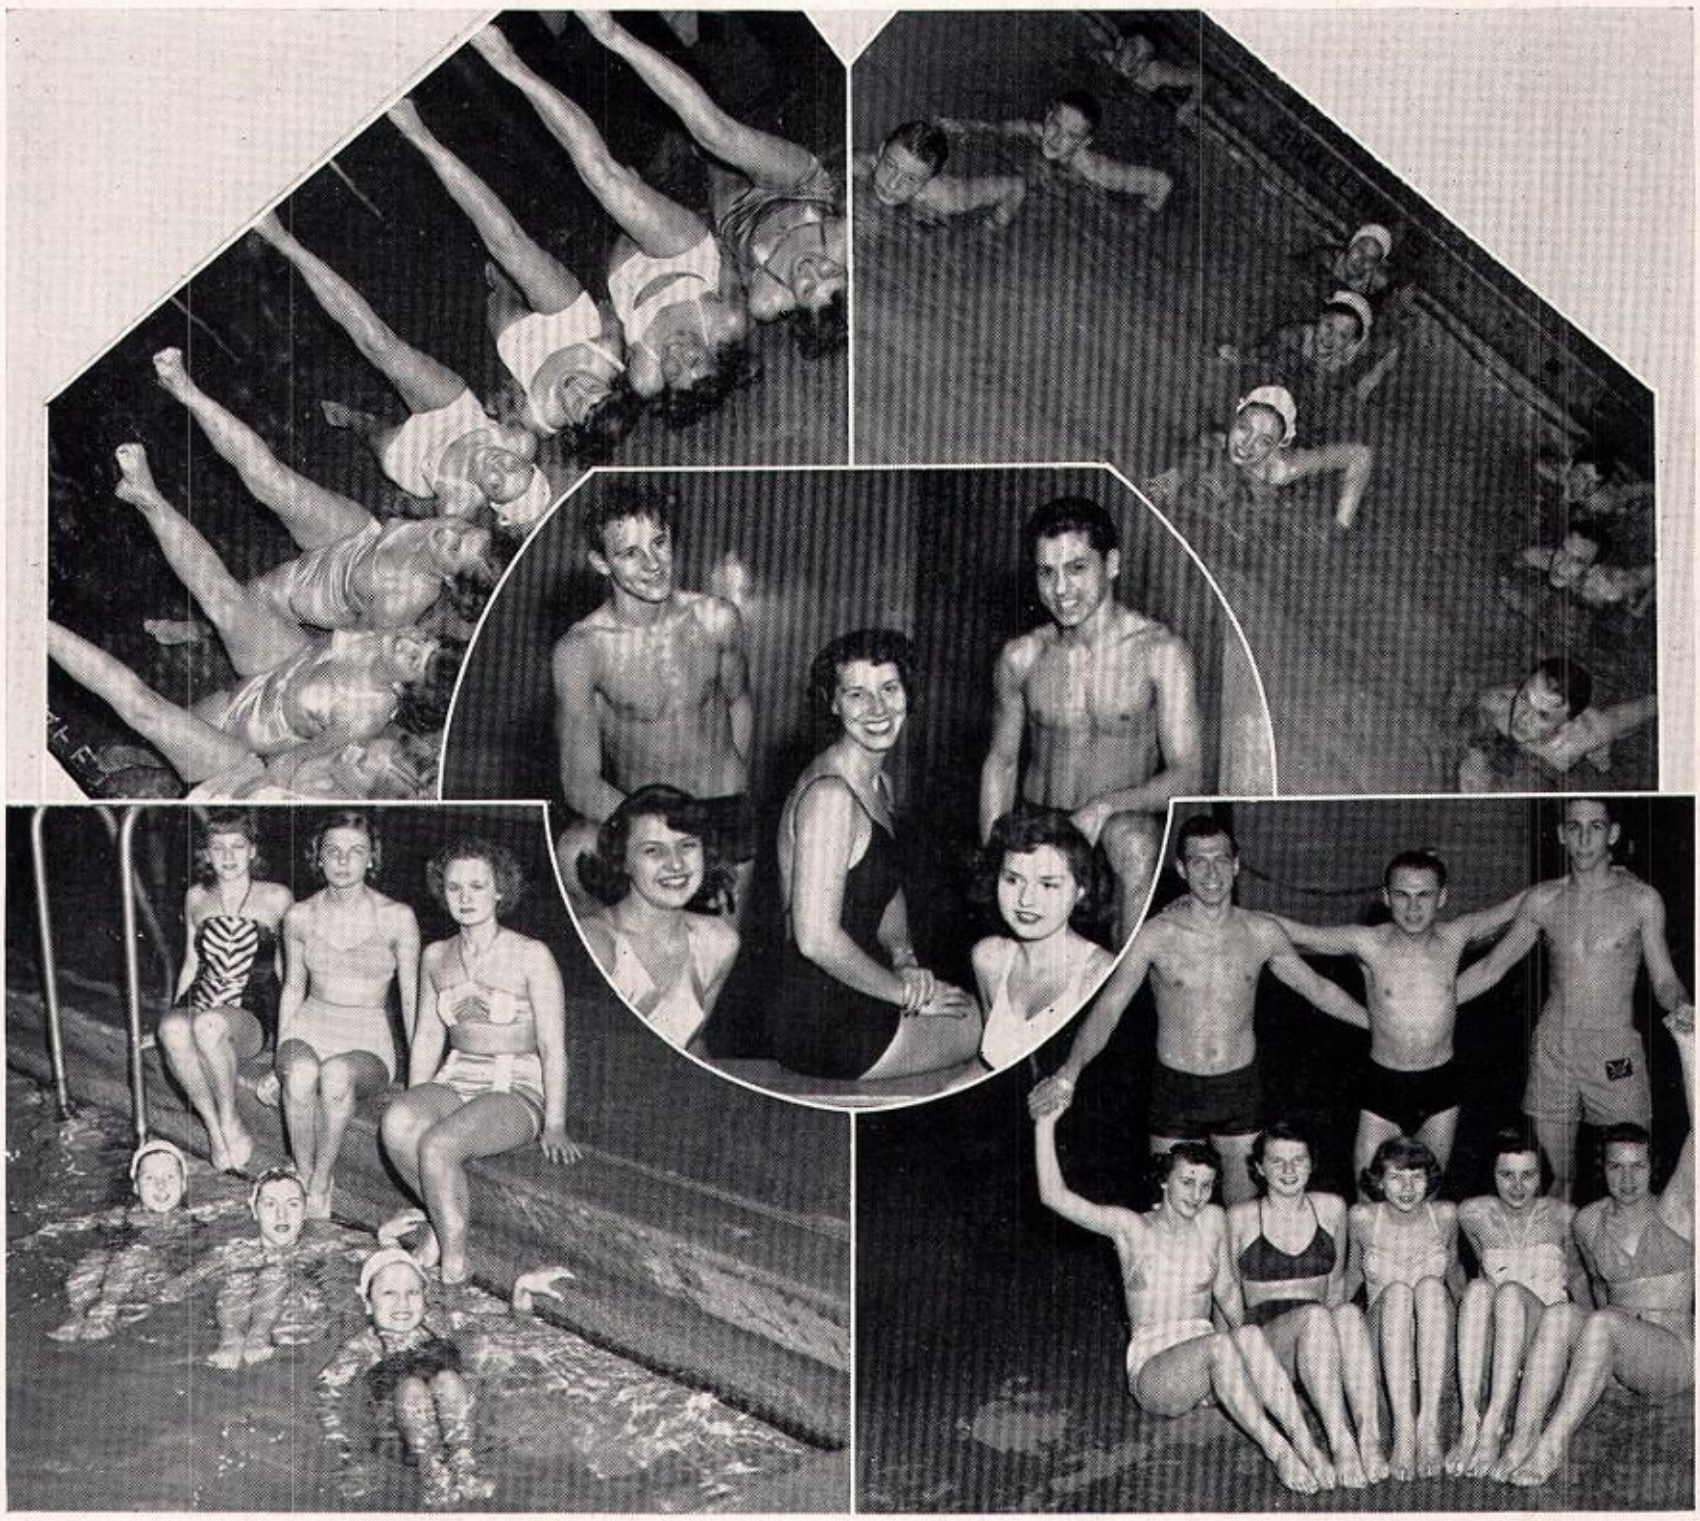
Let's Take an Old Fashioned Walk



BOWLING CLUB . . . The Bowling Club has four leagues; three boys' and one girls'. The boys' leagues are formed according to each boy's bowling average. These three leagues are known as the Major, Classic, and Junior Leagues. These active youngsters bowl at Euclid Recreation, and the Juniors and girls bowl at National Recreational Center. This club teaches young people interested in bowling how to bowl in a league and tournaments, bowling etiquette, and the abc's of bowling. At the end of the tournaments, Mr. A. P. Kovanic, advisor of the club, awards a trophy.

ROLLER CLUB . . . "Joe, will you loosen my wheels for me?" . . . Yes, skating is a wonderful sport. Everyone likes to skate. Many wish they could do more than straight roller-skating. If you're one of these people, you can learn the skills of roller-skating and have a swell time besides by joining the Roller Club. The club is open to all students, but it is limited to 150 members. Parties are held quite often, which help members to become acquainted quickly. Mr. A. P. Kovanic advises.

South Pacific



SWIM CLUB . . . "Hurry up, you're on next." . . . "Gee, I hope I get my Flamingo on time!" . . . These are familiar and dear phrases to the members of the Swim Club. Their Annual Swim Show is always a hit and well rewards the members for their hard work. This year they put on "South Pacific" in water ballet. Their hard-working advisor, Miss Berman, wrote all the group numbers, and the members themselves wrote the others. The members strive for perfection in synchronized swim routines, and water ballet. The Swim Club brings together boys and girls talented in the art of swimming, promotes further interest in aquatics, and demonstrates their accomplishments in and out of school. They enjoy many social activities, besides. If you're interested in joining, you must pass an examination including performance in the side stroke, breast stroke, back crawl, front crawl, dive, underwater swimming, surface dive, dolphin, and skulling all in good form. The hard-earned Morton Synchronized Swim Club "M" is earned by performing strokes and stunts well and taking part in a swim show besides having perfect attendance at meetings and completing a five mile swim card.

Linguists Performing

FRENCH CLUB . . . Le Cercle Francais, otherwise known as the French Club is open to all students of French. It offers opportunities to students of the French language to become better acquainted with the art, literature, history, customs, and traditions of France. Under Miss M. J. Blair's guidance the club visited the Art Institute to see famous French paintings and other places of interest to French students. They also keep in touch with France by sending packages to the needy of the country.

CZECH and FOLK-DANCING . . . "Jak se mas?" . . . "Dobre, dekuji." . . . Familiar? Of course, it's what you've been hearing since you've been going to Morton. The members of the Czech Club take these and other phrases seriously, though, and are interested in the club's many activities. One of the most important activities of the club is Folk-Dancing. Miss E. Jahelka teaches the members the dances as well as advises their business meetings. Their meetings include many interesting reports on quaint traditions and mannerisms, exhibitions of Folk-Dancing, and motion pictures. The boys and girls dance for pleasure rather than for artistic accomplishments. This year they have contributed much to the assemblies and open-houses with their most outstanding work done in the Bartered Bride.

Future Builders

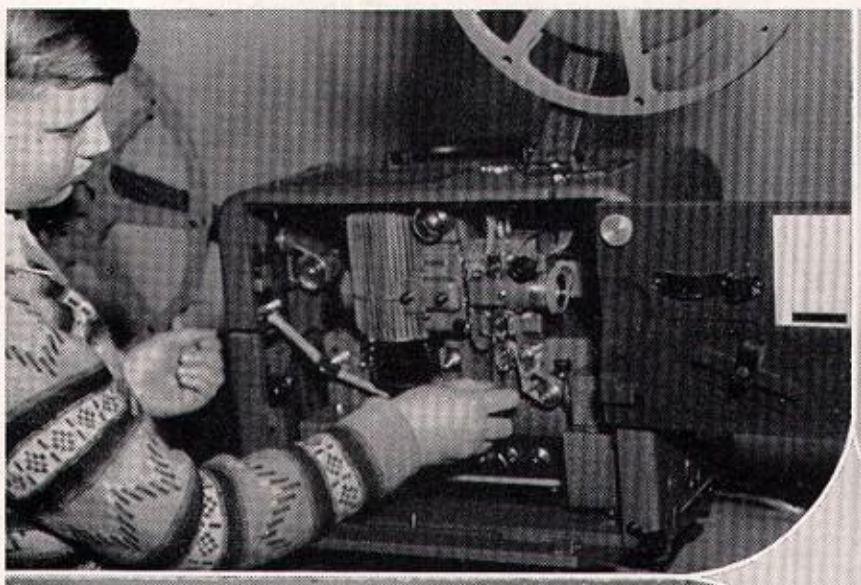
BOAT CLUB . . . "Water, water, everywhere, and not a drop to drink," but the boys in the boat club don't mind for they're interested in sailing on it not drinking it. Members get practical knowledge by actually building boats. They also build models which are very detailed and exact in construction. The club meets during the summer months for outings in the boats that they have built during the year. The club offers a hobby which could very easily be turned into a career for the boys. Mr. W. J. Silhan advises the club.

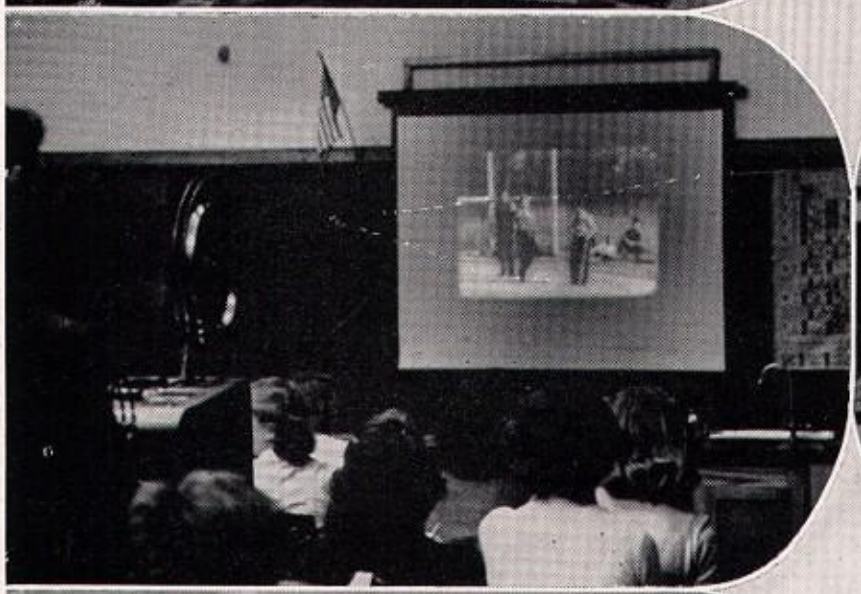
FUTURE CRAFTSMEN CLUB . . . Under the guidance of Mr. P. R. Rohe, the club is made up entirely of vocational shop boys who have been able to meet certain club standards. The members all have a particular skill or inquiring interests in some craft or trade and their desire is to strive for the high ideals of quality in workmanship, pride in craftsmanship, and respect of work well done. Future Craftsmen are the ideals of the boys in the industrial art classes and the pride of the vocational department.

To a swell Dad in Typing I, Thanks for giving me typing. Lots of Luck

Charles Hackett

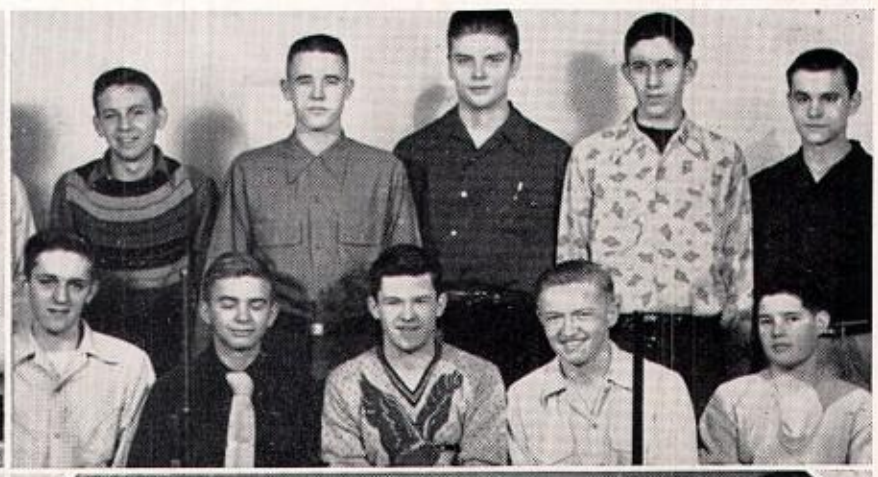
Keep Them Rolling!





MOVIE OPERATORS . . . "Please focus the camera." . . . "Turn on the sound." . . . These are things that the movie operators hear all the time. Morton's visual education department is one of the finest, and is improving every year. Everyone looks forward to the day that they see an operator and camera entering one of their classrooms. Freshmen, sophomores, juniors, and seniors are eligible to join this organization. One-half of a unit credit is given for two semesters. The boys acquire skill in operating various types of audio-visual equipment and study materials used in the audio-visual field. Through contact with students and teachers, the operators acquire habits of reliability, promptness, and courtesy. They give up their free periods to show the movies to the various classes. After two year's service the boys get a pin in recognition for their work. Mr. B. Mikula advises.

Nature Boys



HUNTERS CLUB . . . "It was a sure shot, but the dog got in the way and I was afraid I'd hit him." . . . "I think there's something wrong with my gun." Familiar? Then you're no doubt a hunter; and if you're missing all the fun by not belonging, join the Hunters Club. Mr. A. C. Elliott helps the boys learn about hunting habits, rules, and safety in hunting. Everything pertaining to hunting is taught. First one learns the basic principles starting with the gun, and then laws of the state, such as hunting within the law, hunting in season, and taking only the limit of the game. Since dogs are very important to a hunter, these scholars of the outdoors, practice care in the use of the hunting dog.

ANGLERS CLUB . . . "I could have gotten it if only . . ." . . . Fishermen all, the anglers strive to learn better fishing technique by the use of artificial plugs and flies under the direction of Mr. E. W. Brakken. These are the boys who really learn to tell "fishy" stories. The boys have taken many interesting trips during the summer and have had actual experience in exercising the skills they were taught at club meetings. The club has many trophies that they can well be proud of. The only requirement of the club is that a boy be interested in fishing.

See Hear!

MOVIE MAKERS . . . "I used the wrong filter and the whole thing came out blue!" . . . "I've got the nicest shots of the trip!" . . . Mr. Mikula's Movie Makers are learning to take successful movies and make film strips and film slides. After learning the features and workings of the thirty-five mm. camera, they find great pleasure in taking movies of the years sport activities. We salute the future M. G. M's.

RADIO GUILD . . . "Good afternoon, it is time for Moments with Morton, a public service broadcast." Members of the Morton Radio Guild broadcast every afternoon Monday through Friday on station W.H.F.C. The purpose of the club is to inform the members through actual practice, training, and discussion about the field of radio broadcasting. The students announce, write and adapt scripts, give dramatic readings, recite poems, and give interviews on the air. They are also taught to operate the turntables. The only eligibility rules are that a student have an 82½ average and be interested in radio work. "Pop" Green is the advisor of the club.

The Play's the Thing

The Morton Dramatic Association is divided into three groups: Frosh-Soph, Junior, and Senior. Each group is a step forward in learning drama. At first the groups work on line reading, dialogues, and short plays. They are given a chance to exhibit their talents in holiday plays in the Little Theatre. Through hard work and practice, they progress until they reach their goal, the Senior play.

Under the direction of Mr. Teeter the students are able to discover any possible dramatic ability. By the practice provided the students develop poise and self-confidence. In the Association the students meet new friends and learn to work with others.

Action in the Little Theater

This year the Little Theater has been used for more than just club and class meetings.

The Frosh-Soph and Junior groups of the Dramatic Association provided entertainment for Halloween and Christmas and were pleased to see so many attend. It encourages them to work on bigger and better productions.

In **The Haunted Clothesline** we encountered a modern Romeo and Juliet as well as Shakespeare's children in full dress. Dicken's **Christmas Carol** showed that a big thing can be done in a small space if all are willing to help. A short, entertaining skit was also presented at Christmas. It was used at a morning assembly to plug the Senior play.

We are glad to see the Little Theater buzzing and would like to say, "Keep up the good work."

They've Got A Date With Acting

This year the mid-year graduates were given a chance to take part in the Senior play.

The production was **A Date with Judy.** It is a story of a high school girl who wanted to become the Queen of a dance and consequently tormented her family. Randolph, the typical younger brother had a collection of insects, and their house radiated with the fragrance of carnation fertilizer. Everyone lived happily ever after as Olgie and Judy dashed out to the dance.

After the play Kenneth Rus received the Coggeshall cup for acting and fitting his part the most natural. The Carnes cup was awarded to Carol Gauss for diction and fine voice qualities.

A Deadline Every Week

Did you ever consider the elbow grease behind the printed piece of paper you idly pick up every Friday? Room 249 is the place where all the bustle begins and ends. Assignments are given, then there are interviews, writing, editing, and publishing. But this isn't all! There are always stories, dates, and numbers to check, copy and proof reading, and finally papers to distribute.

Is it worth putting this time and effort into the paper? The industrious staff thinks so, and the school heartily agrees. The staff benefits from the journalistic experience, the opportunities to meet and work with people, and the fun, including the **ANNUAL-WEEKLY** basketball game. The school is rewarded with news and reminders and a page exhibiting student literary talent.

Miss G. Gaarder lends her guiding hand and wise words to the staff.

Members of the Weekly are eligible for the Quill and Scroll in their Junior and Senior years.

The Weekly was honored by a visit from Santa Claus this past Christmas. He trimmed their tree and later painted the room. Didn't you notice the brighter spirit of the group?

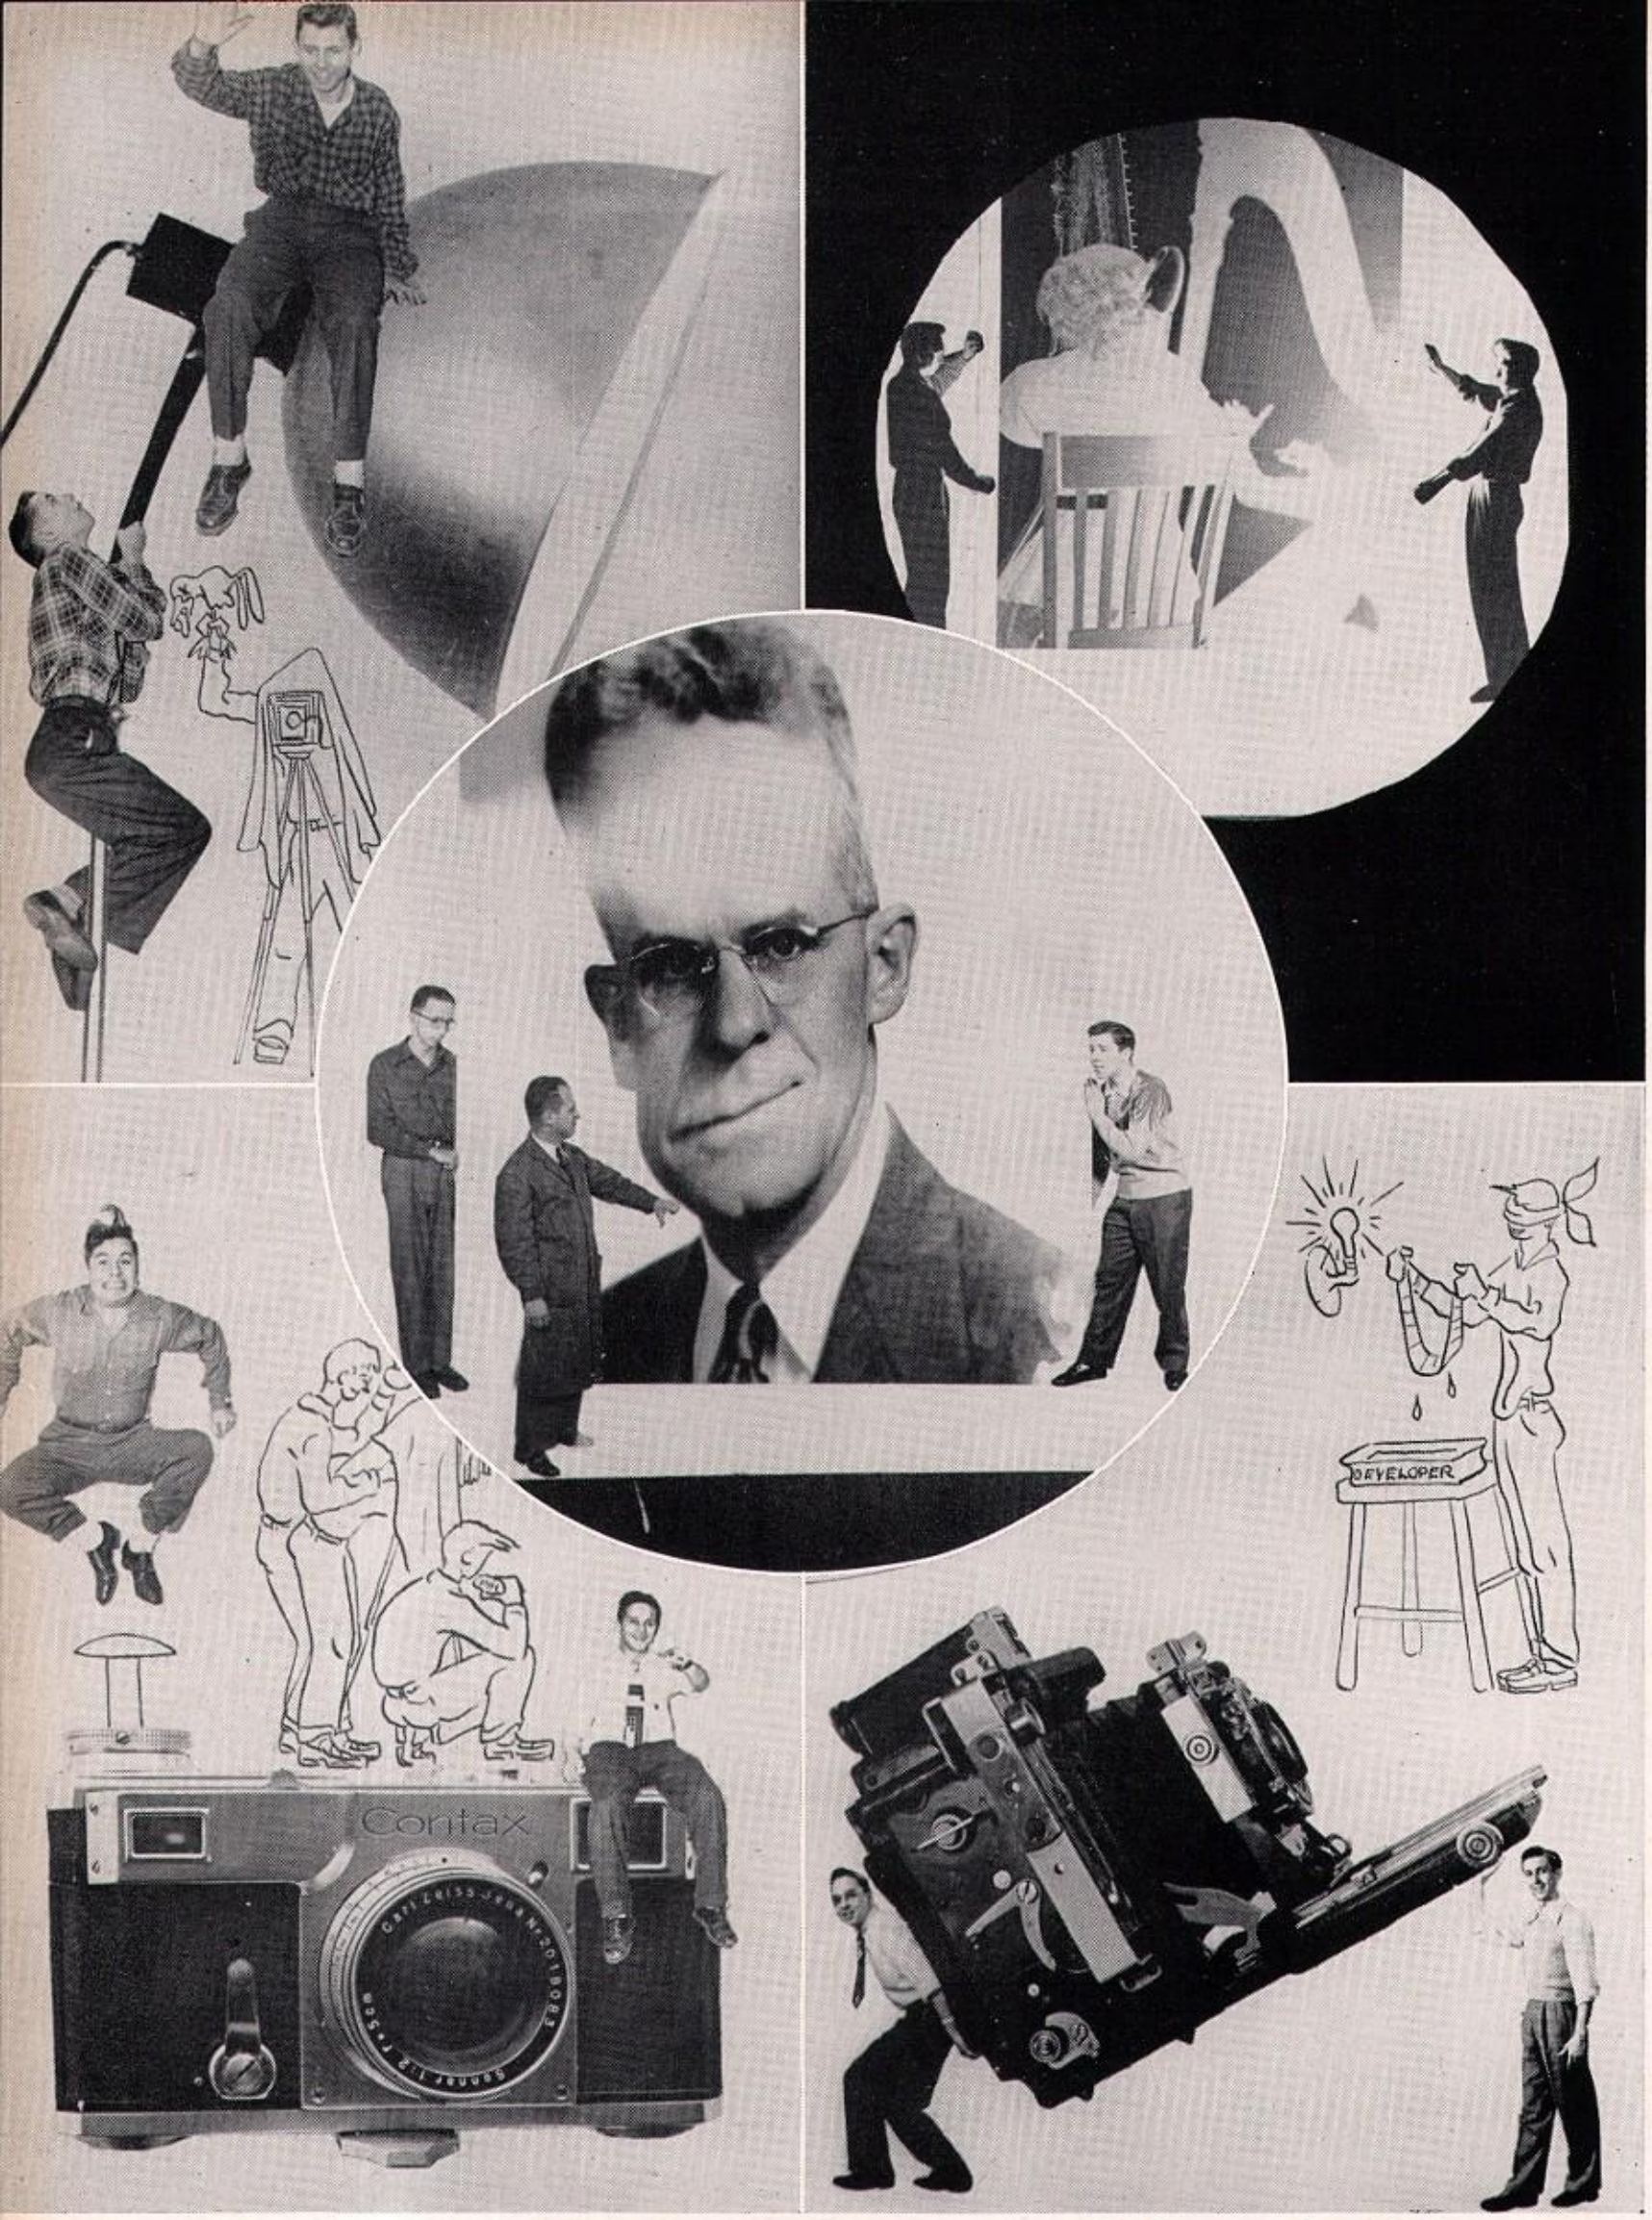
"The photographers are waiting outside."

"Already! Oh! Where are my layouts?"

This is a very common excerpt from **Annual** dialogue before the Christmas holidays. Afterwards the busy seventeen, including Mr. T. D. Fox, their "guiding light", are interested in copy, titles, and dummy sheets. The cover (usually pink and green) and introduction pages are the first worries of the staff, while later the problems of selling the book without revealing the theme enter the picture. Pictures must be scheduled, taken, sized, and sometimes retaken. All scurry as the deadline approaches. The deadline is not in May, as many students think, but early in the second semester.

All this activity is carried on in the smallest and most remote heaven on earth, room 104. You have probably seen people rushing in and out of this little room near the auditorium.

The Staff members keep their brows from shriveling by participating in bowling, skating, tobogganing, and the Annual basketball game against the Weekly. No one's birthday can go by without a whipped cream cake with candles and a lot of sour notes.



One, Two, Click! Three

These are the boys who take, print and size most of the pictures used in the Annual. This part of the **Annual**-staff is under the stern hand of Mr. C. O. Druschel. Through their work they receive valuable experience.

The Vocational photographers are noted for trying unusual angles and interesting prints. This page is a fine example of what they are capable of doing.

After their long hours, from the first hour until they run out of film, the boys join in the Annual recreation. They are relied on for the **Annual**-staff vs **Weekly** basketball game.

With their professional touches and modern equipment, who am I going to blame for "that" picture of me?

The Morton Student Government Association

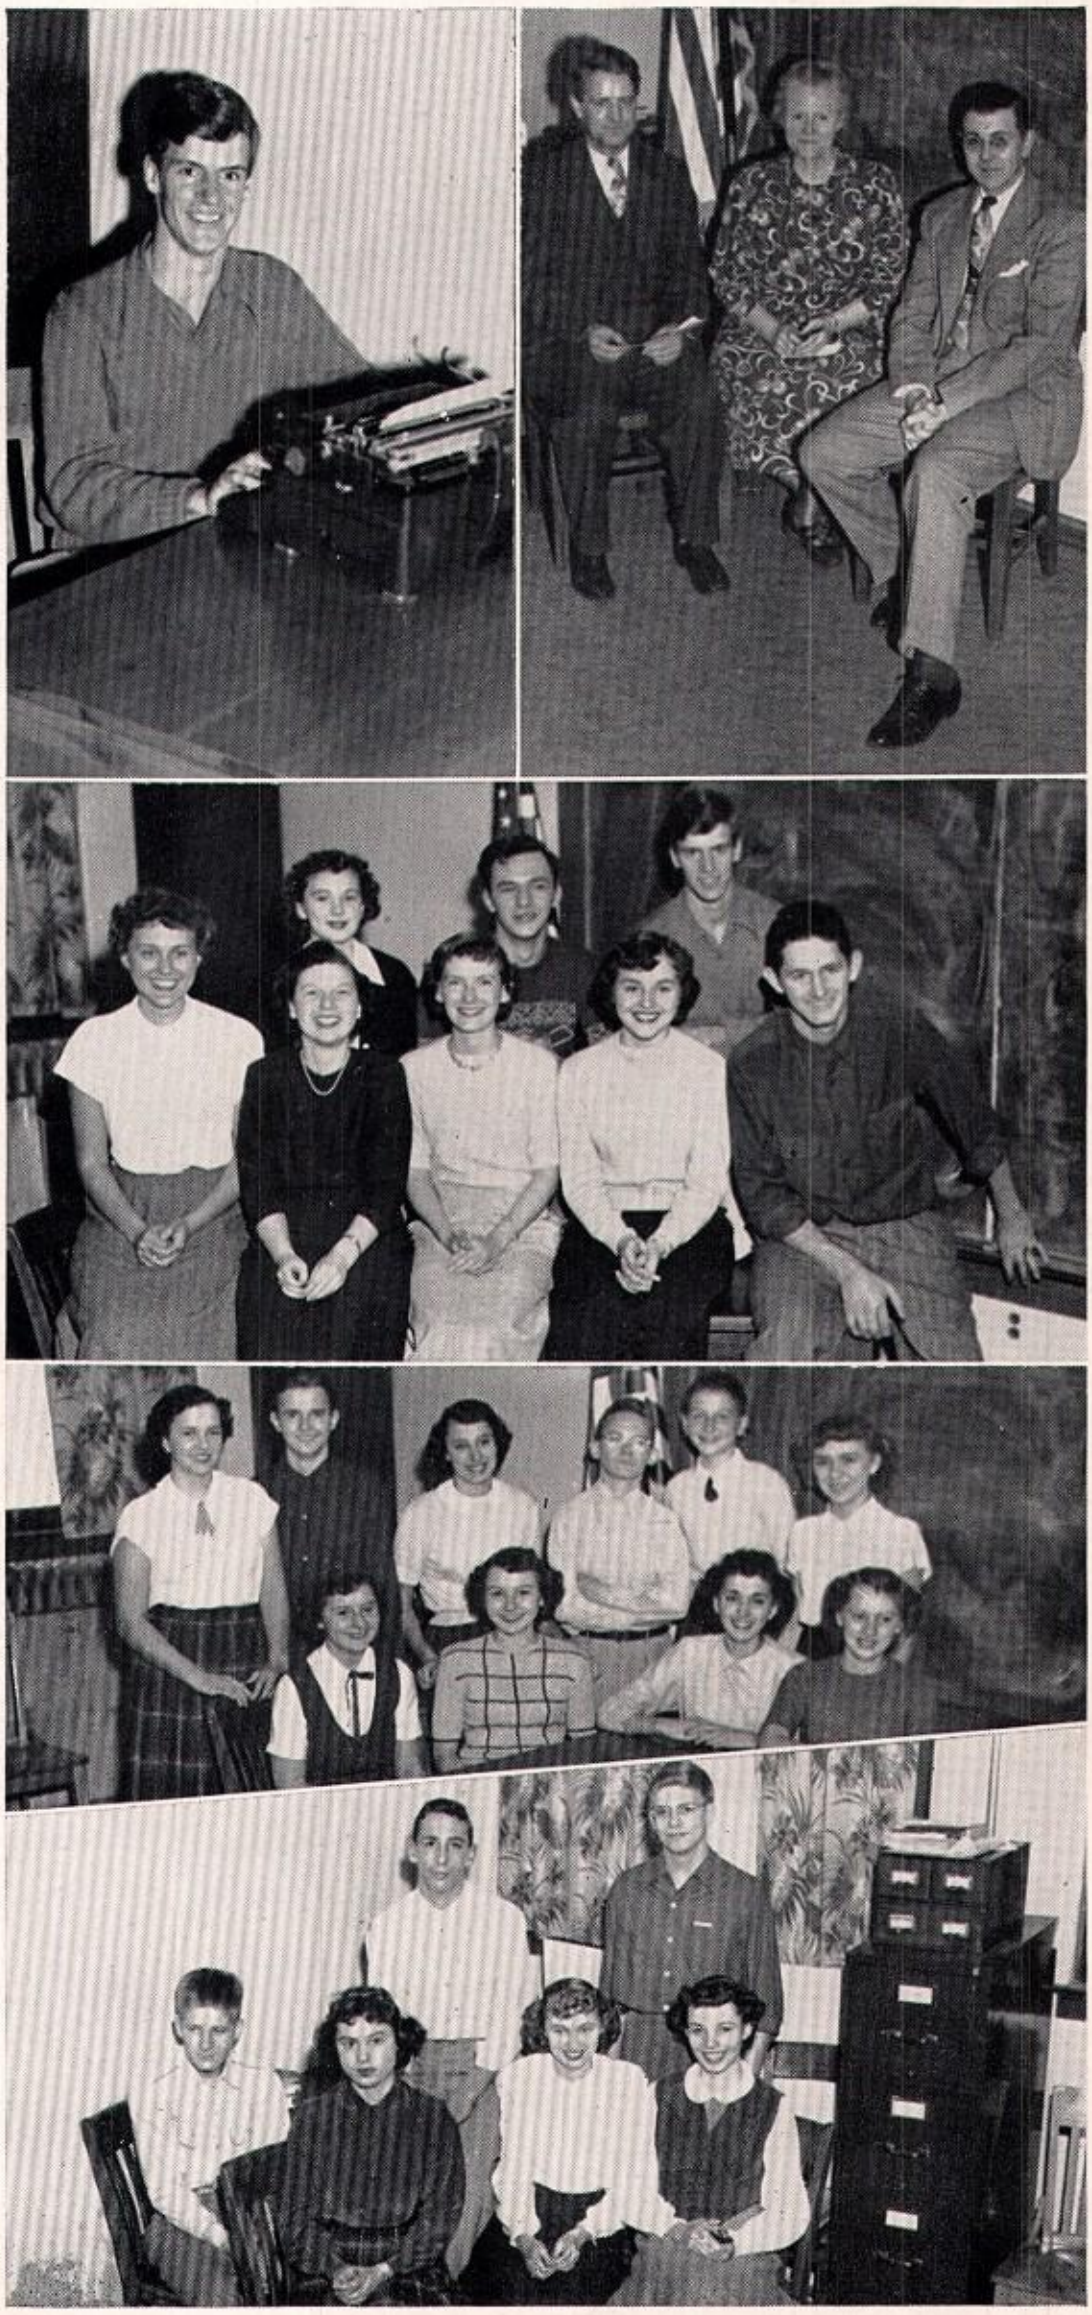
The Morton Student Government Association is Morton's governing body. Perhaps you have seen important-looking students hurrying through the halls headed in the general direction of Room 256. Room 256 is the headquarters of the MSGA, and at practically any time of the day, if you should look into the room, it will be filled almost to capacity with students busily at work making Morton better for you.

As is our national government, the MSGA is divided into three parts: the executive branch, the legislative branch, and the judiciary branch. The executive branch, the Board of Directors, is composed of four freshmen, four sophomores, six juniors and six seniors. These members are elected in the spring by the Assembly, with the exception of the freshmen who are elected in the fall. Other members are the presidents of the four classes. The term of office is one year.

All Morton's financial affairs, excepting expenditures over fifty dollars, are handled by the Board. The Board of Directors may propose laws and regulations, but these must have the final approval of the Assembly. In addition to this, the Board must also pass or reject all legislative action taken by the Assembly. The most important work of the MSGA is done through its committees. Each board member, chairman or co-chairman of a committee, must see that the work of his committee is done promptly and competently.

The chairman of the MSGA for this past school year was Guilford Larimer. Jay Stack, vice-chairman; Penelope Svec, treasurer; Carol Hribal, secretary; and Frank Liska, assistant secretary, were his able assistants. Miss Prutsman, Mr. Kasik, and Mr. Larimer were the advisors. The Board elects its own officers and advisors at the first meeting of the year.

The members of the Board of Directors were as follows: Seniors; Guilford Larimer, Beverly Kampe, Lois Chandler, Dale Voss, Lois Printz, and Barbara Hempstead; Juniors; Jay Stack, Peter Hanen, Nancy Yoknis, Bryan Carder, Carol Wallin, and Donal Meikle; Sophomores; Penelope Svec, Carol Hribal, Frank Liska, and Bill Hempstead; Freshmen; Sheila Bittman, Georgene Zoubek, Bruce Cone, and Dorothy Guintoli. After the graduation of Beverly Kampe and Lois Chandler and the resignation of Barbara Hempstead, the vacant offices were filled by Don Sponholz, Walter Coffey, and Audrey Swaney.



They Strive to Make

The Assembly is the legislative branch of Morton's Student Government. The direct representatives of the student body are the representatives and alternates elected in each G.A. class. The students elected in this manner attend the Assembly meetings and report back to their G.A. classes relaying the important details of what took place at the meeting. In return, the other students may ask questions or make suggestions; and it is the duty of the representative to bring up these matters at the next meeting. These meetings are held in the Little Theater on every second Monday, the time alternating between the fifth hour and the eighth hour.

Each member of the Assembly has one vote in all motions brought before the Assembly. Each vote stands for the approval or disapproval of a G.A. class. The representatives must therefore use their votes wisely, voting not as they wish but according to the wishes of their respective G.A. classes. Lively members, actively interested in the functions of the MSGA and genuinely concerned with the welfare of their fellow students, are truly an asset and a credit to our school and its government. Such an assembly as this was the one in progress this past year. Among the many important topics under discussion, the new and different point system by which the officers of the various school organizations are eligible for only a limited amount of activities was perhaps the most outstanding.

Under the able direction of Donal Meikle and the supervision of Mr. Blair, the Hall and Dining Room Committee has again proven itself useful in keeping order and a generally neat and pleasant atmosphere throughout the halls and cafeteria. When the several election campaigns of the year are finished, the committee members see to it that every last trace of string, scotch tape, and the like has been removed. This committee does much to make Morton more pleasant for you.

The Club Committee, headed by the co-chairmen Sheila Bittman and Georgene Zoubek, plays a necessary part in Morton's extracurricular activities. With the assistance of their advisor, Miss MacDonald, the members issue charters to new clubs and keep on file copies of the clubs' constitutions.

The Service Recognition Committee, Penelope Svec, chairman, is closely connected with the Medal Awards Committee. This group gives awards to students in any of the four classes who have been especially active and helpful in the MSGA.

The Executive Committee is composed of the officers of the Board of Directors and the Assembly, together with the advisors, Mr.

Morton Better for You

Kasik, Miss Prutsman, and Mr. Larimer. The function of this committee is to plan the business and agenda of the Board meetings.

Upon the completion of the second year of its existence, the Safety and Building Improvements Committee can rest easily, content in the knowledge that up to the present time it has made a good name for itself among the many MSGA committees. Bryan Carder and Frank Liska, the co-chairmen, and the advisors, Mr. Blair and Ben Smith, deserve much credit for their work. Great improvements in both the boys' and girls' locker rooms and the many new tables and chairs in the cafeteria are evidences of the committee's work during the year. However, the biggest project was the continuation of the "We Want A Stadium" campaign. A petition was drawn up asking the mayor of Chicago for action on the purchase of the Gage Farm property. This petition, in the form of a 200-foot roll, was signed by more than 2,500 students, and a delegation of members presented it to Mayor Kennelly at the city hall.

The Judiciary branch of the MSGA, the Court of Justice, is elected by the Board of Directors. It is composed of two faculty justices and three student justices. The Chief-Justice, two prosecuting attorneys, two defense attorneys, secretary, and bailiff are in turn elected by the Court. The purpose of the Court is to try any case where an infringement of a school law has taken place. The justices then make their decision and assign a suitable punishment. These punishments are often themes to be written, periods to be made up in the library, or apologies made to the persons concerned with the violation.

The Chief-Justice this year was Tom Halama. Marial Jorgensen, Bernard Wagner, Miss Stuchlik, and Mr. Wright were the other justices. The positions of prosecuting attorney and defense attorney were filled alternately by Joseph Abbeduto and Walter Coffey. Doris Lokay and Leora Pacl were the bailiffs, and Marilyn Reysek served as secretary.

The Constitution Committee, headed by Peter Hanen, spent much time drawing up new by-laws for the MSGA constitution. Mr. Larimer was the advisor.

Almost every Morton student at one time or another has come in contact with the small, maroon-and-white covered "M" Book. The "M" Book Revision Committee plans the cover and the various cartoons and brings the information up to date, so that the incoming freshmen have all the latest and most accurate data at their fingertips. The chairman was Carol Wallin, and the committee is advised by Miss Russell.

The Various Committees, Well-Known,

The Athletic and Booster Committee, headed by Dale Voss and advised by Miss Wissig, was instrumental in promoting a very successful homecoming. In addition to selling pennants, caps, and pins, the committee worked hard to raise the student morale at several pep assemblies. The Election Committee has charge of the Cabinet, Board, and Assembly elections and helps with the Senior Honor Society elections. Nancy Yoknis led the committee in the capacity of chairman, while Miss G. L. Tucker aided as advisor. Miss Austin and Lois Printz had the important job of managing the Welfare Committee. Its members extend their services in the work of raising funds and materials for the help of needy individuals and organizations here at Morton, in other parts of the United States, and in other parts of the world. The task of rewarding deserving graduates, who have been outstanding in some phase of student activities, at Little Commencement rests on the shoulders of the Medal Awards Committee. This year's committee was headed by Jay Stack and advised by Miss Prutsman.

Dear June
See we really did have loads and loads of fun in clothing. May God be with you always and all your dreams come true. I want to wish you the best of everything — need I say more.
Love + Kisses

Little-Known, Plan School Activities

Perhaps, as you have walked past the main bulletin board on the third floor, you have wondered who changes the information publicizing school events so promptly and accurately. This is the job of the Publicity Committee, Bill Hempstead, chairman. The committee also has charge of the other bulletin boards, issues the Weekly Bulletin, and helps other organizations with their publicity. Mr. Kasik is the advisor. In connection is the Circulation Staff, composed of a boys' G.A. class, also under the supervision of Mr. Kasik. These boys distribute, to the G.A. classes, the Weekly Bulletins and all other necessary information. Lois Chandler was the chairman of the Assembly Committee during the first semester, and after graduation, Walter Coffey was elected to take over the position. Under the direction of Mrs. Murren, this committee planned and carried out many interesting and stimulating assemblies for the entire student body. The Social Committee, Beverly Kampe, chairman for the first semester, and Don Sponholz, chairman for the second semester, was responsible for the unusual Christmas decorations in the "caf" and the entrance hall. The group plans both afternoon and night dances and must approve all other social functions. The advisor was Miss Matousek.

Dear June,
It really has been fun riding the bus with you. Loads best wishes to a swell girl! Have a swell summer and be good.
Barbara Krueger

Senior Honor Society

Any Morton student who is elected to the National Senior Honor Society has achieved one of the highest honors. These students are outstanding in scholarship, leadership, and character.

New members are elected to the society by a vote of both the students and the faculty. These elections are held semi-annually, once in December for the mid-year graduates, and again in May for the June graduates. Fifteen percent of the senior class and five percent of the junior class are finally admitted; however, all students in the upper third of their class are eligible. These new members are initiated into the Senior Honor Society at a student assembly in January and following the Honors Banquet in May.

The outstanding social activities this past year were the teas held each semester for the newly initiated members. The Senior Honor Society members also assisted the Junior Honor Society with the Honors Banquet.

The officers for the first semester were: James Rezabek, president; Lois Printz, vice-president; Diane Honig, secretary; and Patricia McQueen, treasurer. The officers for the second semester were: Clark Montgomery, president; Ruth Ann Janus, vice-president; Lois Printz, secretary; and Bernard Slanec, treasurer. Mr. P. L. Kiser is the advisor.

The members of the Morton Chapter of the National Junior Honor Society are possessors of the most desirable qualities: scholarship, leadership, character, service, and school citizenship. Sophomores who show these qualities and have an average of at least 90 are elected to the Society once a year. A faculty council selects the new members who are then initiated.

The officers this year were: Diane Honig, president; Paul Cekan, vice-president; Kenneth Styber, secretary; and Donald Honig, treasurer. The advisor of the Junior Honor Society is Mr. Zelip.

The Achievement of Good Writing and

After six years of active work, the Morton Chapter of the Masque and Gavel, the National Honorary Society for the promotion of speech improvement, has proven itself immeasurably successful in the advancement of speech in the daily life of its members, at home, at school, and in social contacts. The members of the Masque and Gavel are among the leaders in Morton, and they can be confidently depended upon to take part in debates, radio programs, dramatic productions, and assemblies. Active participation helps students to overcome shyness and nervousness in class recitation.

Students who maintain an average of 85 or above and show the desirable traits of scholarship and leadership are eligible for membership. They may declare their candidacy during the first month of the school year. These students must then be approved by their teachers, the sponsors of the clubs in which they are active, and the superintendent. The weekly meetings are held on Wednesday during morning G.A., and, while the candidates may not vote until they are initiated, they are encouraged to attend.

The Masque and Gavel was guided through an active year by their officers: Ethelmae Belohlavek, president; Paul Cekan, vice-president; Marial Jorgensen, secretary, and Diane Honig, treasurer. Miss Berry is the advisor.

The Junior Masque and Gavel was organized for underclassmen and 3b's who, before they become members of the Senior Masque and Gavel, are willing to receive training in the fundamentals of speech, drama, and parliamentary procedure for one year. These students must also have an average of at least 85 and be active leaders in our school. Thursday afternoon G.A. finds the members engaged in their weekly meeting. This group is shown in the last picture.

The officers this year were: Frank Lexa, president; Joanne Slauf, vice-president; Ione Ewert, secretary; Barbara Burkhardt, treasurer; and Donald Hajek, sergeant at arms. Miss Berry also advises this group.

Public Speaking Is Their Aim

The members of the International Honorary Society for High School Journalists, more commonly known as the Quill and Scroll, strive to better the various types of high school journalism and promote and encourage individual efforts in this field. Only certain students are eligible for membership. To become a member of the Quill and Scroll one must be a junior or a senior in the upper third of his class and must be a staff member of the **Mortonian Weekly** or **Annual.** Either Miss Gaarder or Mr. Fox, the advisors of these publications, must recommend the student for his outstanding contributions to the field of high school journalism.

One of the main activities of this society is its spring initiation of new members. At a banquet following the initiation, the new members are presented with pins and taken into the Quill and Scroll. All members, new and old, follow this code of ethics: 1. Strive for the best, ever keeping your goal in life in mind. 2. Uphold and cherish the ideals of journalism. 3. Be true to yourself and to your writing. 4. Learn to cooperate and to respect your co-workers' and advisors' opinions. 5. Strive to keep in mind the meaning of Quill and Scroll. 6. Train yourself to appreciate the beauty in the things of every day life and to apply this appreciation to your work.

The officers this year were Barbara Hempstead, president; Jacquelyn Opdahl, vice-president; Earl Brakken, secretary-treasurer; and Ben Bruhn, program chairman.

To one of the nicest girls I know, that you have all the luck in the world. May you accomplish all your dreams!

Love,
Pat Kiernan
6/2/50

Music

Dear June,

It has really been a pleasure knowing you these four years. Best wishes for your success in your high school and future musical career.

Love,
Mary Lou

Dear June,
Remember the fun we had in the band. I think you're swell.
Love,
Audrey Lee

Fascinating Rythm

The Morton Band is made up of hard-working musical-minded students under the direction of their leader, Mr. L. M. Blaha.

This division of the Music Department gives many impressive concerts, competes in district and state contests, performs at assemblies, and helps boost everyone's morale by providing the music at football games each year.

Our Band

During last summer, the Morton Band went to New York and participated in a nation-wide contest with bands from different places. Naturally, it put on an excellent performance.

The Morton Band not only has accomplished all these things, but also boasts of a Dance Band which may be found at many social gatherings.

Dear June —
It's been swell seeing you again this year — You have been a sweet friend in Grade School and now in Morton — Best of luck —
always —
Nancy Dan

Just A Song

For many years, those students interested in music, have cherished the thought of gaining prestige as members of the Morton Aeolian Choir.

This branch of the Music Department gives many public performances throughout the year, such as concerts and a Yuletide Musicale. It is highlighted, however, by the operetta given every spring.

In Our Hearts

This year, the Choir, assisted by the remainder of the Music Department, presented "The Bartered Bride."

The Morton Aeolian Choir, together with the other vocal sections consisting of the Freshmen Girls' Chorus, Mixed Chorus, and Girls' Glee Club, is under the capable direction of Mr. C. H. Kickert.

Dear June,
Gee, it sure was swell having you in History Class. Boy, what a class. Huh? Ha Ha.
Best wishes & good luck.
Have a lovely summer.
Love,
Rosie Havel

Sophisticated Swing

The Morton Symphonic Orchestra is under the capable supervision of Mr. L. M. Blaha and is closely connected to the Morton Band. Furthermore, many students belong to both organizations.

The persons who are active in this group are as ambitious and diligent as the rest of the Music Department.

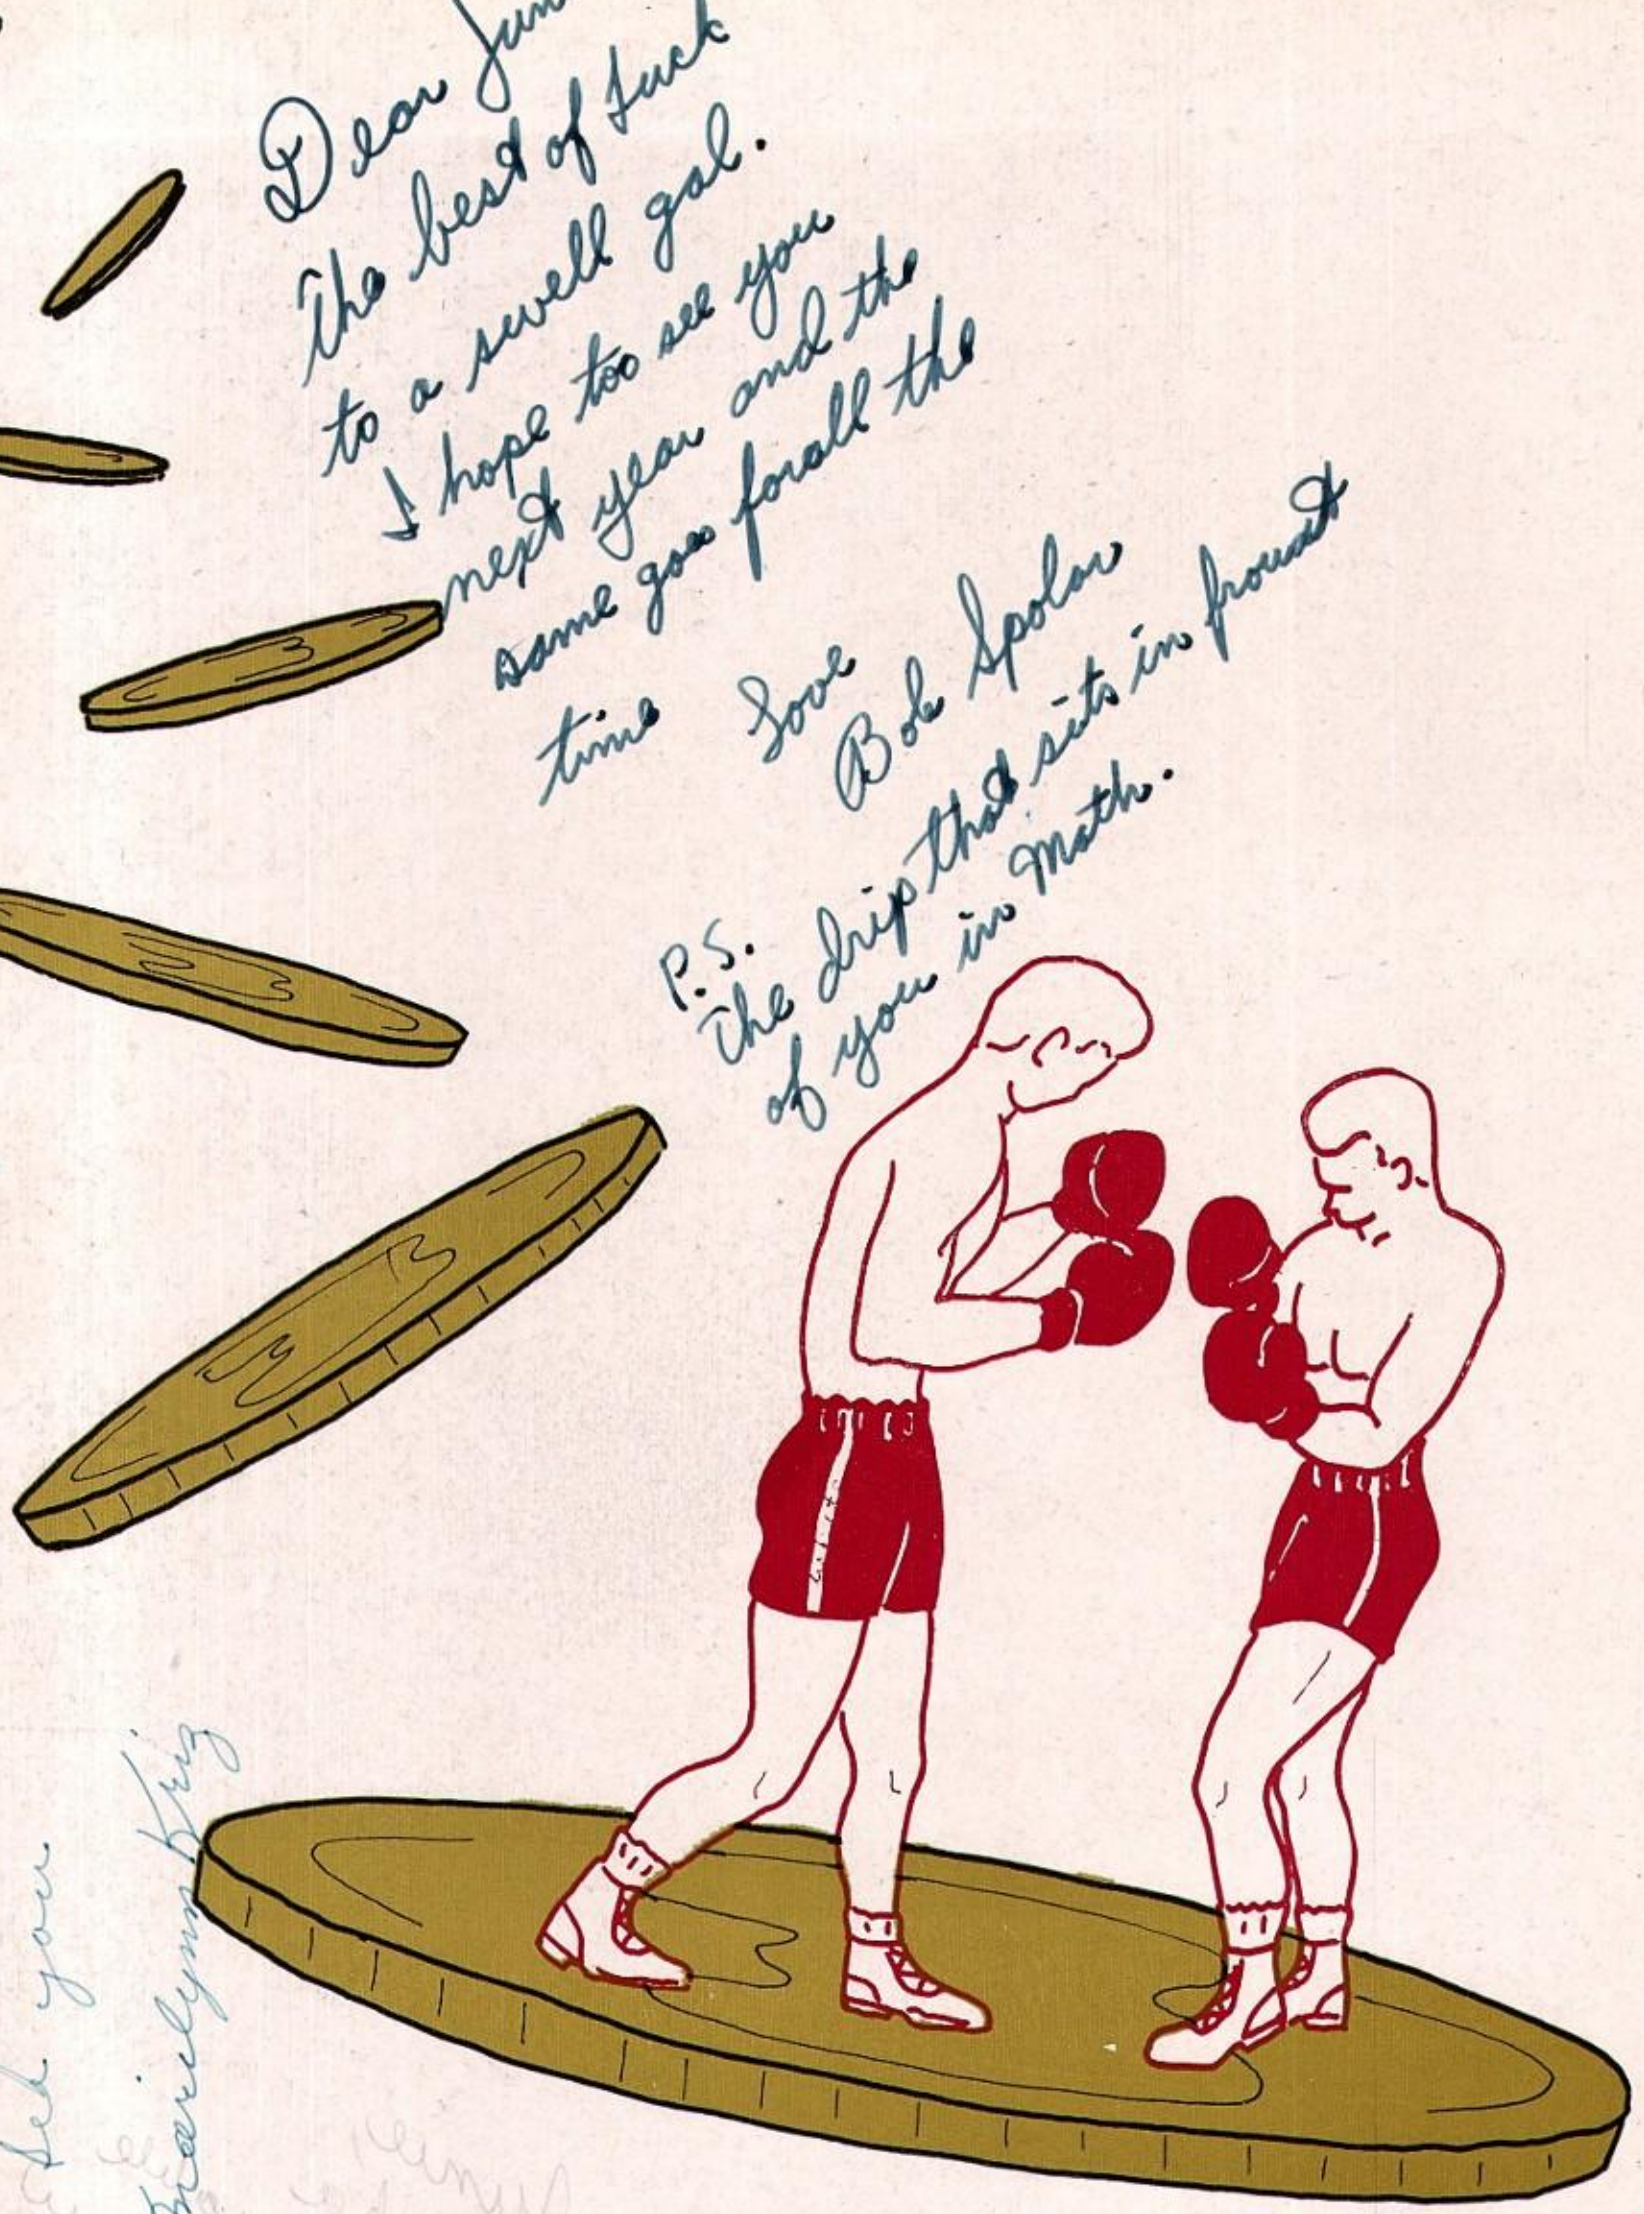
Our Orchestra

During the past year, they had included on their agenda such activities as playing at assemblies, the student operetta, senior play, and baccalaureate and graduation exercises. All of these were impressive public performances and a real treat for anyone who attended them.

Dear Junie,
You are such a
sweet and lovable
creature that I know
things will always go
right for you. Best of luck
always. Love,
Harriet
Kraemer

Dear June:
The best of luck
to a swell gal.
I hope too see you
next year and the
same goes forall the
time Love
Bob Spolar

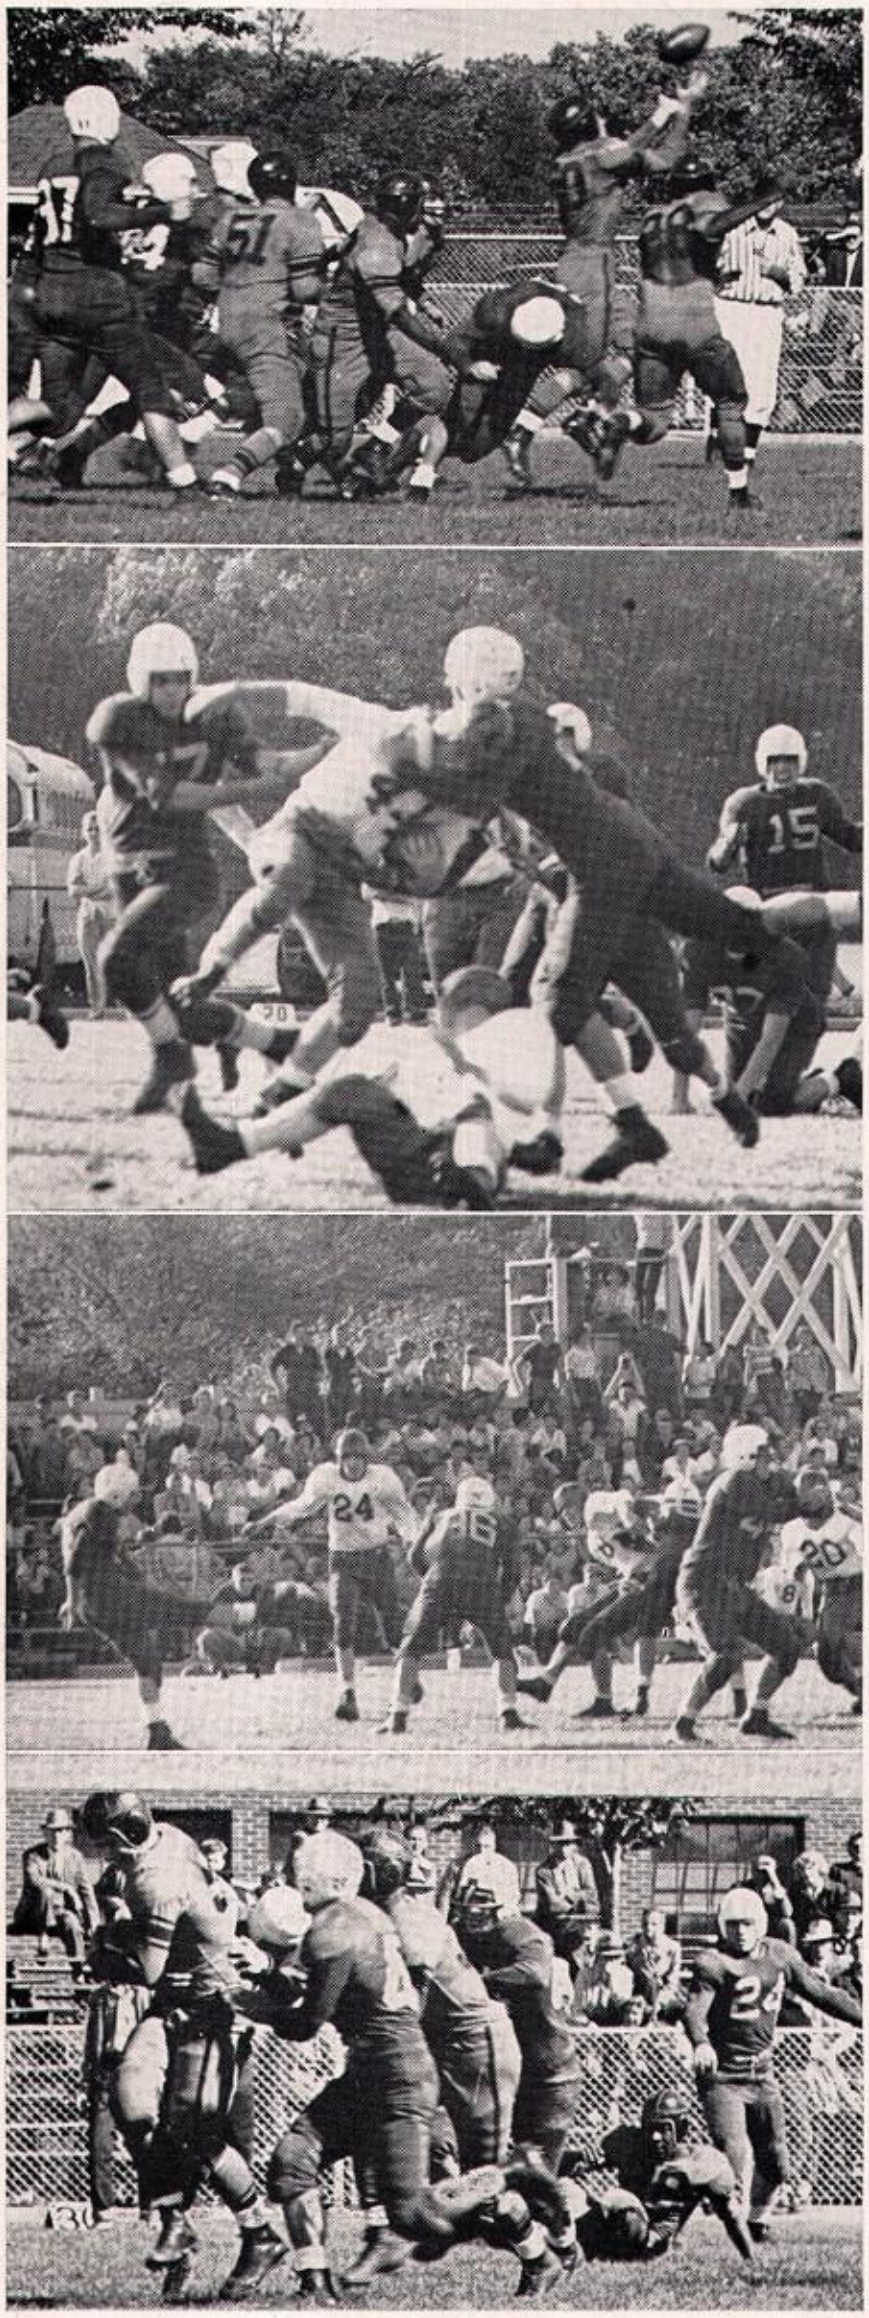
P.S.
The drip that sits in front
of you in math.

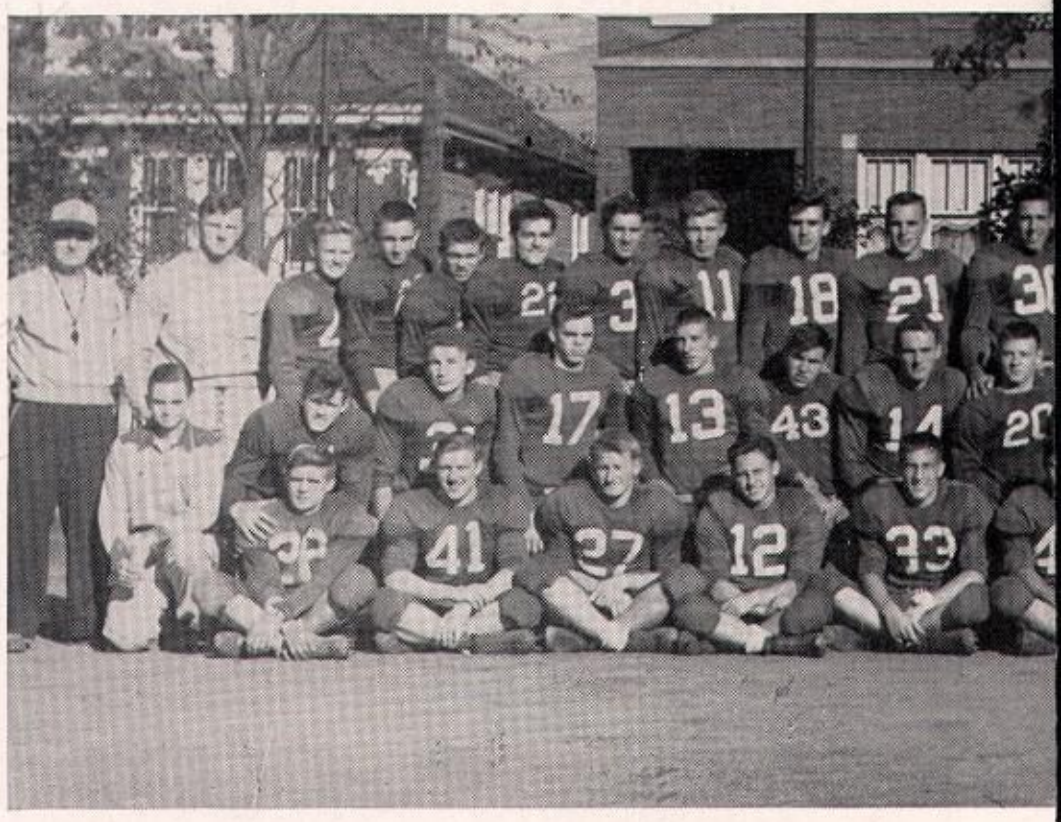


Sports

Dear June —
Best wishes + lots
of luck! Have fun
& be good, but you
never will. Marilyn Krug

Mustangs Have Excellent Season





Top Row: Coach Fencl, Ccach Wojciechowski, Basak, Plozay, McDougall, Thomas, Harrington, Stepanek, Speechley, Strachota, Kenny, Valek, Voss, Pechous, Carlini, Bremicker, Kociba, Kaminski, Smith, Kozubik, Lapka, Vondracek, Morrissey, Coach Ondrus, Ben Shack.

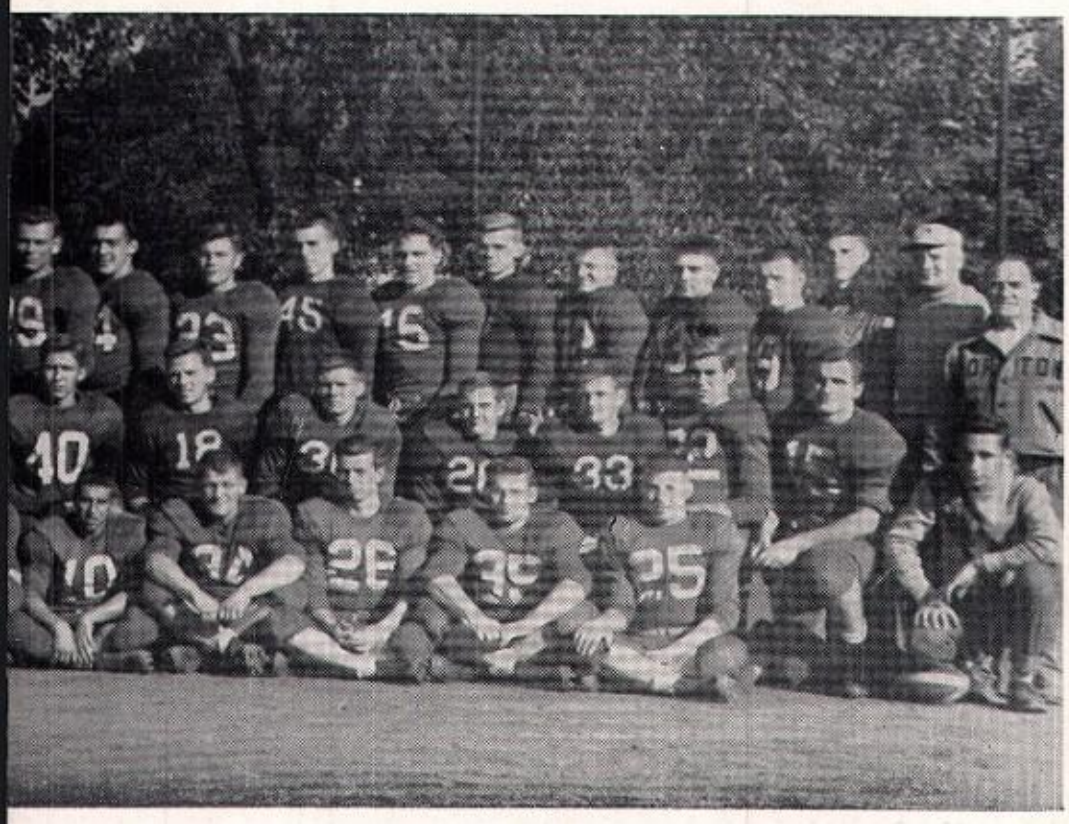
FOOTBALL . . . With a number of fellows returning from last season Morton produced another fine team. This was shown as the gridmen left a bewildered R. B. team on the short end of a 25-6 score. With one win under their belts, the Morton men began their Suburban League contests against Evanston at R. B. Strachota crawled over the line and Frolich booted the conversion for our only points.

Morton next visited New Trier where even holding their opponents to a scoreless first quarter they were swamped 40-0. But the following week, the gridiron rewarded its followers by trouncing Highland Park 19-7. The score shows no indication of the excellent running and line play of the Mustangs, but a six yard average of Harrington and Vondracek speaks for itself.

Morton trampled over Jackson in Michigan 26-0. Carlini started the scoring with two tallies, both the result of end runs.

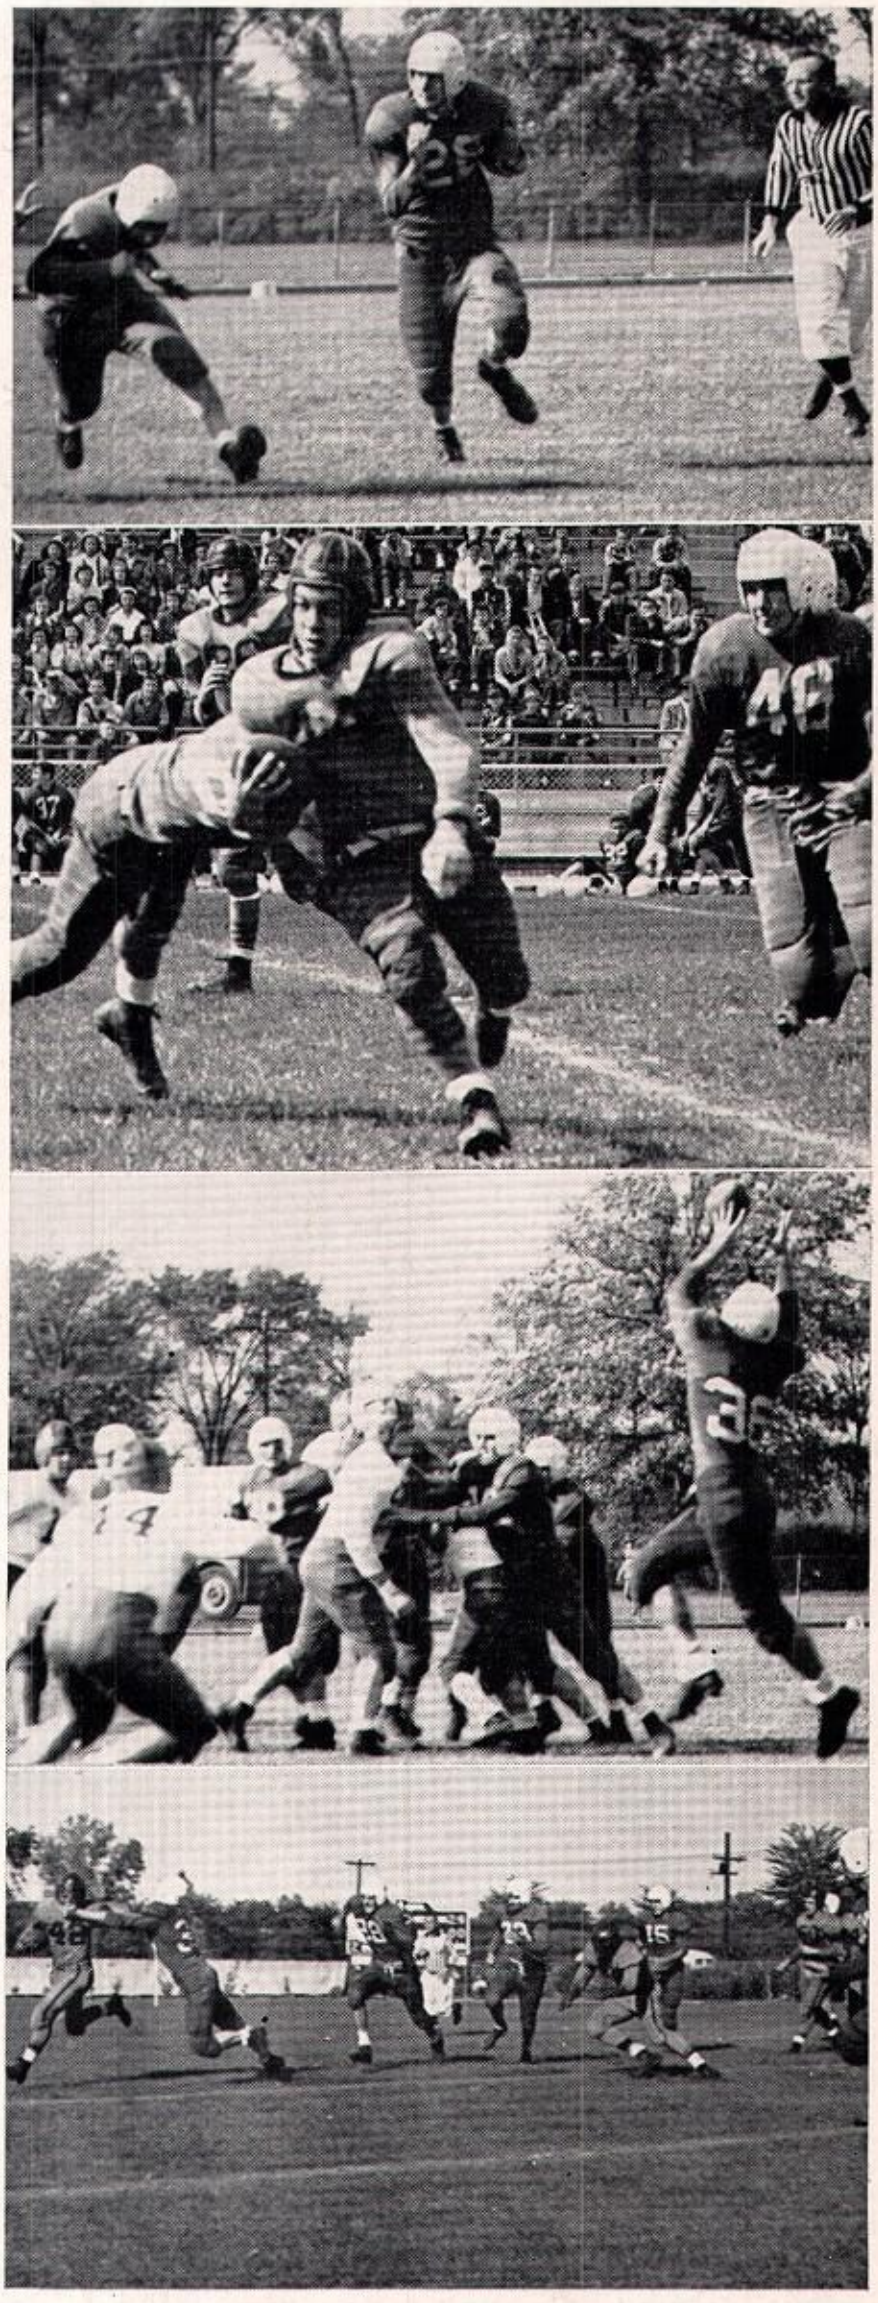
A thrill packed game came to life as Strachota recovered a Proviso fumble which later resulted in a score off tackle. Kenny intercepted a pass and raced for another six points. Olmstead scored as the result of passes to Carlini and Kenny, and Vondracek added the conversion point. The Mustangs held the desperate Proviso team for three downs as the game ended on Morton's one-foot line.

Succeed in Capturing Third Place Tie



Middle Row: Stelk, Redfern, Kratky, Hendy, Olmstead, Posner, Doucettee, Norman, Kretch, Norton, Wascner, King, Utz, Novak, McCall, Dominick, Fuka, Hanen.

Bottom Row: Nevzil, Radauic, Kovanda, Forst, Huml, Panacek, Polich, Santora, Herda, Benisek, Frolik, Soper.



The Oak Park game will long be remembered as one that should have gone the other way. Morton's line must be congratulated for their excellent job of holding the Huskies. Chuck Herda brought down a speedy Huskie who would have otherwise gone all the way. With seconds left in the game the Mustangs were on the Oak Park 13-yard line; Strachota passed to Frolich for four, but on the next play Oak Park's center intercepted the ball to stop the heartbroken visitors.

Morton brought down the curtain to a successful season with a victory over Waukegan. With this win, Morton tied Oak Park for third place. After five consecutive first downs, the Mustangs scored the first touchdown of the game. Frolich's one yard leap was the climax of a 75-yard drive. Captain Polich tried his luck at left half instead of right guard and scored twice. Once from the 23-yard line he tore through the guard and the second time through the line after the ball was brought to the 6-yard line. To get the ball on the six, Strachota passed to Voss for 10 and to Vondracek for 15. Vondracek added both conversion points.

Under the capable coaching of Mr. Joe Ondrus assisted by coaches E. M. Wojciechowski and G. S. Fencel and trainer Ben Shack the Mustangs won five of their eight encounters.

Ponies Stand Out Once Again

Top Row—Ben Shack, Barthel, Nicolette, Hansen, Erickson, Jicka, Griffo, Coach Hedtke, Steinkaus, LeKocour, Bartha, Konicek, Coach Bond.

Middle Row—Counihan, Lokay, Konovsky, Carter, Woziak, Karlinski, Anderson, Perne, Klings, Masek.

Bottom Row—Vokal, Lascinski, Evans, Ochwat, McGinnis, Roeder, Tisci, Banakis, Lee, Eubler.

FOOTBALL . . . The Ponies had a better season this year than last. Their record is two victories, four losses, and two ties. Father Time held the R.B. game to a 0-0 tie. Evanston rolled over the bewildered Jonies 27-6. Jecha intercepted a pass and raced 65-yards to Evanston's 15-yard line. Klings went over on a quarterback sneak.

The underclassmen next downed a surprised New Trier eleven 12-7. At the end of the first, Klings brought down a Terrier back on Morton's 10-yard line. In the third and fourth quarters Jecha and Counihan each brought in six points.

Going into the fourth quarter the score was Highland Park. 12-0. The Morton Ponies took a deep breath and came out with a 12-12 tie. In a non- league game with Tilden the Ponies lost 12-7.

Another league meet against Proviso found the Ponies again on the short end of a 12-6 score. Konovsky took a pass from Klings for the only Morton touchdown.

In the following game Oak Park took a punt on our 30-yard line and went through for six. A quarterback sneak from the 3-yard line brought them their second tally. The conversion was good to end the game with the Huskies on top 13-0.

Waukegan was as surprised as the Ponies were when with less than two minutes to go they were behind 7-0 as a pass to Lescinsky brought the ball to the 1-yard line. Counihan then took the handoff to score with a conversion by Erickson. Klings intercepted a pass, went 18-yards and scored the second Ponie tally with 3 seconds left. The frosh-soph is under the coaching of W. A. Hedtke.

Soccer Team Captures State Championship

Top Row: J. Kostelancik, T. Tyrakowski, J. Kyroucek, B. Jorgenson, G. Benuska, R. Nelson, R. Bonucelli, J. Hlavaty, E. Dostalancik, G. Durancik, D. Staiton, J. Jahelka, coach.

Morton.....10	Tilden 0
Morton..... 6	Lake Forest 0
Morton..... 2	University of Chicago High School....1
Morton..... 1	Oak Park 1
Morton.....10	Tilden 2
Morton..... 2	Oak Park 1
Morton..... 3	University of Chicago High School....0

After last year's luckless games, Morton came back this year in true form, winning eight and tying one. This year as in the past the team was under the able coaching of Mr. J. Jahelka. Morton's winning season started with the defeat of Crane 4-0. The goals were made by Rudy Nadherny and John Kostelancik. Games played in Chicago are under city ruling whereby goals count two points and penalty shots one. The second game ended with a 6-2 defeat over Schurz with Jerry Hlavaty scoring two goals, and Rudy Nadherny scoring the remaining one.

For Their Play in Undefeated Season

Second Row: P. Tasonnas, R. Turner, B. Novak, S. Skocosky, G. Yochem, C. Novotny, R. Nadherny, G. Blazek, J. Svec, R. Butara.

Tilden went down in defeat next 10-0. Svec scoring twice and Nadherny, Butara, and Hlavaty each getting one. With more confidence than ever, Morton moved on to Lake Forest and defeated them 6-0 with scoring honors going to Nadherny, Hlavaty, and Butara.

University of Chicago High School also went down in defeat 2-1 as Nadherny booted home two goals. Hoping to continue their winning ways, Morton moved on to Oak Park. With the help of good defense on the part of both teams, the final score ended in a 1-1 tie. John Kostelancik scored Morton's lone goal. The booters then went back to Tilden and gave them their beating 10-2. Nadherny and Hlavaty had scoring honors with a pair apiece.

With all confidence of having an unbeaten season, Morton moved to Oak Park and defeated them 2-1, Svec and Butara scoring. For the last game of the season Morton shut out University of Chicago High School 3-0, Nadherny scoring twice and Hlavaty once.

Rudy Nadherny led in scoring as he did last year. This year he scored ten times. Jerry Halavaty was close behind with seven goals.

Vopicka Turns Out One of the Best

BASKETBALL . . . Morton is proud of its 1949-50 varsity basketball squad. Without a doubt it is one of the finest ever produced. Coach Jim Vopicka picked an excellent team.

They always gave the spectators a fine game. They had an excellent record of 22 wins in 25 starts. They brought back the Suburban League Championship for Morton's eleventh in twenty-one years of league play. A new Morton record of capturing the league championship without a defeat was set. Along with this the fellows joined together and earned Ed Makovsky junior center, the Suburban League Scoring Crown.

In state regional play, Morton whipped Oak Park to take upper bracket honors. The Mustangs jumped to a 20-8 first-quarter lead in which Captain "Babe" Blaha scored 10 of our 20 points. Blaha and Kasperski took game honors for Morton with 18 points each.

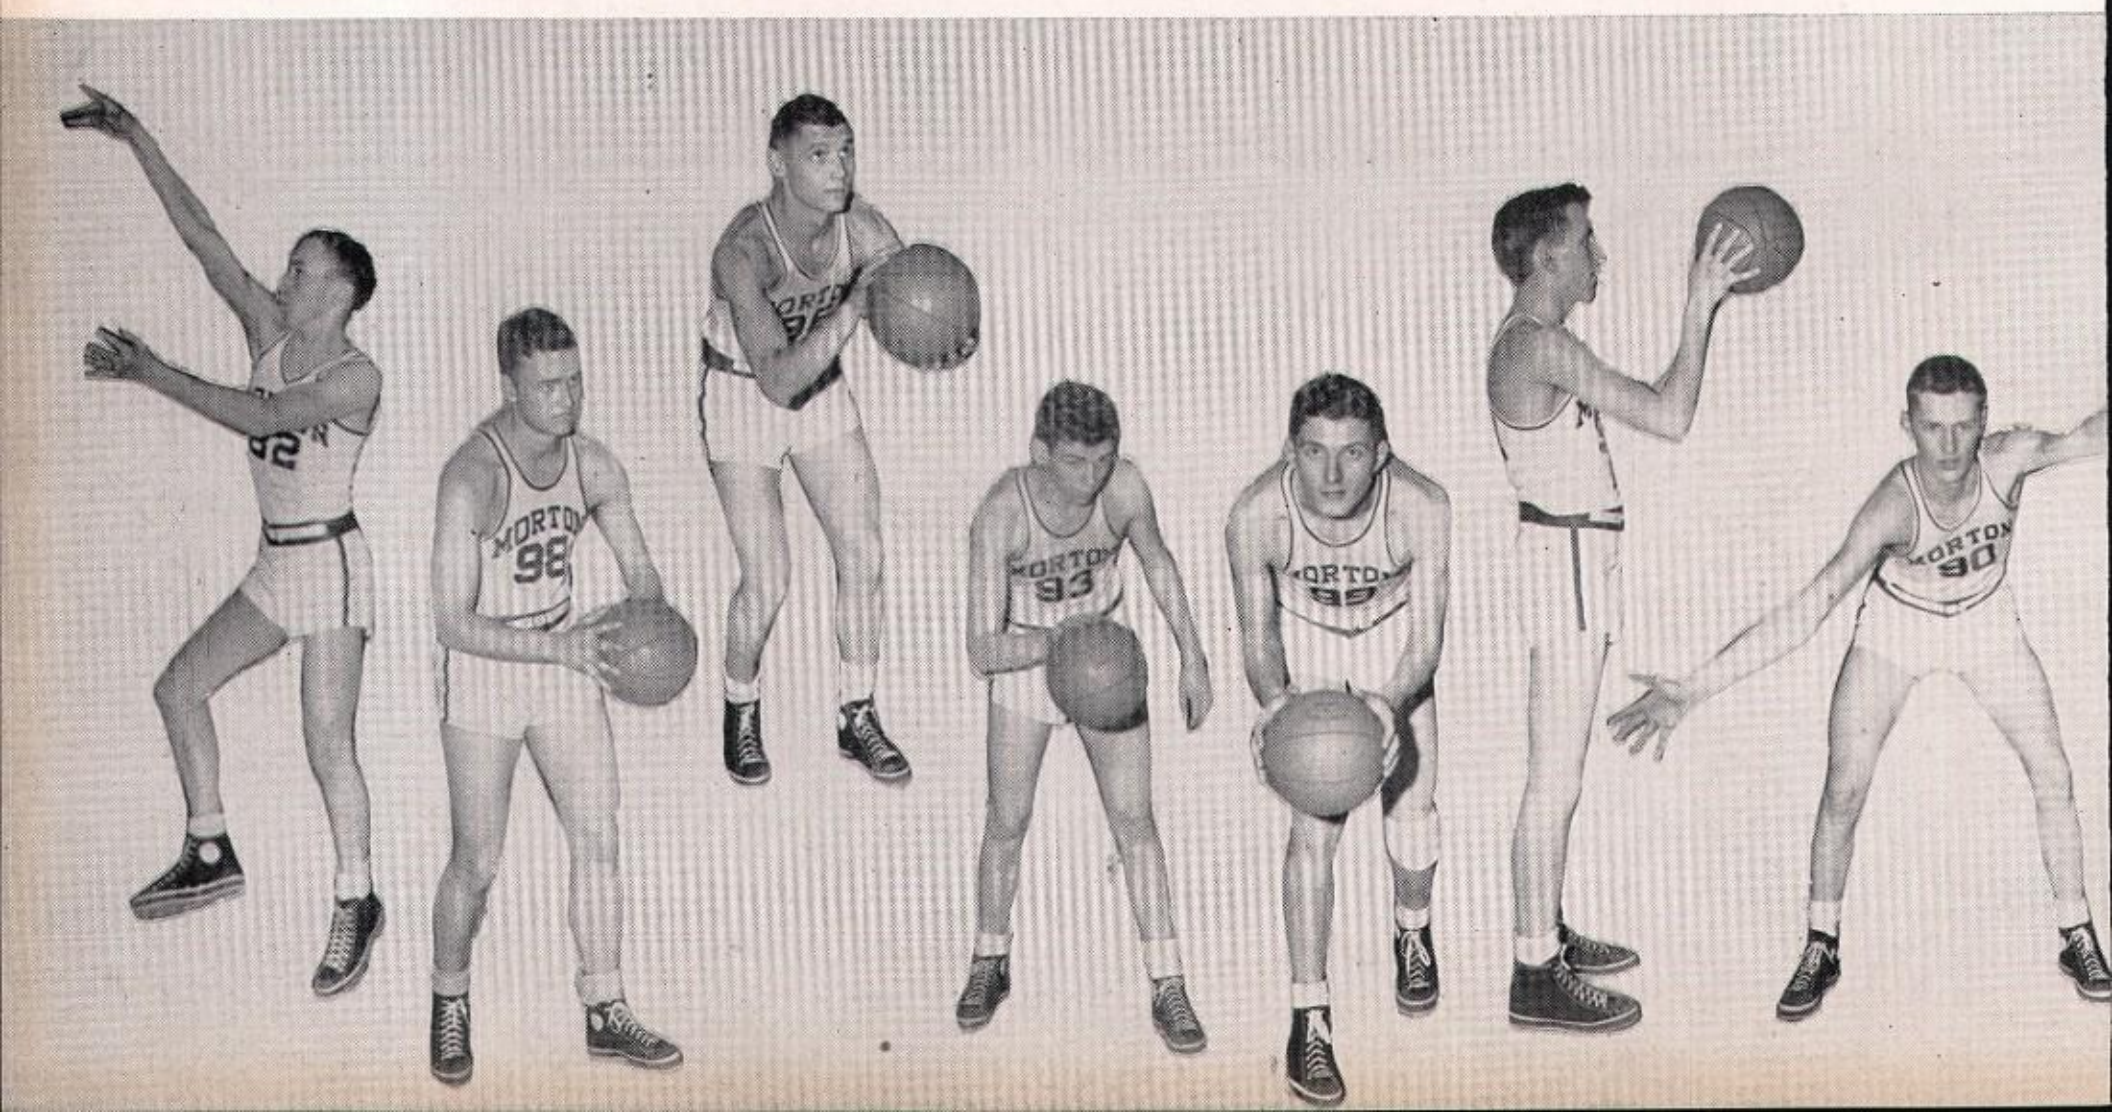
In the second game the Mustangs set a fast pace in which Riverside was trampled. All Morton players scored.

The Leyden aggregation constantly pressed Morton's lead in the regional final. The first period looked like a runaway game for the Mustangs, but Leyden soon revived.

Stamping out Evanston gave Morton its 20th consecutive victory. Half time score was 29-11 then the Mustangs added 19 to Evanston's 17.

The Mustangs were eliminated from the State Tournament by Elgin in the sectional finals. In the closing moments Morton tried desperately to get back but Elgin was stronger.

Left to Right:
Roberts, Suess, Blaha, Hahn, Makovsky, Bragiel, Sevcik.



Mustangs Show Strength This Season

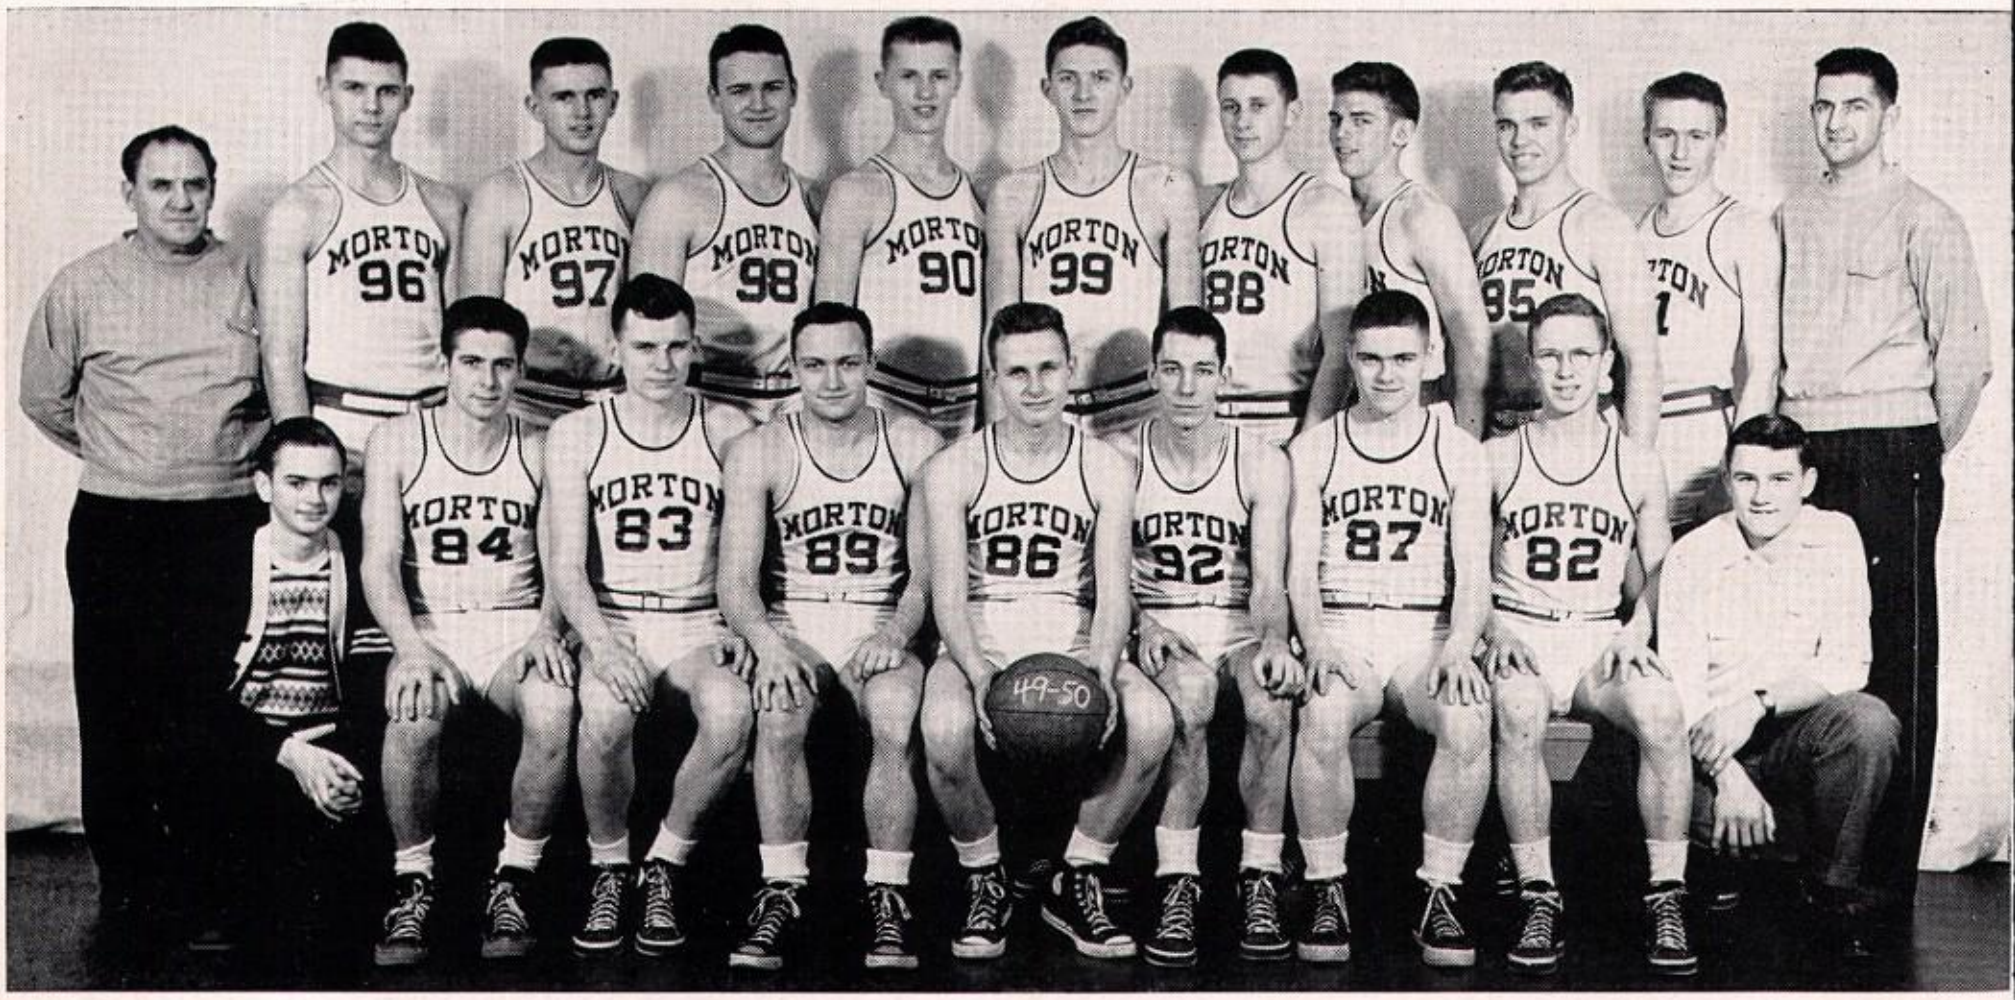
Our Varsity Basketball Team



Top Row: Ben Shack, Captain Don Blaha, LeRay Kasperski, George Suess, Dale Sevcik, Ed Makovsky, Dick Fleider, Bob Hahn, Don Zitek, Jim Bragiel, Coach Jim Vopicka.

Bottom Row: Lincoln Stelk, Lou Frandsen, John Hauch, Frank Hanzel, Ed Polan, Jack Logan, Don Palmquist, Dave Roberts, Mgr. Ray Matejka.

Thrills, excitement, suspense; Morton's basketball games and season held all.

Morton fans who travelled to Riverside for our team's first cage tilt saw an inexperienced, tall team play some good basketball. The following week-end Morton travelled to Urbana on Friday and to Decatur on Saturday. Both were evenly matched; but as fate had it, two points decided both games, and Morton had two early losses.

Ed Makovsky, junior center, led the scoring against Elgin with 14 points followed by Blaha and Kasperski with 10 and 9 respectively. A very earnestly contested game followed at Waukegan in which Jack Logan captured scoring honors with 13 points.

A very close game with Evanston in which the Mustangs were victorious was followed by a one-sided affair with Highland Park also being downed. Traditional rivalry and revenge was about with the tilt against Oak Park which though being close Morton came out on top. Next Leyden was defeated in another one-sided affair.

The Mustangs played another close game against the New Trier Indians. Morton had to overcome a 14-11 first quarter score in order to win. This they succeeded in doing in the second quarter holding New Trier to only one point. Tussels with Proviso, Argo, non-league, and Waukegan followed giving the Morton scoring power a second test.

Downing Evanston gave Morton their 12th victory and 9th in the Suburban League. Morton fans were given a short scare as the Mustangs couldn't seem to hit, and Evanston was slowly decreasing our lead; but Makovsky cracked the ice with a free shot. The following evening Highland Park, an excellently coached team, gave way and faced defeat.

Victory over Oak Park on the Parker's floor clinched the League title. Oak Park and New Trier, who Morton met next, previously lost by one point margins and were out for victories; but they were defeated.

Ponies Capture Second Place

Best wishes to a swell bird and lead of luck in the future.
John Gariffo

BASKETBALL . . . Morton's Frosh-Soph captured second place in the Suburban League play. The Morton Ponies lost four games, and they won twice as many.

In the opening game at R-B the Ponies began their season play by outplaying the R-B team 58-12. Another non-league game found the Morton team on top 39-35.

In League play the Morton team travelled to Waukegan to inflict them with defeat 31-22. Evanston followed with a two point victory over Morton 50-48. The last game before the Christmas holidays was a victory for Morton over Highland Park. Morton moved out in front in the first quarter and stayed there.

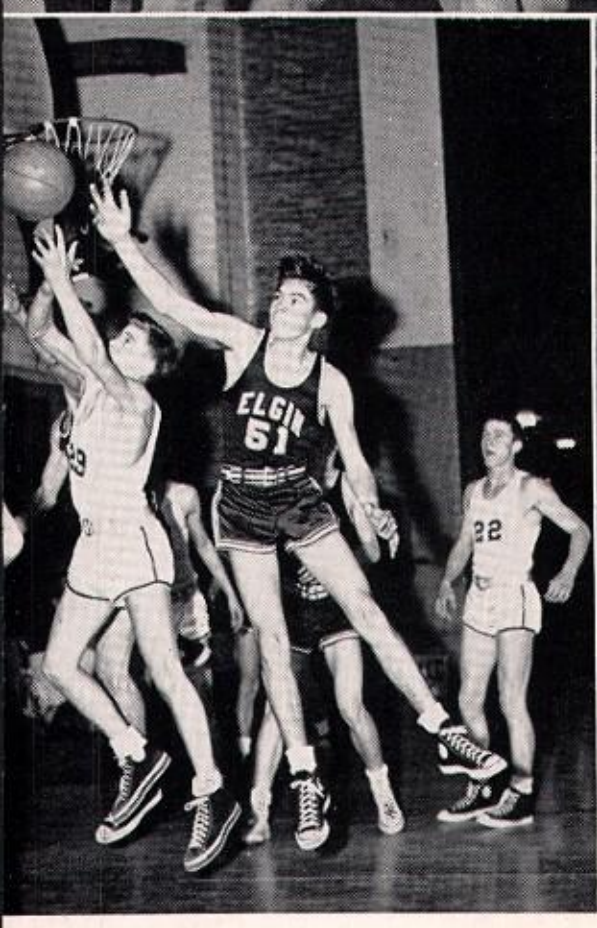
Beating the Oak Park underclassmen 54-26, they moved into a three way tie for first place. Simek proved himself valuable on the following night by dropping in the winning basket as the Ponies overcame Leyden in a non-league game 29-28.

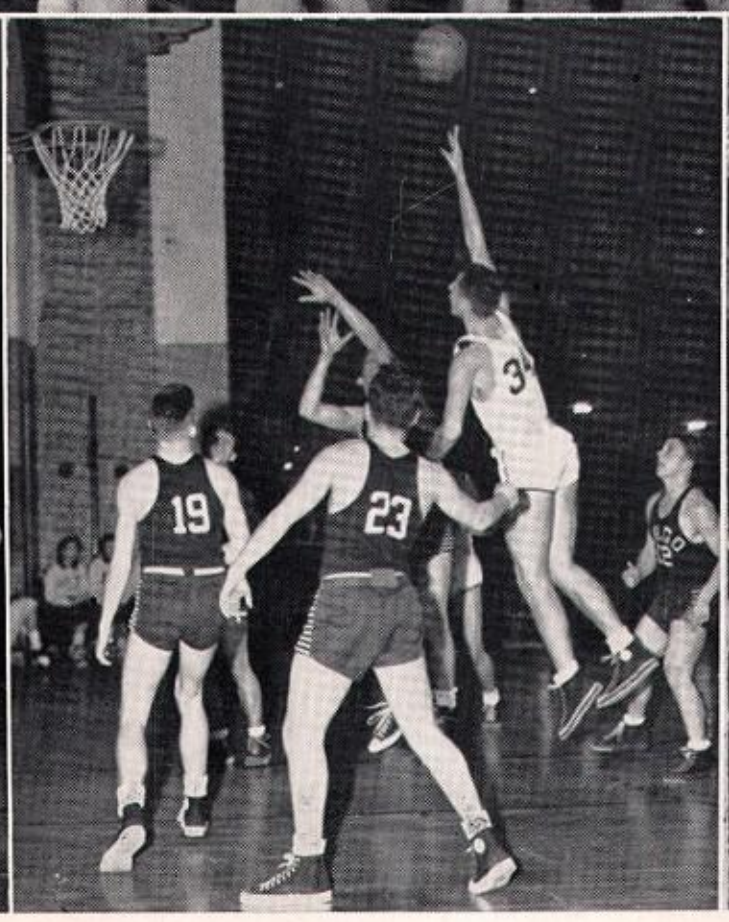
The Ponies followed up with successive wins over New Trier, 43-35; Proviso, 43-27; and Argo, 49-41. Waukegan avenged a previous Morton victory by beating our home team 32-30. Victories over Evanston, 37-28, and Highland Park, 33-29, followed. Playing on the Oak Park floor brought Morton its third defeat 52-38. Overcoming New Trier 35-23 placed Morton in a two-way tie for first place. With their fourth defeat dealt by Proviso 36-32 the Morton underclassmen ended the season in second place.

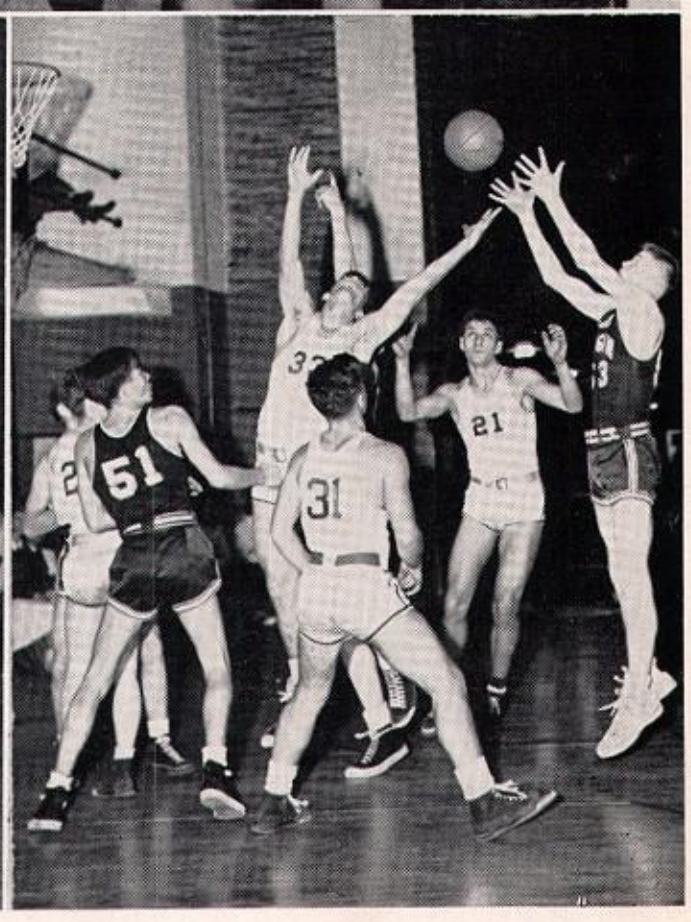
Congratulations go to Coach R. Soucek for his second year of coaching the Morton Ponies.

Top Row: Ben Shack, Kotas, Kelly, Byrant, Albert, Counihan, Milota, Lescinsky, Simek, Eubeler, Nicolette, Tuma, Coach R. Soucek.

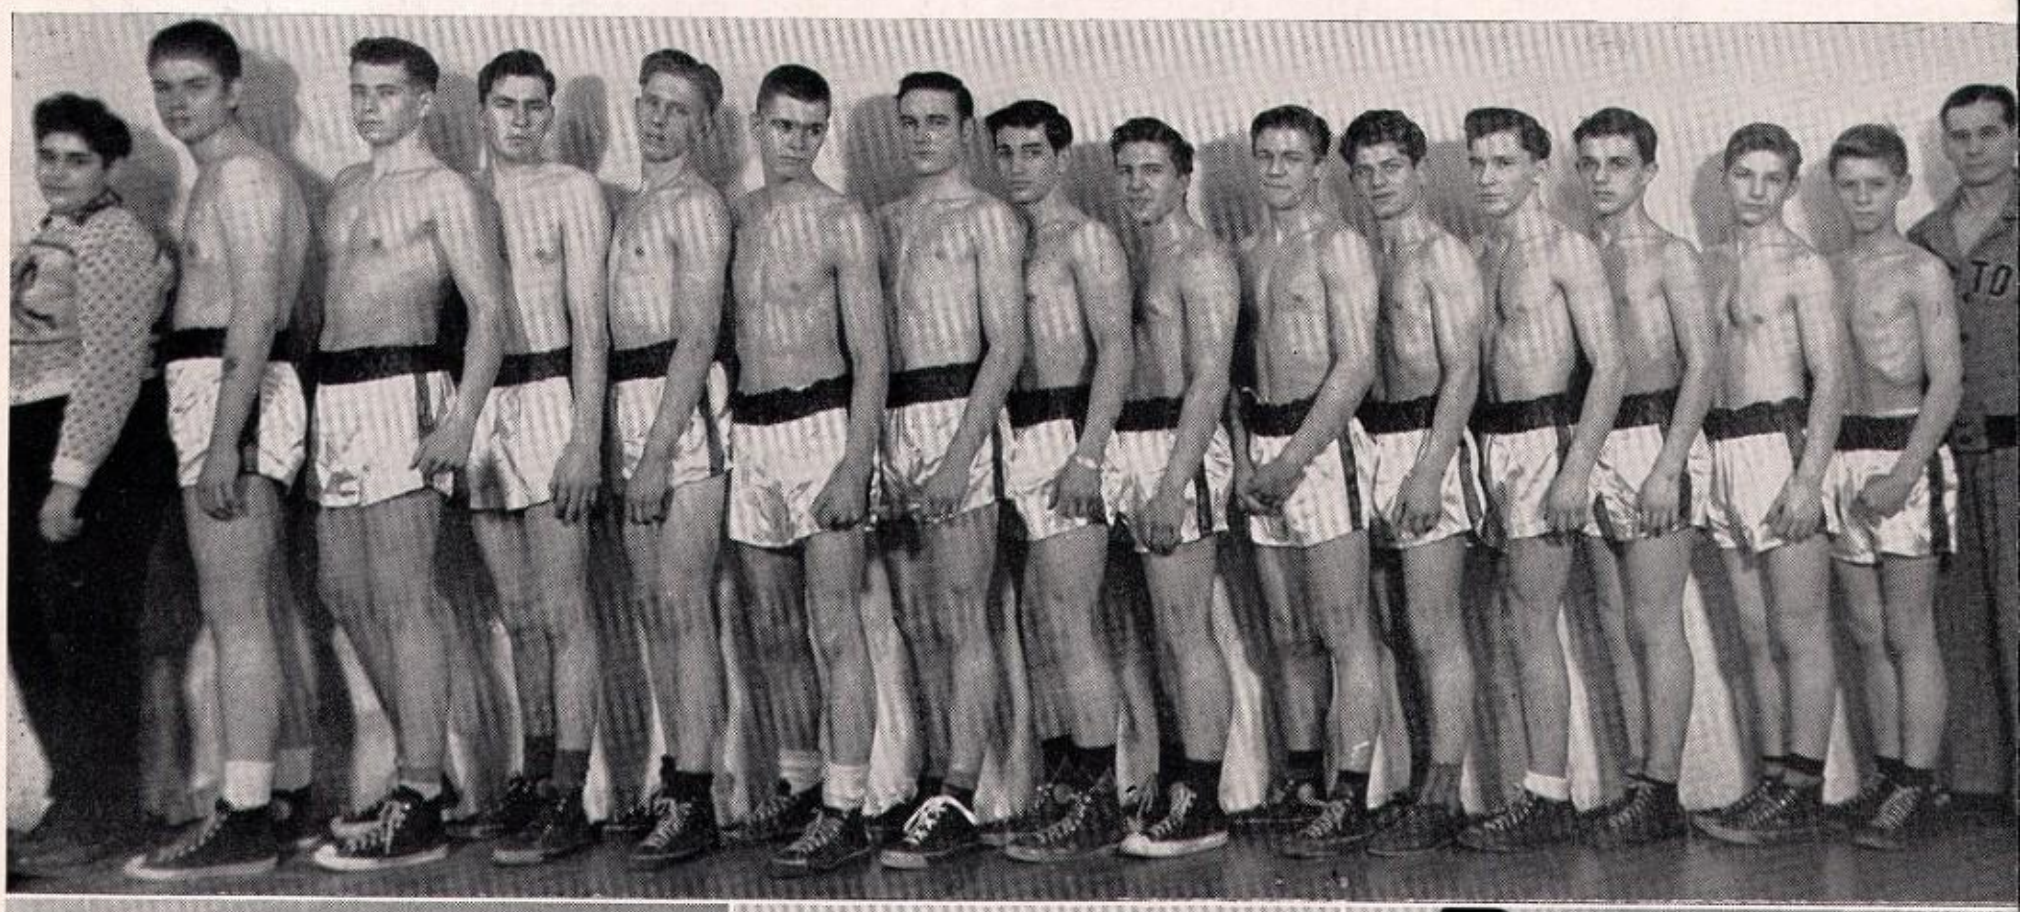
Bottom Row: Kocourek, Bowers, Konicek, Roy, Jecha, Gariffo, Caldwell, Crain.

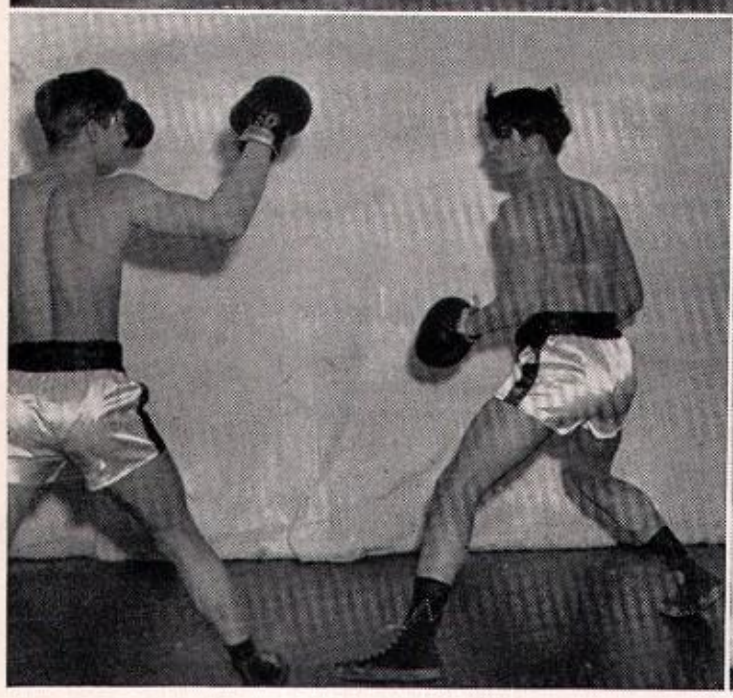


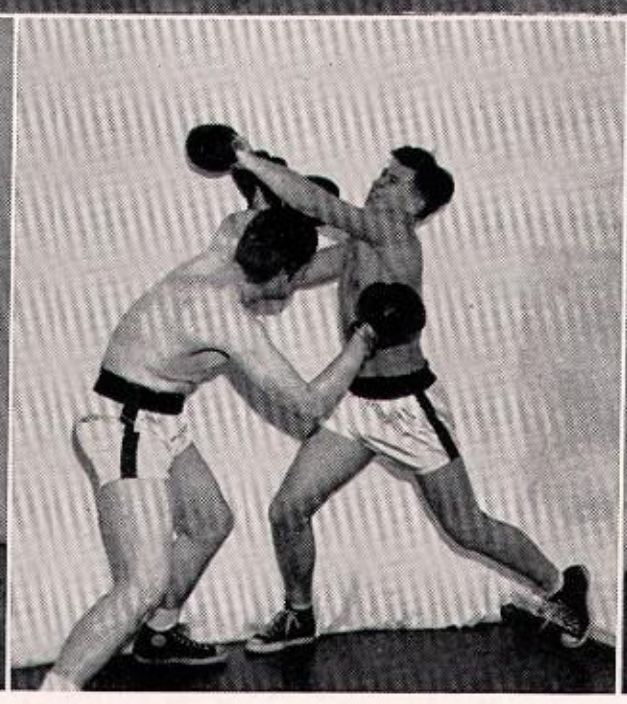


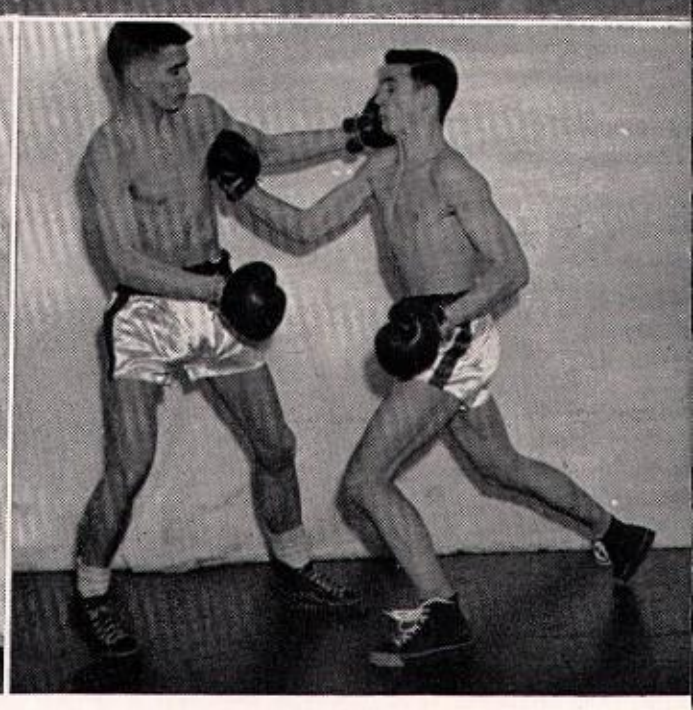


Morton Boxers Have No Competition





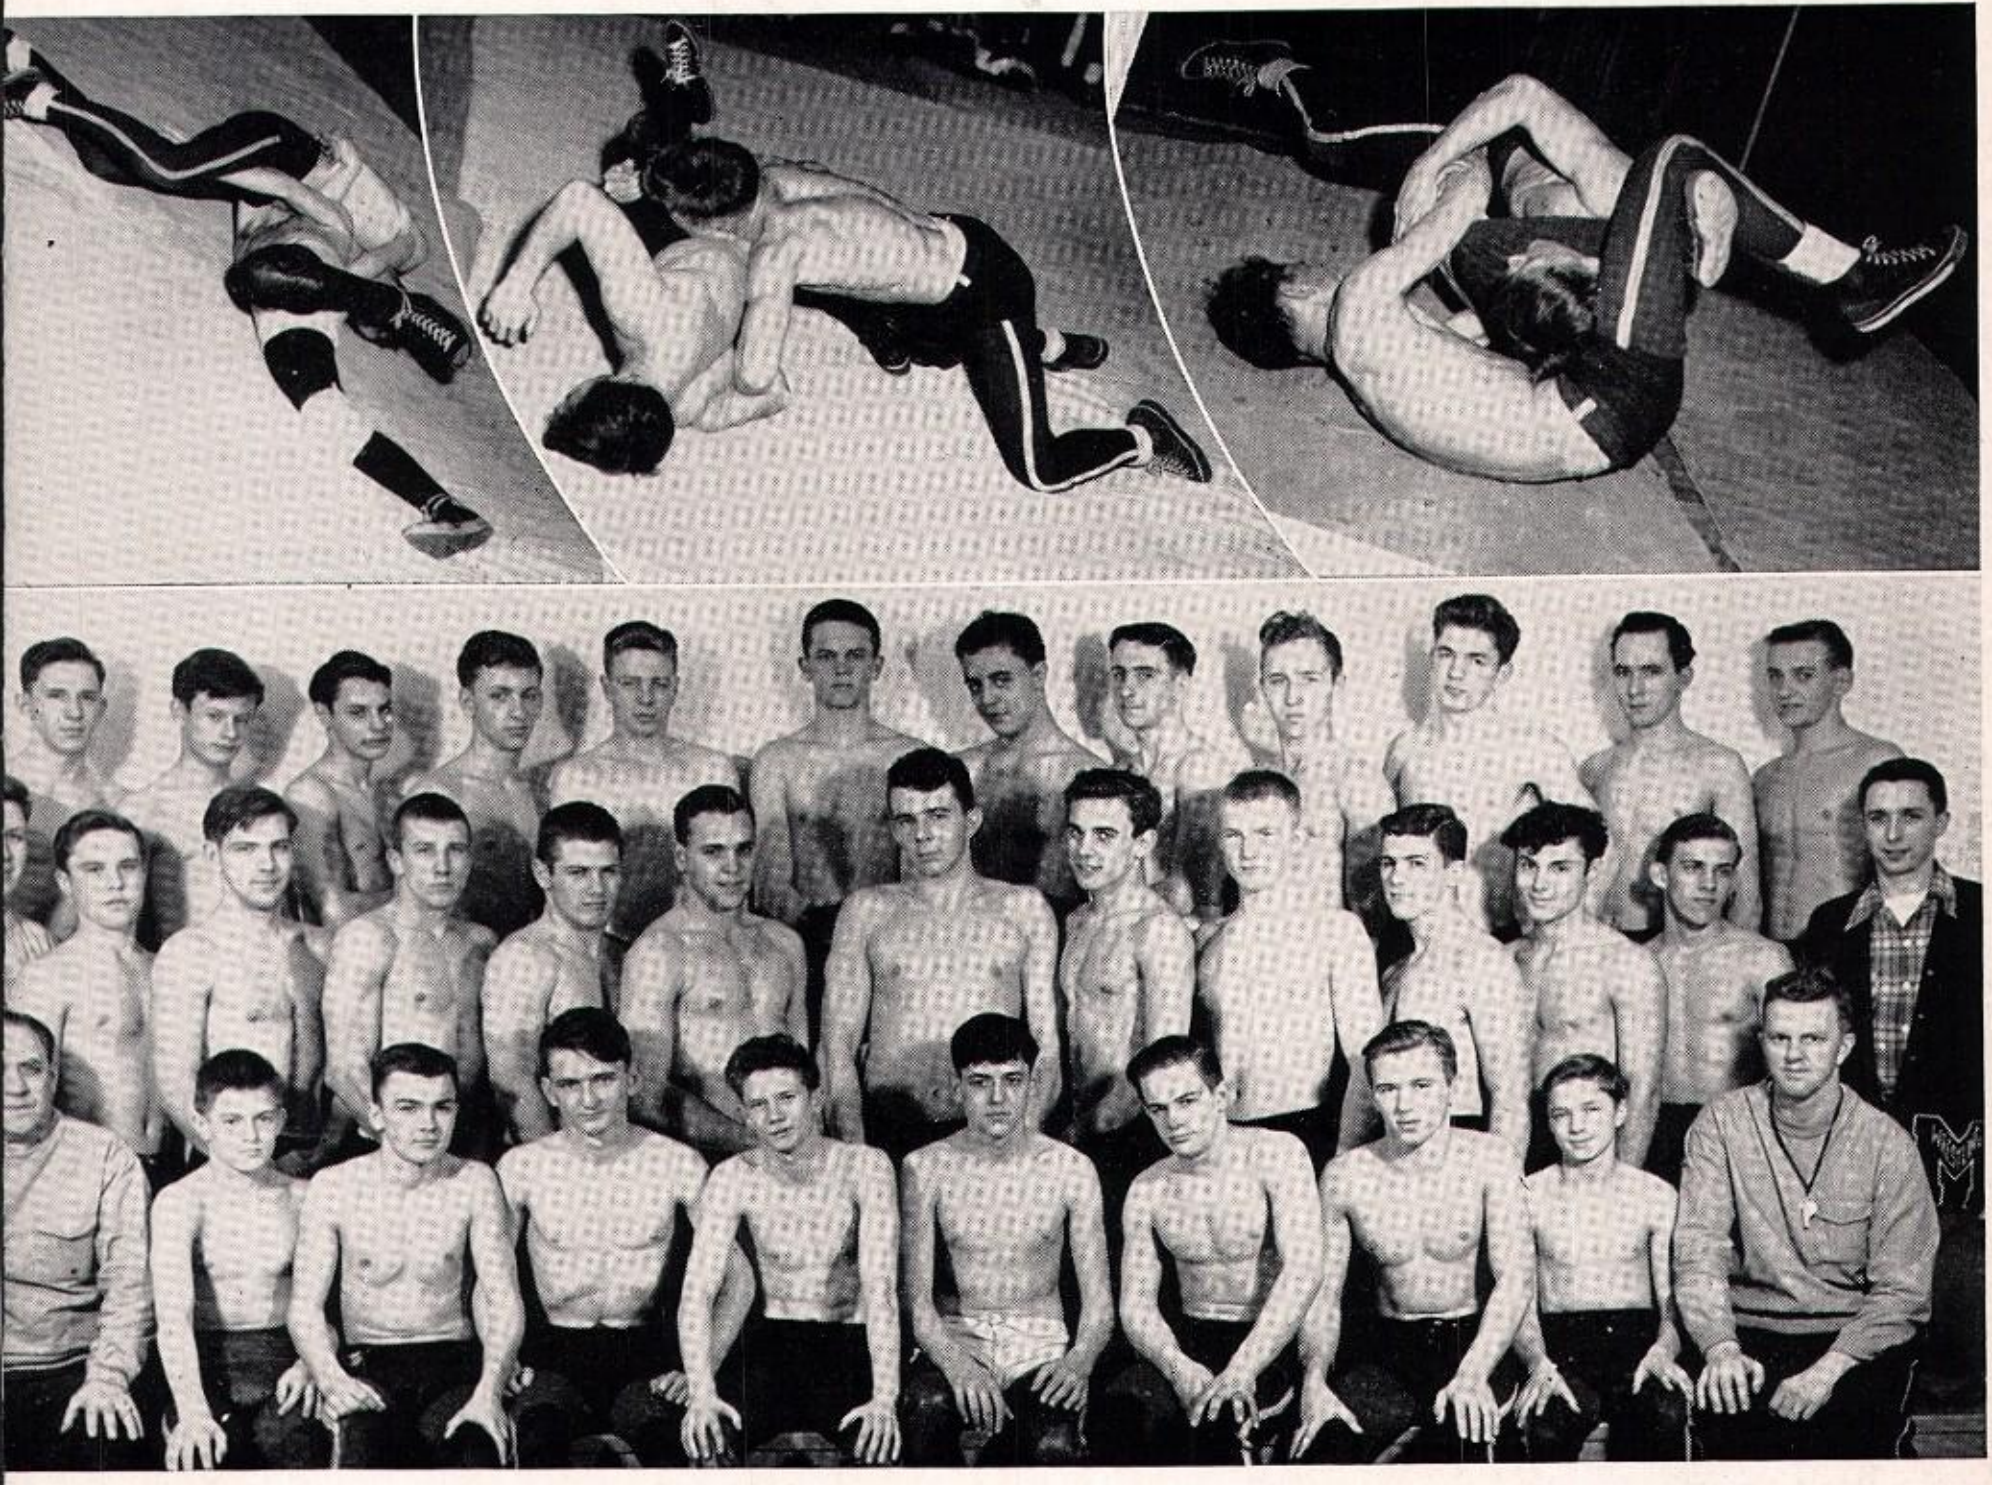




Left to Right: Patitucci, Mgr.; Areen, Prokop, Cuchy, Riley, Donnelly, Blaha, Sestak, Sulin, Brunett, Baccetti, Peters, Kostos, Lamar, Donnelly, Coach J. Jahelka.

BOXING . . . The Morton boxers have had an unchallenged season. With the collapse of the boxing shed, they were left with no place to practice. But when the second semester rolled around, the boys were found in room 202. Whether the boys had what it takes cannot be doubted, but they never had a chance to show it. The team needs competition to keep in form. Without it a team is lost. The Morton boxers find much competition between themselves, but they cannot find schools to challenge. This team is under the tutorship of Mr. J. Jahelka.

Wrestlers Beat Tough Competition



Top Row—Peters, Blaha, Dogovic, Ireland, Bruggen, Pochly, Lelis, Plozay, Easton, Norton, Broderick, Navratil.

Middle Row—Rohde, Stasny, Vodicka, Olmstead, Polich, Strachota, Valek, Mlsna, Konousky, Carter, Panacek, Mlsna, Mgr. Plozay.

Bottom Row—Trainer Ben Shack, Barthels, Pokornik, Janes, Svec, Hofraiter, Barthels, Syverson, Cervenka, Coach E. M. Wojciechowski.

WRESTLING . . . An excellent team started the graplers to their seven win and eight loss record. Being forced to practice away from school and later losing Syverson, Mlsna, and Strachota in midyear graduations, caused the defeat of the Morton team in the later meets.

The first five meets were victories for the Mustangs. Calumet, Leyden, Hinsdale, Tilden, and again Calumet all met the same fate at the hands of Morton. Tilden, who proved to be the city champions and later captured second place in the state, fell to the Morton aggregation by a close score of 19-18. T. Barthels, Svec, Panacek, and Vodicka all beat their opponents while Jim Barthels pinned his man. Syverson, Navratil, Mlsna, and Strachota were dealt losses. Jim Barthels and Dick Polich were the only Morton men who won over a powerful Proviso team. The newly inaugurated frosh-soph team also felt defeat from the Pirates.

An even stronger New Trier squad dropped in to defeat the Mustangs 36-0. A quick recovery brought victories over Leyden and Evanston. In the Leyden meet Polich pinned his man in 16 seconds.

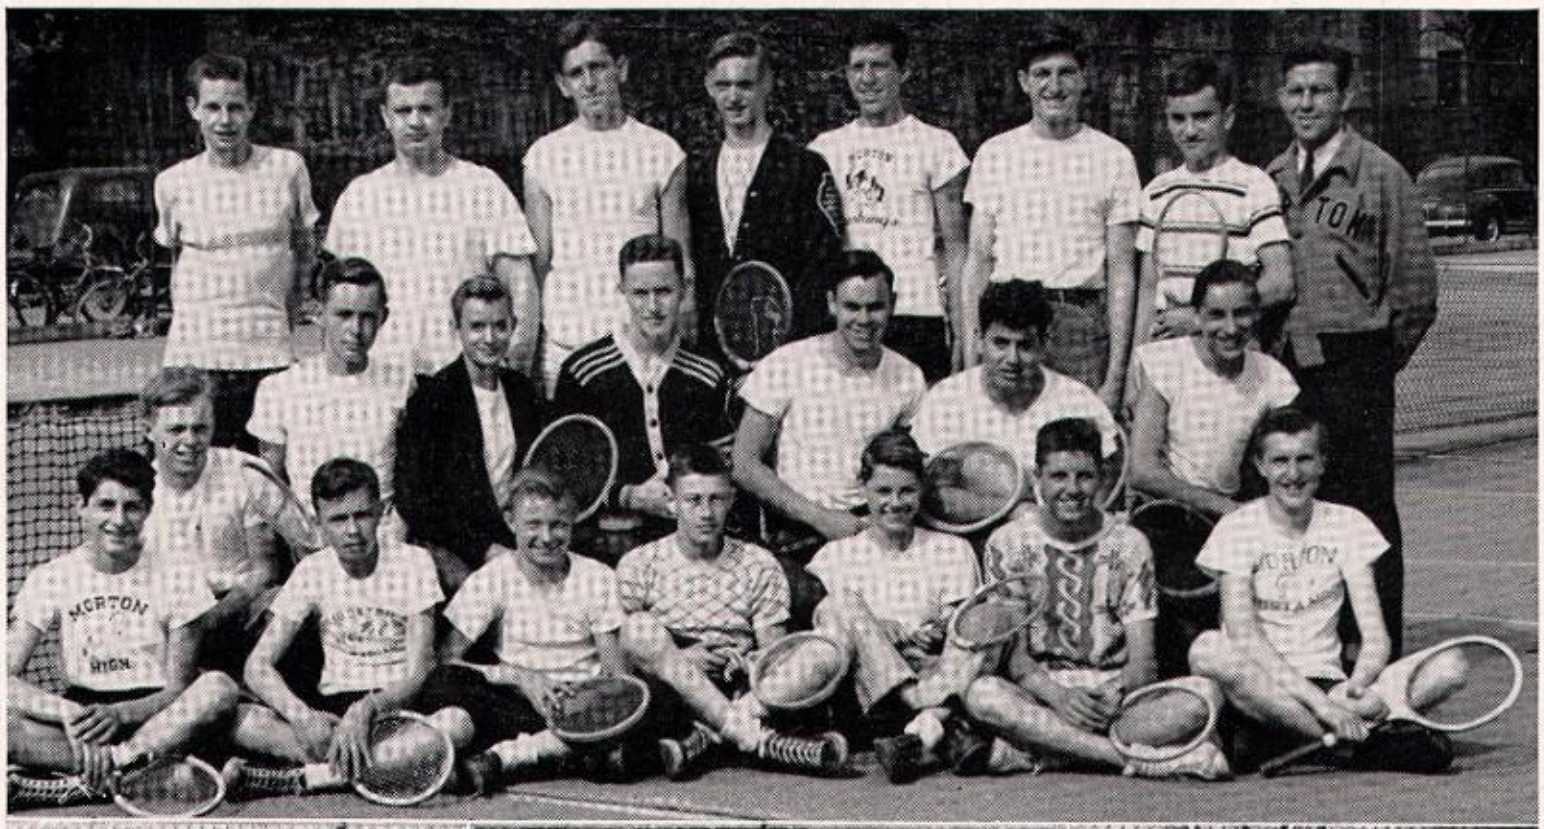
Thornton, Blue Island, La Grange, Joliet, and Riverside overcame our home team.

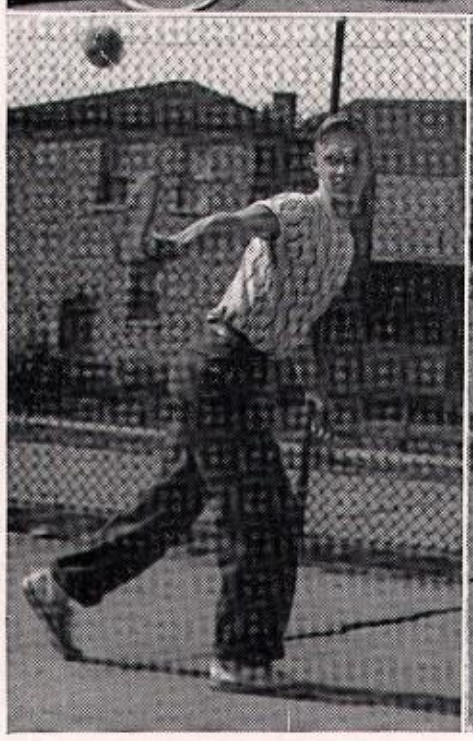
Dick Polich and Jim Barthels captured first place laurels in the sectional meet held at Riverside. Jim Janes won himself second while Joe Svec and Tel Mlsna both took consolation prizes.

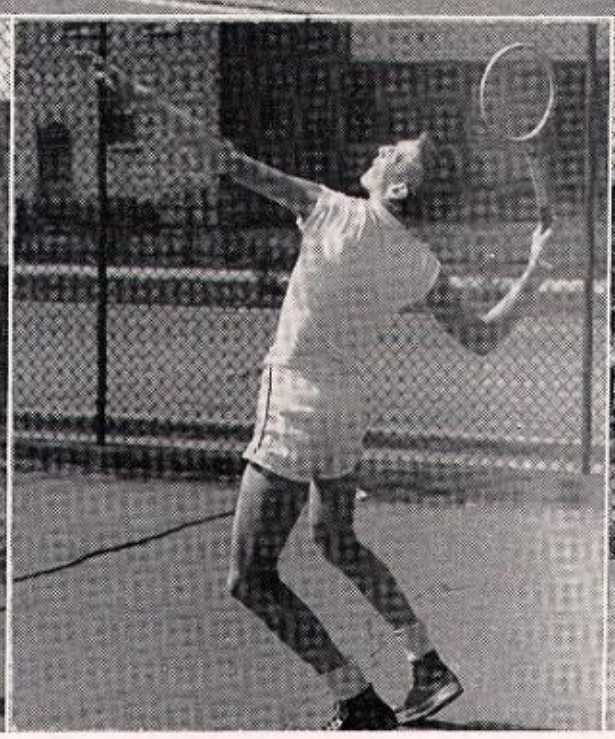
In the state finals at Proviso, Dick Polich was eliminated as was Janes. Jim Barthels went on to gain a third place for himself in the state.

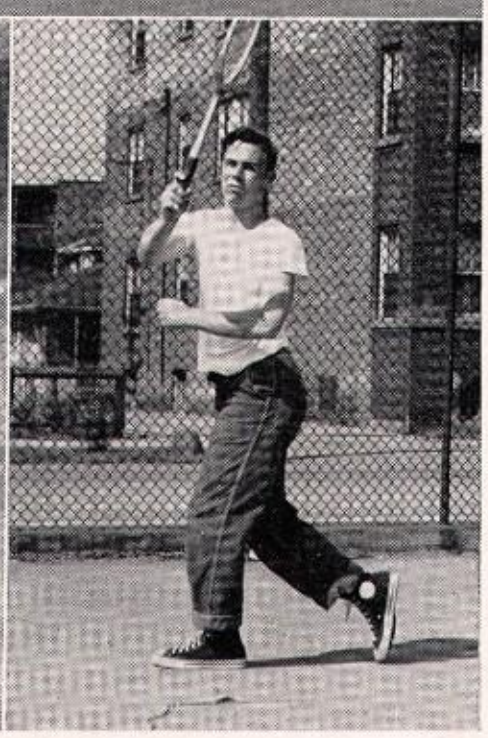
E. M. Wojciechowski kept giving the boys excellent coaching through the entire season.

Another Morton Team to be Reckoned With









Top Row—Kollenda, Gonzini, Paul, Pregl, Kollenda, Vieceli, Tomendal, Coach C. L. Bond.
Middle Row—McCosh, Kozik, Ludwig, Rockett, Berkovec, Belmonte, Scripel.
Bottom Row—Tarolla, Bezouska, Blomgren, Mikuta, Novander, Roessing, Kasper.

SCORES

Morton	3	R.B.	2
Morton	2	R.B.	3
Morton	0	New Trier	5
Morton	1	La Grange	4
Morton	1	Evanston	4
Morton	5	Highland Pk.	0
Morton	5	Thornton	0
Morton	2	Proviso	3
Morton	3	Waukegan	2
Morton	0	Oak Park	5

TENNIS . . . Morton's varsity tennis squad began the season with a 3-2 victory over R. B. With a series of bad breaks, the team's winning style was impaired. The next time the team met R. B. the previous score was reversed. Ludwig won his match as he did in the first meet, and Belmonte and Kozik won their doubles for our other points.

The postponed match with Evanston, once played, found the Morton netmen with only one victory; that was in the singles. Ludwig defeated Myers 6-1; 6-1.

La Grange proved to be the stronger, coming out on top with a 4-1 count.

The Mustangs took revenge on Highland Park when they white washed them 5-0. Showing their great strength, Thornton found itself scoring narry a point, losing bitterly 5-0.

Proviso pulled a very unexpected victory over the Morton men to a tune of 3-2.

The District meet followed as the team grabbed third place.

From a 3-2 victory over Waukegan, Oak Park succeeded in overpowering our home team 5-0.

Swimmers Excel in Suburban and State Competition

SWIMMING . . . Morton's swimming team started their season with a bad start. In the Steinmetz meet the relay team was disqualified. After a good dunking from Evanston the team then overpowered Niles. Wagner captured a first and Heerdt took a second in the 100-yard back stroke. Will earned himself firsts in the 120-yard individual medley and diving.

The meets with Oak Park, Proviso, Thornton Fractional, and Highland Park proved fatal for the Morton mermen. The Proviso meet would have been found in the win column if one of the two relays would have gone the other way. Highland Pk. led the scoring throughout the meet. The trio of Wagner, Will, and Abbeduto came through for Morton points in both Highland Pk. and Thornton Ft. meets. The mermen's next victory came over Harrison. New Trier then found Morton easy going. Here Wagner was the only one to come through for Morton.

The second meeting of Thornton Fractional found our home team on top.

Three Morton swimmers found their way through rugged competition to the finals of the Suburban League meet entered in four events. Wagner captured first place in the 100-yard back stroke with a time of one minute four and two tenths of a second. Abbeduto took fourth place in the 100-yard free style, and Will placed fifth in the 150-yard individual medley. Combining their efforts they placed second as the relay team.

The state meets found Wagner with second place laurels in the back stroke event, and the relay team composed of Wagner, Will and Abbeduto splashed away with fifth place. Coach C. L. Bond has had a successful season with his men.

Top Row—Balaja, Kowalewski, Soski, Heerdt, Wallace, Lusk, Barta, Kratky, Will, Benes, Rank.
Middle Row—Benakis, Novak, McGuire, Novark, Poncar, Tomenendal, Pesideri, Balaja, Abbeduto, Coffey, Coach Bond.
Bottom Row—Hagen, Fleok, Ivansek, Masek, Denk, Snyder, Pollock, Johnson, Bozis, Baur, O'Brien, Lederer.

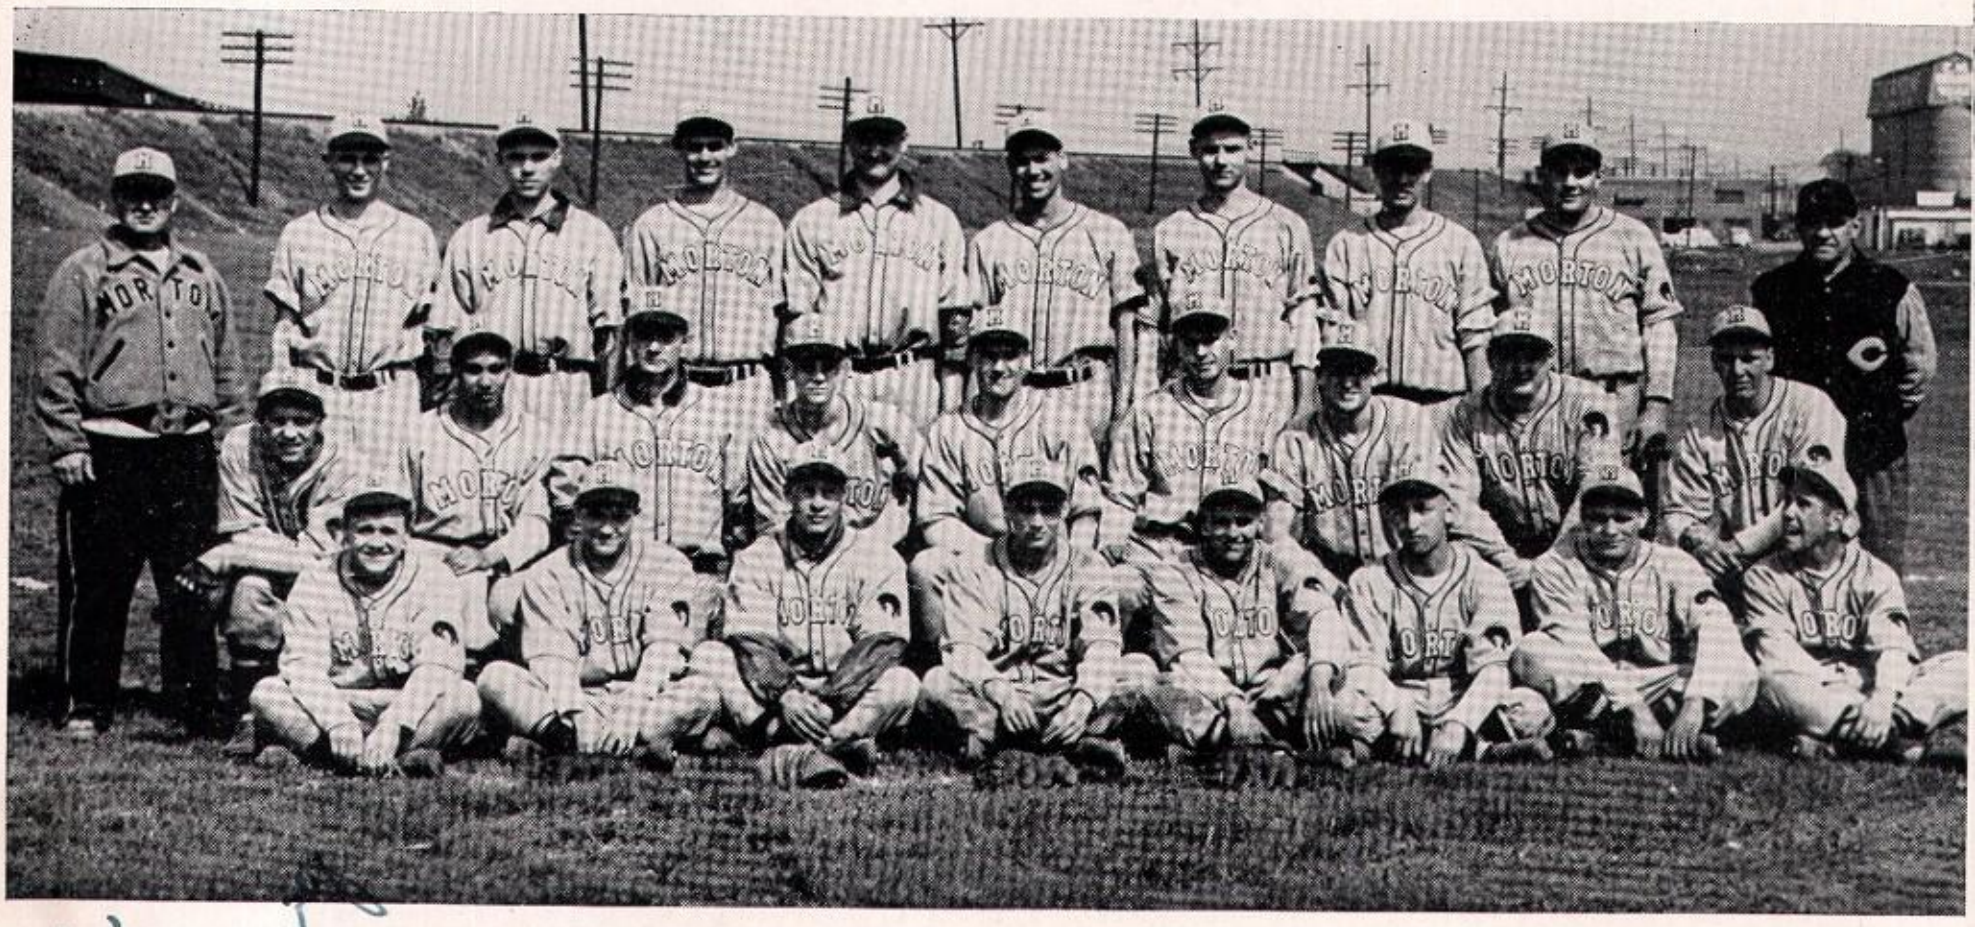
Diamond Men Finish Third



Top: Coach Fencl, Cerny, Neher, Suess, Kapper, Blaha, Donnelly, Goldstick, Shack, trainer.
Middle: Salerno, Fanelli, Suchy, Kretch, Matejka, Polan, Eubeler, Krupa, Sujack.
Bottom: Dolstal, Hanzl, Will, Katz, Konvalinka, Finder, Papp, Gaberick.

VARSITY BASEBALL . . . After winning four practice games, a double header at Riverside and two single games at Argo, the Diamond men, under the able coaching of Mr. G. Fencl, white-washed Oak Park 14-0.

The Mortonites then moved on to Proviso. Their winning ways were short lived, and they went down in defeat 4-3.

The Fencl-men were not discouraged and moved on to Evanston to take another double header 2-1 and 7-6. Thornton was next and went down in defeat to the diamond men 5-3.

With high hopes of continuing a winning streak, Morton moved on to Highland Park for a double header and lost the opener 4-2 and won the night cap 6-0. Thornton went on to defeat Morton 6-1. New Trier was next to encounter the Fencl-men; but due to lack of hitting, Morton lost 2-0 even though Bob Will pitched a three hit game. Morton also lost the second game 8-7.

Morton then split a double header with Waukegan, winning the first game 5-4 and losing the second 7-5. The Fencl-nine then went on to defeat Proviso 6-5. To close the season Morton defeated Oak Park 6-4.

Morton finished the league season with eight wins and six losses for an average of 571 and third place. If Morton has better hitting next season, they might have a first place team.

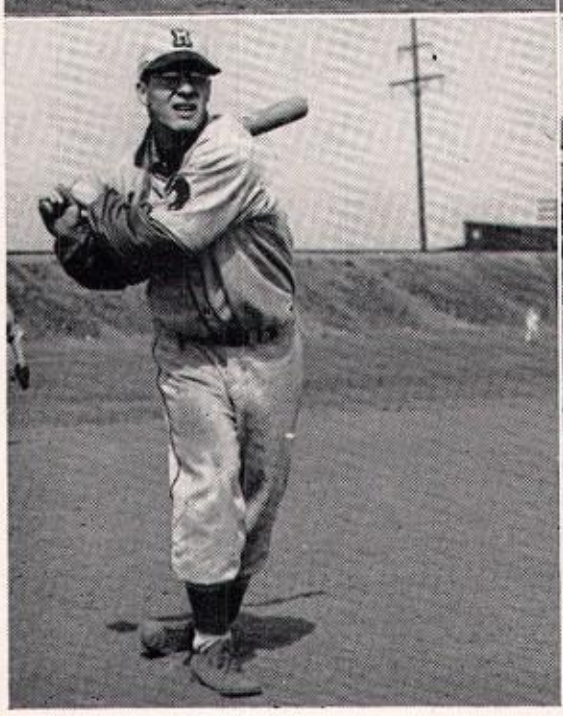
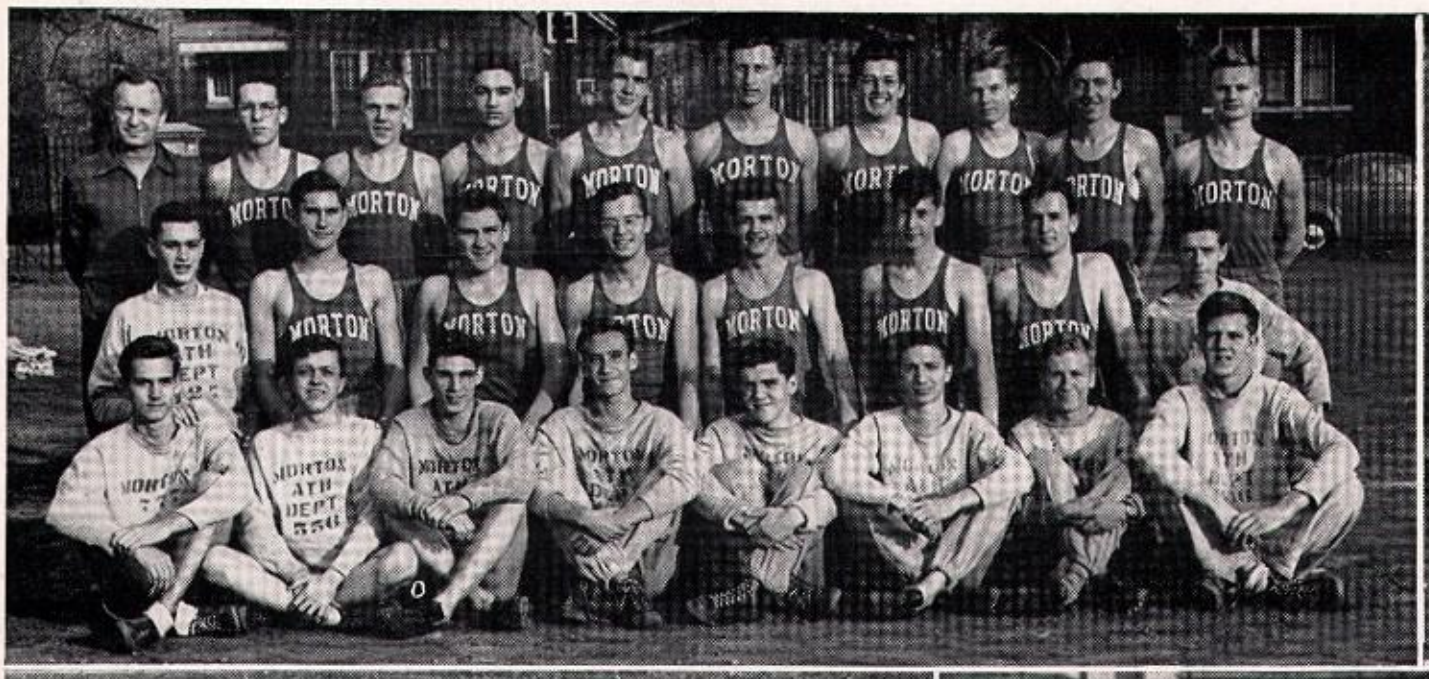
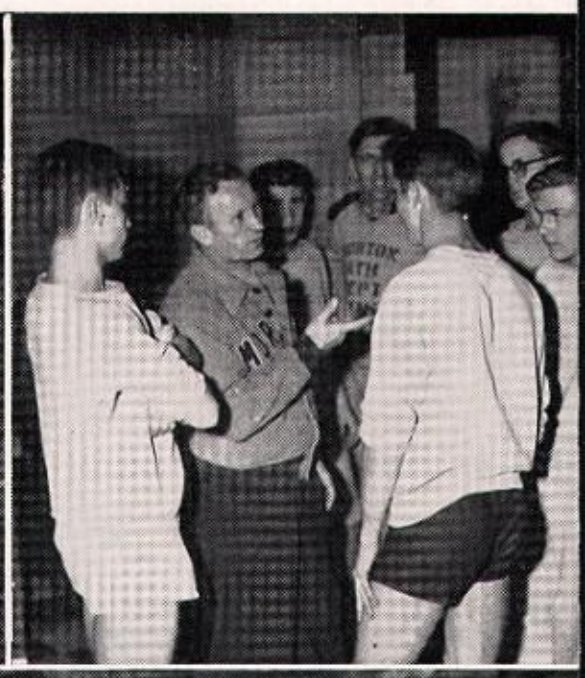
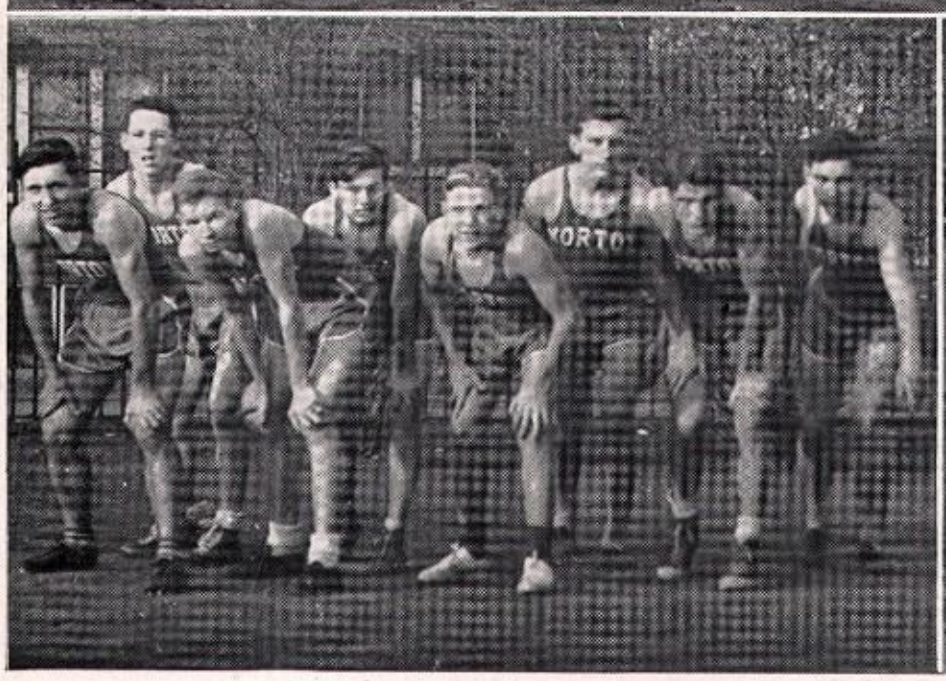
Dear Jane,
It's been swell having you in P.A. the past two years. Here's wishing you the best of luck and happiness. Have a nice summer. Hope to have you in some of my classes next year. Always remember a smile goes a long, long way.
Love 'n stuff,
Marjorie Dalkiewicz

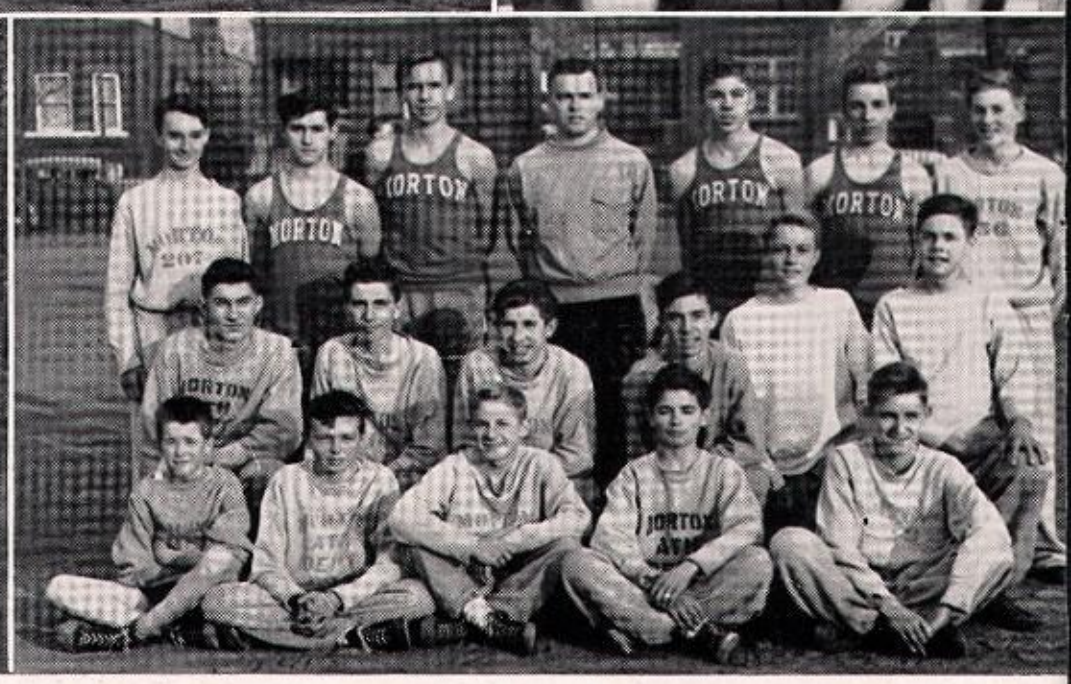


Harriers Have Luckless Season









VARSITY CROSS COUNTRY—Upper left hand picture

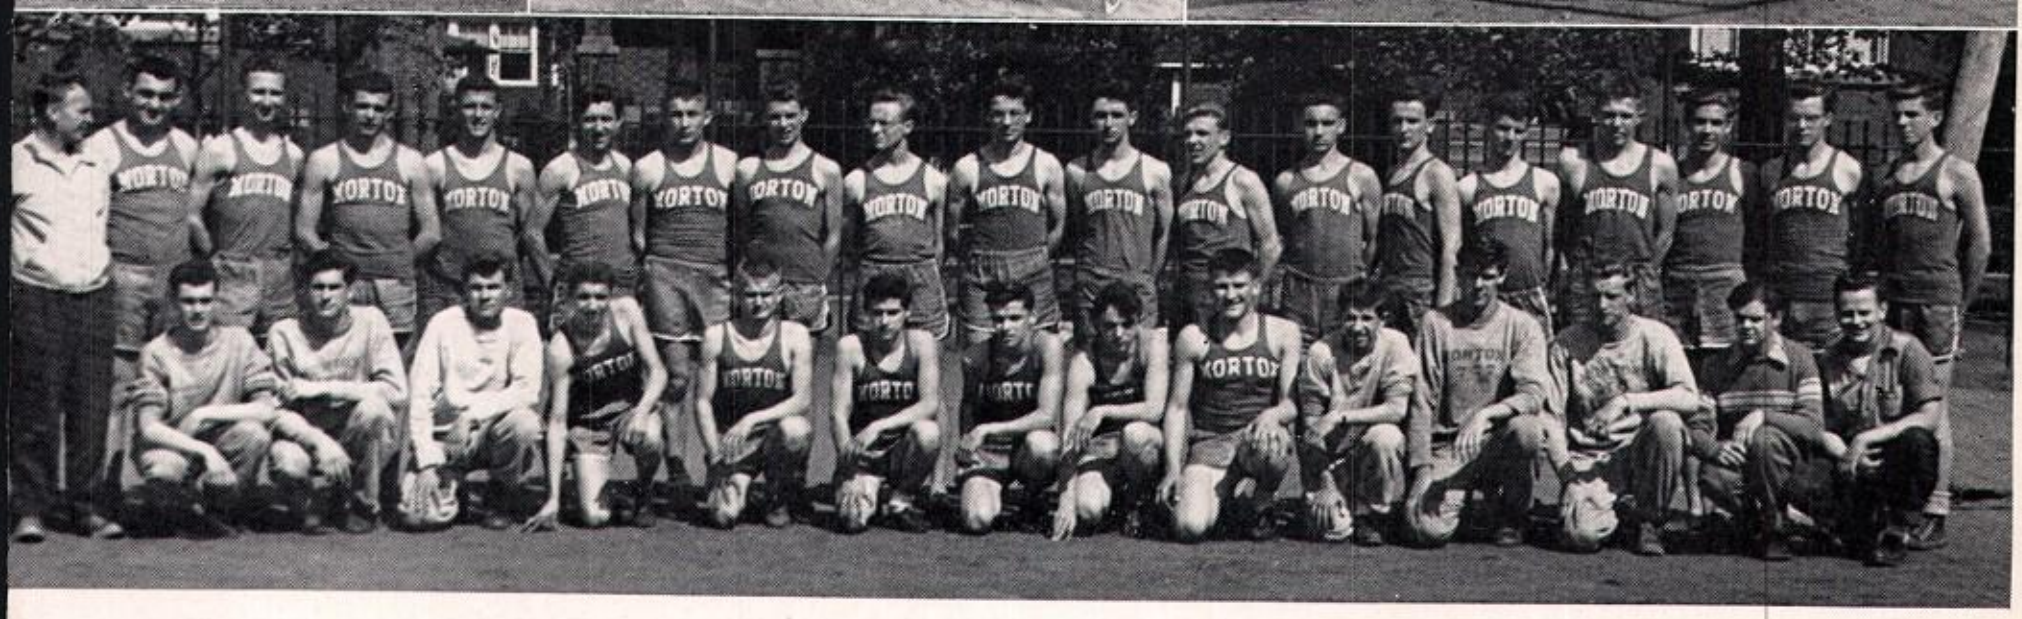
Top: Coach Kudrnovsky, Thompson, Becvar, Wydra, Hessler, Pecan, Olson, Ludwig, Wazak, Melzer.
Middle: Greenfield, Kwasniewski, Polich, Slanec, Charvat, Taucher, Adler, Lizio.
Bottom: Kocar, Cassene, Karpel, Kordat, Nejdl, Christianson, Jendrysik, Terlecky.

FROSH-SOPH CROSS COUNTRY—Lower right hand picture

Top: Weiner, Capone, Males, Coach Soucek, Cathamer, Howe, Jirik.
Middle: Molnar, Lambke, Drevakousky, Fiala, Bozis, Lakasek.
Bottom: Farell, Daves, Pecha, Meyer, Katellnek.

The Morton Harriers opened the season in good form by defeating Riverside-Brookfield by a 25-31 score. The low score took the honors. The Harriers next moved on to take Austin. Once again the low score took the honors. Morton won 26-31. The Harriers had high hopes of continuing their winning streak, but Oak Park had different ideas and defeated Morton 20-36. They next moved on to take on Steinmetz with hopes of regaining their winning ways, but Steinmetz proved to be too much for the Morton men; and they lost 21-35. The Harriers ended their season by dropping the last meet to Proviso by a 22 to 37 count. The Cross Country team of Morton is under the coaching of Mr. O. J. Kudrnovsky.

Track Team Still in the Running



Top Row—Carlini, Bruhn, Charvat, Rezabeck, Waszak, Kratky, Kosin, Sobota, Humphrey, Husek, Becvar, Wydra, Adler, Larimer, Stepanek, Kostiwa, Slanec, Jelinek.

Bottom Row—Greenfield, Kwasniewski, Bremicker, Christensen, Melzer, Capone, Sojka, Smith, Polich, Drevikovsky, Rytorski, Cwick, Petter, Kuehn.

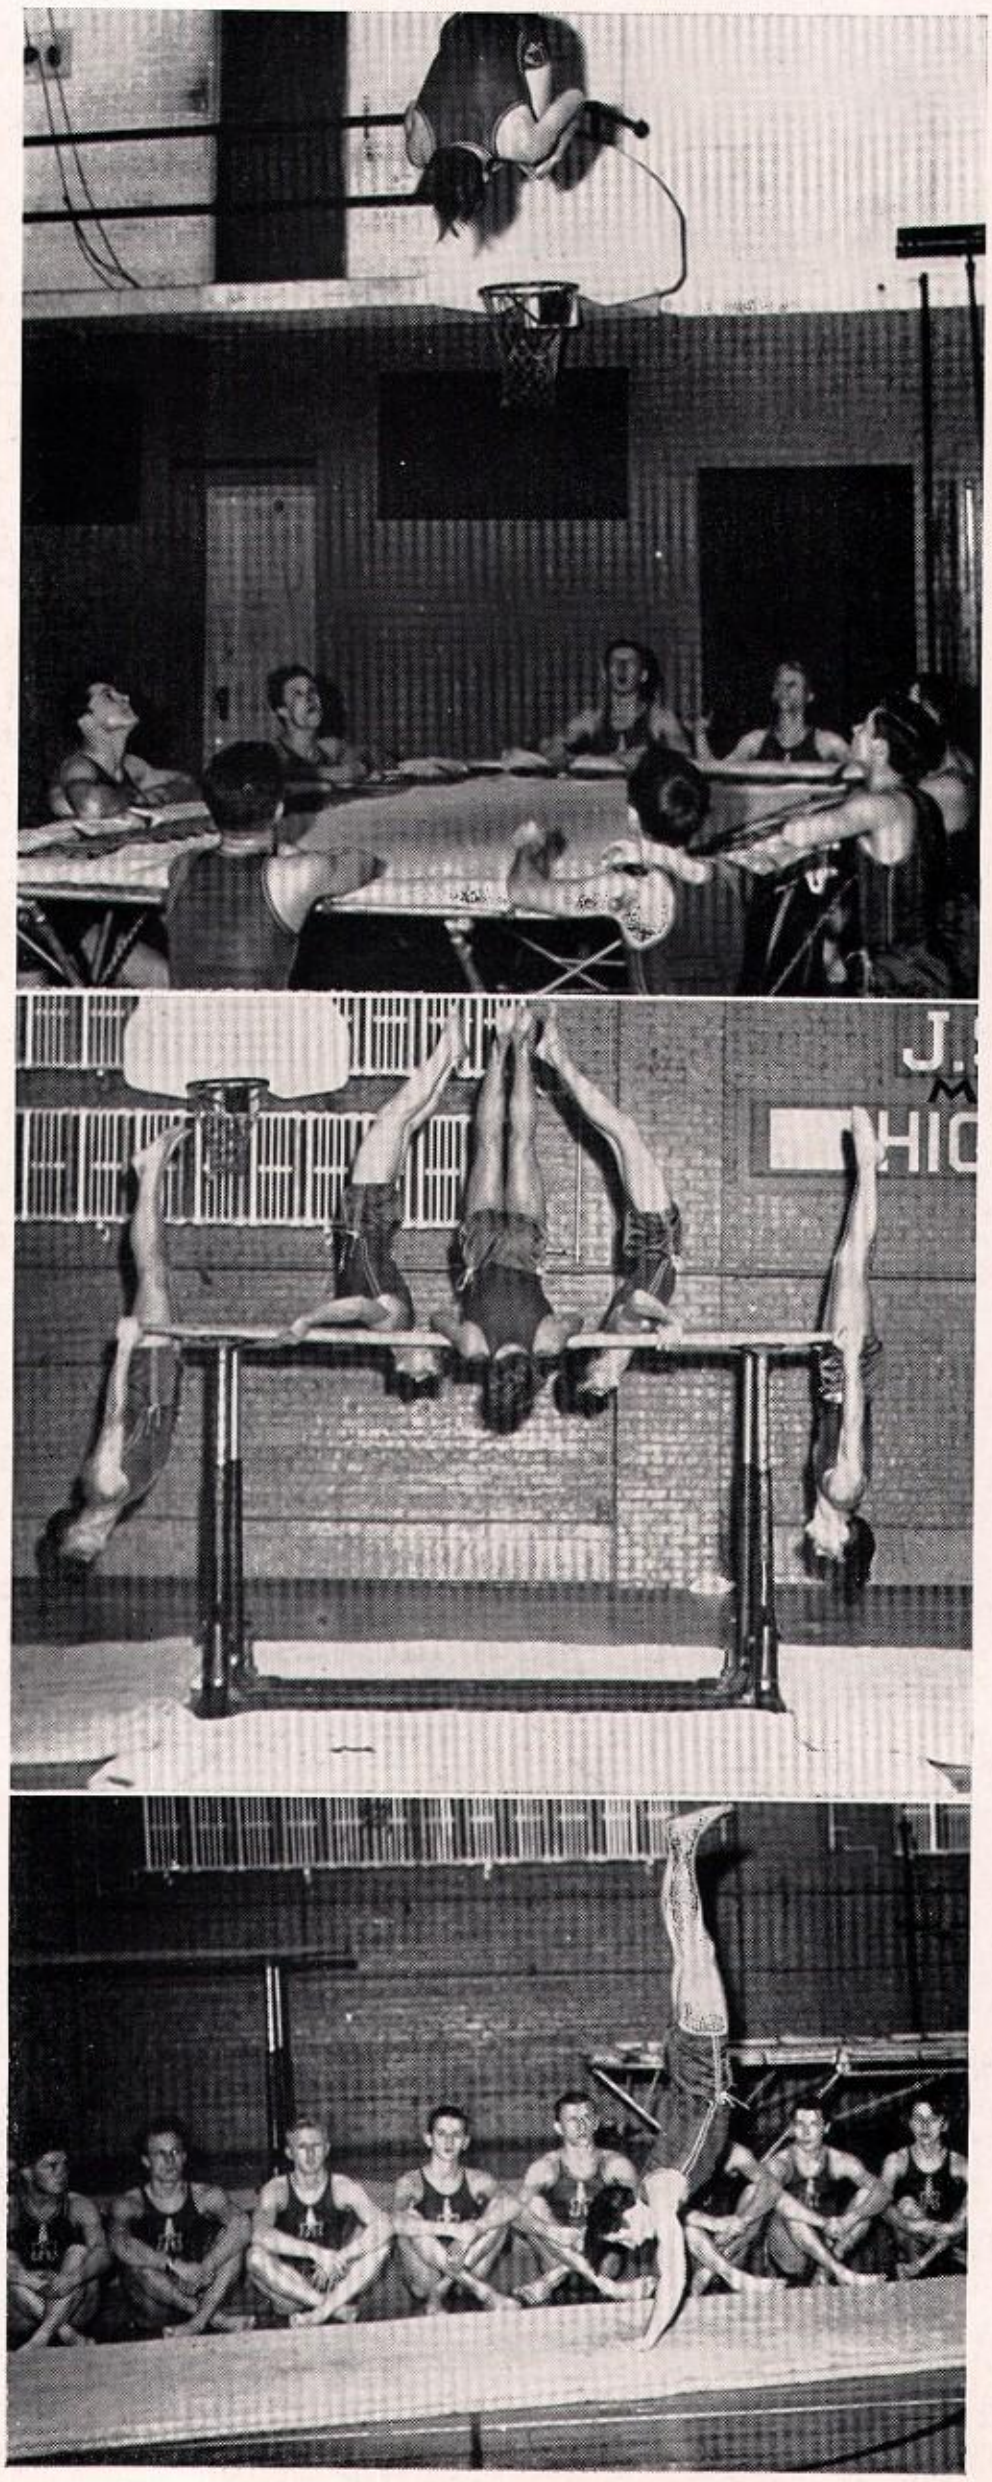
TRACK . . . Morton jumped to a fine start by whipping Steinmetz 43½ to 34½. The runners then tasted defeat in a four way meet with Oak Park, Schurz, and Maine. Proving successful they beat Austin 41-36. Ending the indoor season with the Oak Park relays, Morton had only one man in the finals, Ray Huizinga. He heaved the 12 pound shot 50 feet 3 inches which was good for only fourth place.

Not being as successful in the outdoor season, the cindermen met defeat from Proviso 71-32. The resentful team turned to find victory over Austin 58⅓ - 40⅔

All that Morton won in the district meet was a fourth in the 120 yd. high hurdles and a fifth in the 200 yd. low hurdles by Humphrey and also a tie for fifth in the pole vault by Zelinka. In the next dual meet Morton ran away from Steinmetz 61-47. When the Suburban League meet was finished, Morton found itself in fifth place and a crown to its credit. Winner of the crown was Ray Huizinga in the shot put. Points were also gained by Sobota and Becvar in the mile run and by Husek in a dash event.

Throughout the season the team was sparked by captain Jack Humphrey. Others who were consistent point winners were sprinter Ted Husek, milers Ken Sobota and Miles Becvar, half-milers Don Kosin and Gene Adler, shot-putter Ray Huizinga, broad jumpers Harry Christianson and Bob Wydra, and discus thrower Len Kwasniewski.

Tumblers and Gymnasts in Fine Form



TUMBLING AND GYMNASTICS . . .

As before so this year once again Mr. O. J. Kudrnovsky trained the fellows in his third hour class. Gymnastics and Tumbling are sports in which practice and more practice along with good coaching is vital. The coach gives his boys some valuable information in performance and form.

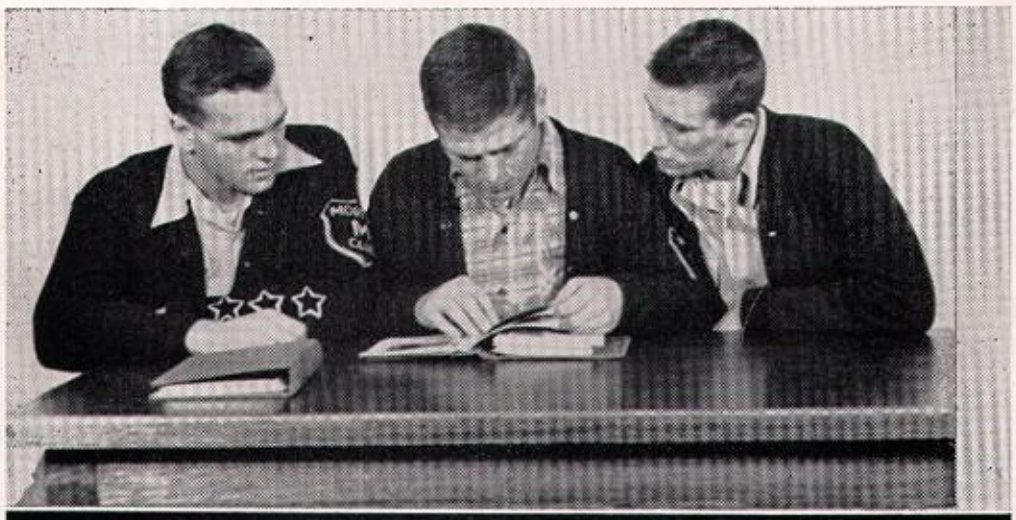
Though neither team has any interscholastic contests, the boys are always in tip top shape. There is much to be learned in both sports on the mats as well as on the horizontal or parallel bars. Their fine work is seen only at exhibitions and the annual Physical Education show. The coach can help make a fellow at home on the mats or bars in no time at all. He passes on information that he himself has acquired.

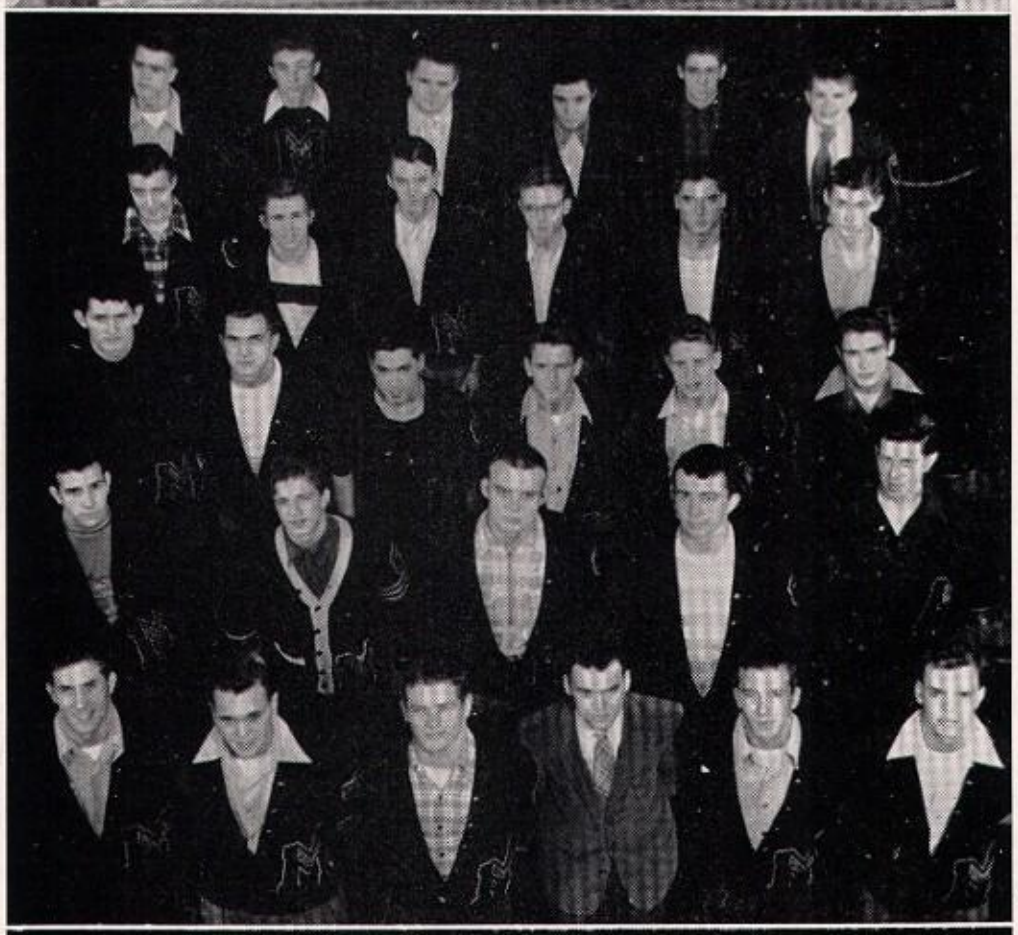
Clubs to Better Their Sports

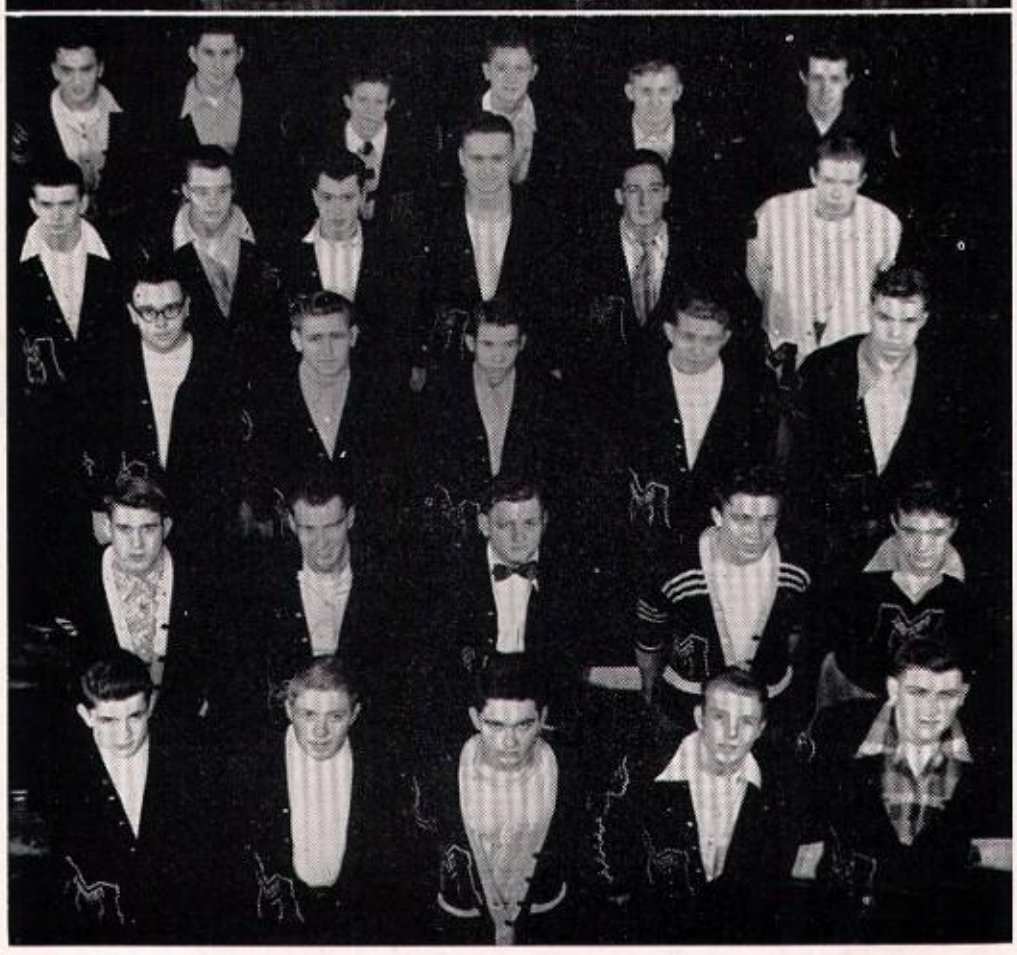
TRACK CLUB . . . The purpose of the Track Club is to encourage interest in track. Every year they sponsor the grammar school track meet. The boys also attend the Chicago Relays. The club is under the advisorship of Mr. O. J. Kudronovsky who encourages membership. All boys are welcome to join.

TUMBLING CLUB . . . Looking for some help in tumbling or gymnastics? Why not join the tumbling club to get it? It's a fine place to get it. The club is also found under Mr. O. J. Kudronovsky's advisorship. Most of the boys have a third hour class in tumbling and gymnastics. The club has done well in raising the fellows interest in tumbling.

Morton Lettermen Get Together







'M' CLUB . . . One of the most active organizations is the boys' M club. It is composed of boys who have earned their letter in one of Morton's many sports. The boys sponsor and run an annual evening dance during the school year. This year their theme was Snow Fall and all decorations were in accordance. When spring rolls around, the boys join with the girls' M club and sponsor the M club picnic. The club meets every Wednesday during morning Home Room period. The officers for last semester were Richard Polich, president; Frank Strachota, vice president; Charles Herda, secretary; and James Olmstead, treasurer. In the second semester Dale Voss was elected vice president and James Will secretary. The advisor of the club is Mr. R. Soucek.

Morton Muscle Girls

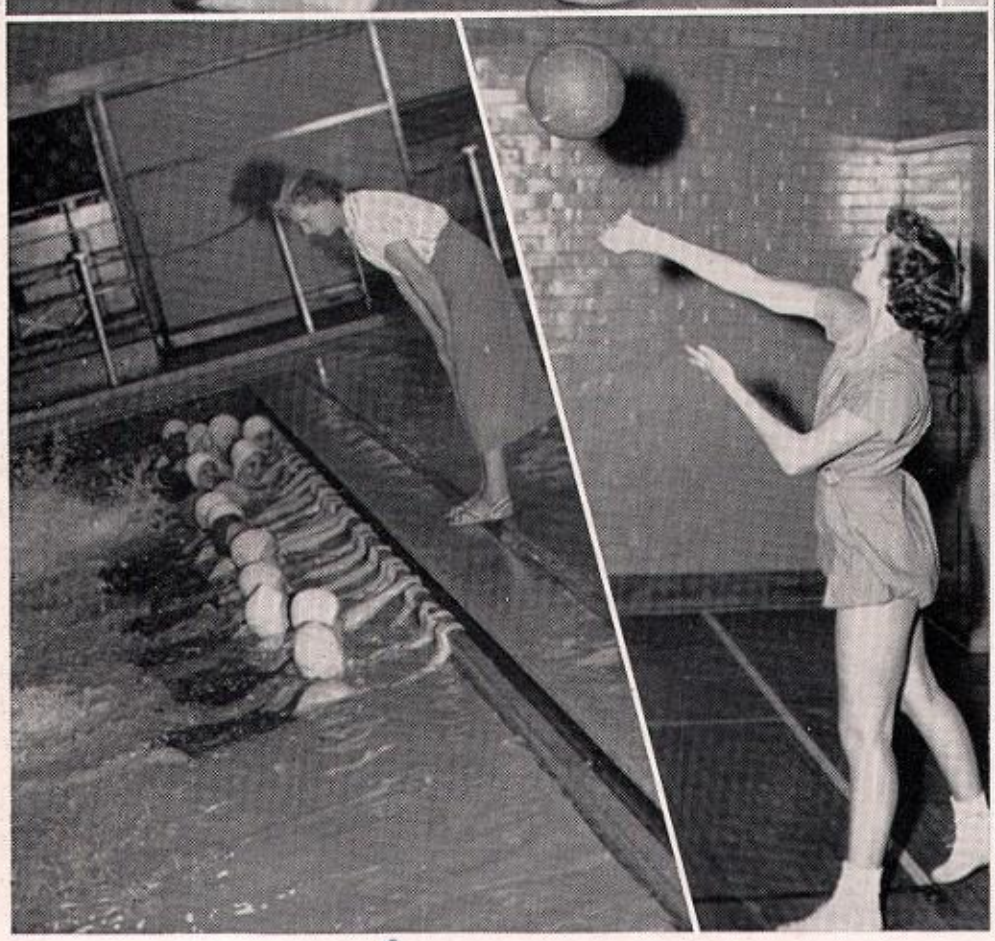
GIRLS' "M" CLUB . . . Sportswise is the exact word to describe the members of the Girls' "M" Club. Each individual develops a knowledge of the rules and regulations of team sports and learns to participate in the sports offered. The school letter must be earned by each girl who joins the club.

You say you'd like to join? Here are the requirements: swim four lengths of the pool, have an 85 average and a TB skin test or X-ray. Of course, the most important requirement is to have earned 1000 points through participation in intramural sports, school demonstrations, and through keeping walk cards, swim cards, and health charts.

The club's first purpose is service to the school and community, and secondly, athletic and social activities.

The officers were: President, Joy Brani; Vice-President, Shirley Simak; Secretary, Gloria Stoltenberg; Treasurer, Carol Adams; Sports Manager, Ruth Ann Janus; Assistant Sports Managers, Betty Cipra and Violet Vlk. The second semester Geraldine Glaw became treasurer, Shirley Reed vice-president, and Allene Kubice assistant sports manager. Miss Griesbaum advises the club.

The Kickoff



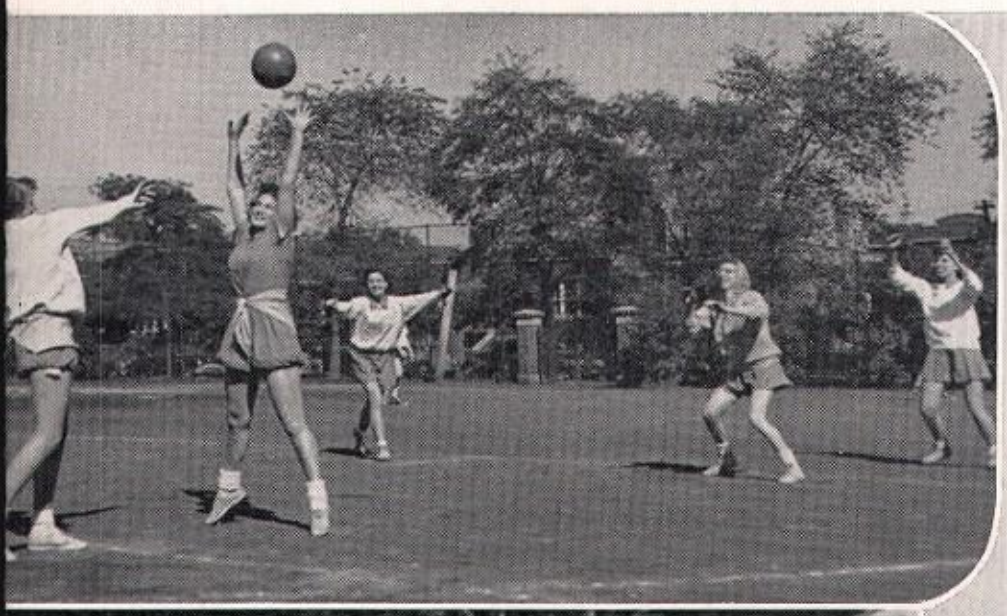
Dear Jane,
It's been swell being in the same English class as you for two whole years. Best wishes to a swell kid.
-Darlene Hooks

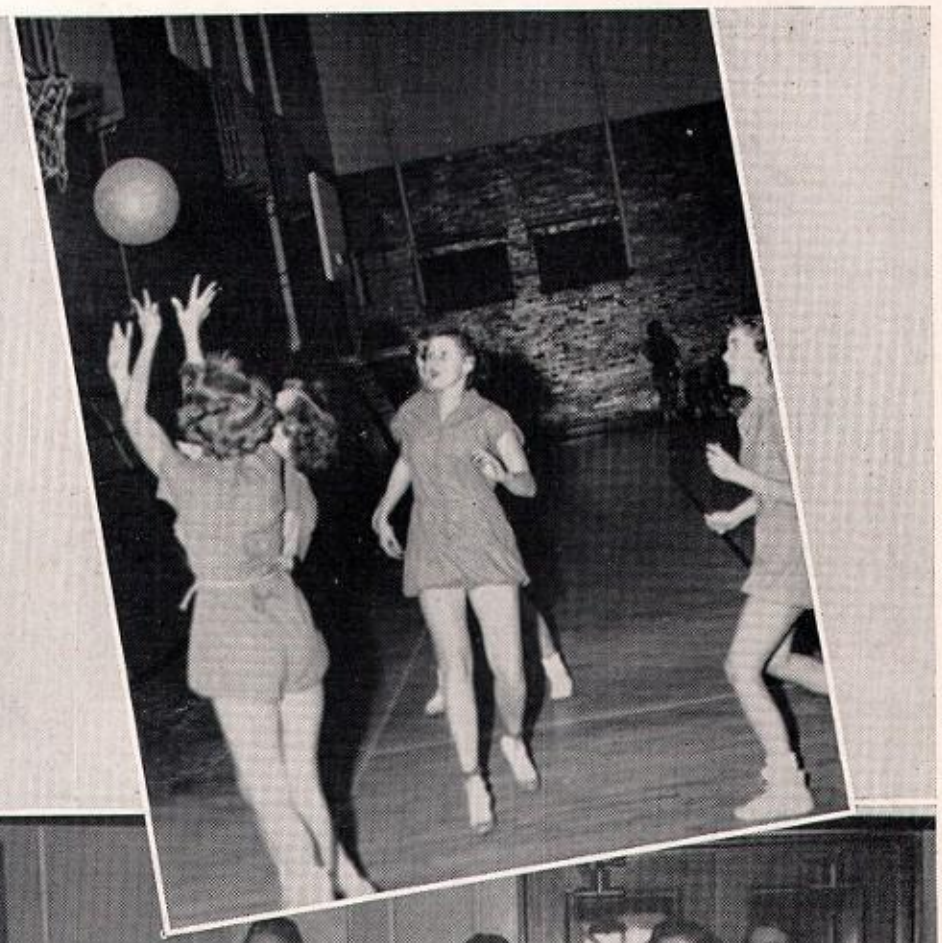
FROSH-SOPH SPORTS . . . Soon after entering Morton, the freshmen girls acquire a treasure chest of fundamental skills in the game of soccer. As soon as the snow flies, they move indoors and continue the physical education program with the sports of basketball, volleyball, and then outside again for baseball. There is never a dull moment in a first or second year gym class because of the continual interest in acquiring the "know how" of the various sports.

The girls' program is rounded out with a period of hygiene a week, conditioning exercises, swimming, dancing, and marching.

During her second year, the fortunate sophomore girl has instructions in driving once a week. Various tests of her driving ability are made, and each girl has a chance to manipulate a dual-controlled car under the supervision of an able instructor.

The Windup





JUNIOR-SENIOR SPORTS . . . By the time a girl is an upperclassman, she has mastered the games of soccer, basketball, volleyball, and baseball. Now she can just play to enjoy the game or concentrate on the special skills which playing each game involves. Seniors may play speedball, which is a combination of soccer and basketball.

Every junior girl is required to have one period of home nursing a week. During this time she is instructed in the art of caring for an ill person at home.

Similarly, each senior is required to have one semester of first aid. This involves the immediate care given the victim of an accident until a physician can be obtained.

With the recommendation of her gym teacher, any girl may enter one of four special classes. These are: lifesaving, leadership, beginning tumbling, and creative dance.

Girls Athletes are After

GIRLS' ATHLETIC ASSOCIATION . . . One of the most popular girls' club at school is the G.A.A., a statewide organization. Any girl is eligible to join if she has earned 100 points, has passing marks in all majors, secures her advisor's approval on sportsmanship, and obtains a medical permit for club activities.

Upon receiving the first award, a pin in the shape of the state of Illinois, each girl takes an oath to stimulate interest and participation in girls' athletic activities and to promote ideals of health and sportsmanship. Next in the line of awards are the numerals, and then the G.A.A. "M". The last two awards are state awards, which are the "I" and state map.

The girls eagerly look forward to the many outside activities offered by the club. The annual sock hop, horseback riding, roller skating, playdays, and hikes are but a few of the highlights of the year.

The officers for the past year were: President, Mary Jane Radnik; Vice-President, Marlene Motis; Secretary, Joan Zobel; Assistant Secretary, Mary Ross; Treasurer, Nancy Cadek; Social Chairman, Alice Mack; Publicity Chairman, Darlene Hein; Sports Chairman, Elaine Skopek; Historian, Adrianne Cerny. The second semester Marlene Motis became president.

Future Follies, Inc.

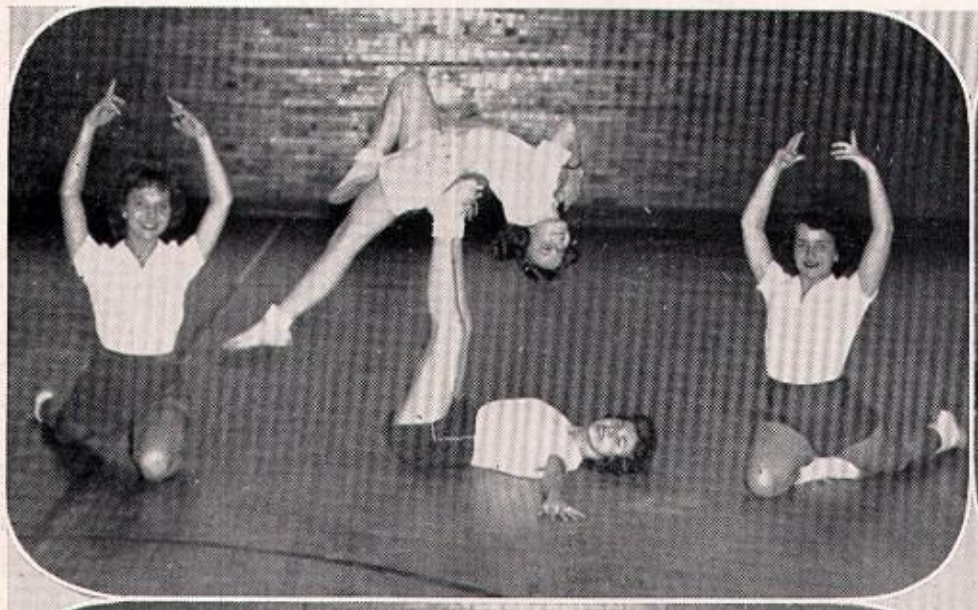
CREATIVE DANCE CLUB . . . If you happened to glance into room 202 during the fifth or seventh hours, you would have seen the Advanced Creative Dance Classes busily practicing their rhythmic routines. The girls in these classes are also members of the club. Officers, a board, special committees, and the adviser, Miss A. J. Novotny, plan and organize the extra-class activities for the year including a banquet each semester honoring graduating seniors and those receiving dance "M's".

This year the energetic club members have participated in the Variety Show, P.T.A. Show, and the Physical Education Demonstration. They have also entertained at Great Lakes and Hines Hospitals.

An "M" is awarded to members who have been in the advanced class for one full school year and is earned by participation in club and class activities.

Directing the club this year were: President, LaVergne Burke; Vice-President, Patsy Carter; Secretary, Joan Krynicki; Treasurer, Joan Snyder; Board, June Loula, Shirley Veseley, and Marlene Kopacek.

Head Over Heels



TUMBLING CLUB . . . To further interest and ability in tumbling is the aim of the girls in the Tumbling Club. And these girls are just the ones who can do it! Their hard work and continuous effort make them tops in mat work.

To become a member of the club, one must pass a not too easy test. This test includes a forward and backward roll, head stand, limber, back bend, walkovers, cartwheel, and a handspring.

But all work and no play give Jill a stiff back; so the girls get together at banquets, picnics, and other social affairs. They also perform in P. E. demonstrations and other demonstrations in and out of school.

After the required number of points are earned, an "M" is presented to each deserving girl. A second award is an emblem on which there is the figure of a girl standing on her hands.

The officers for this year were: President, Norma Barr; Vice-President, Audrey Uhlir; Secretary, Yvonne Hussey; Treasurer, Claire Czyker. Miss Berman is the advisor.

Gal Guards — Tip Tap Toe

LIFESAVING CLUB . . . Have you a lifesaving certificate, junior or senior? Well then, why not join the lifesaving club? Besides looking good in a bathing suit, these girls have the ability to rescue or assist a drowning person. In order to provide aid and protection in the swimming pool, these girls guard during girls' swimming periods.

By guarding, the girls can earn points toward the lifesaving "M".

This year the officers were: President, Jean Clavin; Vice-President, Alice Mack; Secretary, Marlene Motis; Treasurer Violet Vlk. Miss Berman directs the club.

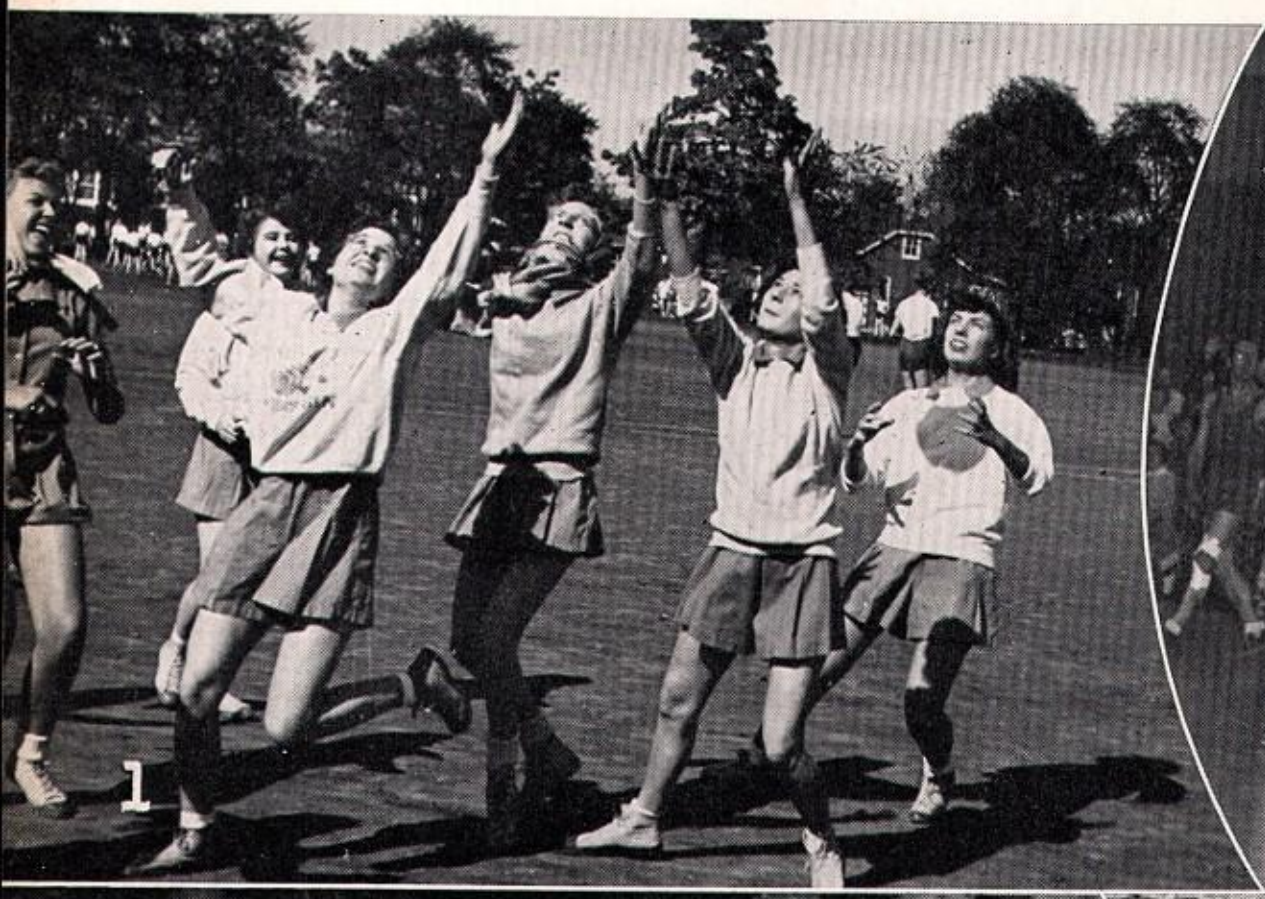
ADVANCED TAP CLUB . . . The energetic tapsters on this page are in the advanced section of the Tap Club. Under the lively instruction of Miss Novotny, the girls learn varied and interesting tap routines.

The club has performed in the Variety Show, PTO Show, and Physical Education Demonstration; and they have traveled to Great Lakes and Hines Hospitals.

An emblem is awarded to outstanding members of the club.

Officers of the advanced group were: Chairman, Marlene Kopacek; Secretary, Ann Fizel; Treasurer, Geraldine Lid.

Dear Jane,
Here's wishing
a swell girl all the
luck in the world.
Have a nice summer
and I will see
you next year.
Roberta
Ruzek



Dear June,
Its been swell knowing you. Good Luck in the future & years to come.
your pal,
Joan Lomeo

I'll be different, probably, but I'll simply wish you all the luck in the world because you're so

Autographs

Dear June,
I have known you
for a short time
but I hope we
can be friends
for a long time.
I wish you
the best of luck
in the future
and hope you
will write me
sometime.
Margie Krupp

Hi June
I wish you all
the best, Happiness
and Love in the
world. Love has been
fun in the 6th hour.
next year Maybe
maybe lucky
enough to get
into the same
class.
Best Wishes
